Rasizm V Iazyke Sotsialnykh Nauk

Lars Rensmann, Julius H. Schoeps

Rasizm V Iazyke Sotsialnykh Nauk:

Russian Nationalism and the National Reassertion of Russia Marlene Laruelle, 2009-05-07 Military action in South Ossetia growing tensions with the United States and NATO and Russia's relationship with the European Union demonstrate how the issue of Russian nationalism is increasingly at the heart of the international political agenda This book considers a wide range of aspects of Russian nationalism focussing on the Putin period It discusses the development of Russian nationalism including in the Soviet era and examines how Russian nationalism grows out of or is related to ideology culture racism religion and intellectual thinking and demonstrates how Russian nationalism affects many aspects of Russian society politics and foreign policy This book examines the different socio political phenomena which are variously defined as nationalism patriotism and xenophobia As Russia reasserts itself in the world with Russian nationalism as one of the key driving forces in this process an understanding of Russian nationalism is essential for understanding the dynamics of contemporary international relations

The Politicization of Russian Orthodoxy Anastasia V Mitrofanova, 2005-07-26 This book analyzes the ideologies of politicized Orthodox Christianity in today Russia including fundamentalism pan Slavism neo Eurasianism Orthodox communism and nationalism Apart from textual analysis the volume provides a description of the specific subculture of political Orthodoxy i e its language symbols art mass media hangouts and dresscode This study represents the first scholarly examination of these topics Unlike other publications on the politicization of Orthodoxy it is focused not on the political ambitions of the Russian Orthodox Church ROC but on political movements ideologically based on their own interpretations of the Orthodox doctrine often contravening the canonical version The book demonstrates that the political Orthodox or Orthodox patriots are a specific branch of believers who frequently do not practice Orthodoxy properly inventing instead their own quasi Orthodox rituals The volume shows that the ROC is not responsible for such religious politicization and that the community of the political Orthodox is rather guided by religiously oriented lay intellectuals The book provides a brief analysis of this intellectual community Finally the volume demonstrates that even in the absence of significant electoral achievements some religio political Orthodox movements namely fundamentalists and nationalists have been able to gain public support at the grassroots level They have been able to infiltrate larger and more moderate political organizations thus contributing to a general Orthodoxization of Russian political discourse

The Patriotism of Despair Serguei Alex. Oushakine, 2011-02-23 The sudden dissolution of the Soviet Union altered the routines norms celebrations and shared understandings that had shaped the lives of Russians for generations It also meant an end to the state sponsored nonmonetary support that most residents had lived with all their lives How did Russians make sense of these historic transformations Serguei Alex Oushakine offers a compelling look at postsocialist life in Russia In Barnaul a major industrial city in southwestern Siberia that has lost 25 percent of its population since 1991 many Russians are finding that what binds them together is loss and despair The Patriotism of Despair examines the aftermath of the collapse of the Soviet Union

graphically described in spray paint by a graffiti artist in Barnaul We have no Motherland Once socialism disappeared as a way of understanding the world what replaced it in people s minds Once socialism stopped orienting politics and economics how did capitalism insinuate itself into routine practices Oushakine offers a compelling look at postsocialist life in noncosmopolitan Russia He introduces readers to the neocoms people who mourn the loss of the Soviet economy and the remonetization of transactions that had not involved the exchange of cash during the Soviet era Moving from economics into military conflict and personal loss Oushakine also describes the ways in which veterans of the Chechen war and mothers of soldiers who died there have connected their immediate experiences with the country s historical disruptions The country the nation and traumatized individuals Oushakine finds are united by their vocabulary of shared pain **Dilemmas of**

Diversity After the Cold War Michele R. Rivkin-Fish,Elena Trubina,2010 **Politics and Resentment** Lars

Rensmann,Julius H. Schoeps,2010-10-29 Democratic polities continue to be faced with politics of resentment The first comparative study of its kind this book rigorously examines the contemporary relevance of antisemitism and counter cosmopolitan resentments in the European Union and beyond **New Russian Nationalism** Kolsto Pal Kolsto,2016-03-24 Russian nationalism previously dominated by imperial tendencies pride in a large strong and multi ethnic state able to project its influence abroad is increasingly focused on ethnic issues In 2014 Russia s annexation of Crimea and the subsequent violent conflict in Eastern Ukraine utterly transformed the nationalist discourse in Russia This book provides an up to date survey of Russian nationalism as a political social and intellectual phenomenon by leading Western and Russian experts in the field of nationalism studies It includes case studies on migrantophobia the relationship between nationalism and religion nationalism in the media nationalism and national identity in economic policy nationalism in the strategy of the Putin regime as well as a survey based study of nationalism in public opinion *New Russian Nationalism* Pal

Kolsto,2016-03-24 Traces Russia s transforming nationalism from imperialism through ethnocentrism and migration phobia to territorial expansion This title was made Open Access by libraries from around the world through Knowledge Unlatched

In Marx's Shadow Costica Bradatan,Serguei Oushakine,2010-03-19 Despite its key role in the intellectual shaping of state socialism Communist ideas are often dismissed as mere propaganda or as a rhetorical exercise aimed at advancing socialist intellectuals on their way to power By drawing attention to unknown and unexplored areas trends and ways of thinking under socialism the volume examines Eastern Europe and Russian histories of intellectual movements inspired negatively as well as positively by Communist arguments and dogmas Through an interdisciplinary dialogue the collection demonstrates how various bodies of theoretical knowledge philosophical social political aesthetic even theological were used not only to justify dominant political views but also to frame oppositional and nonofficial discourses and practices The examination of the underlying structures of Communism as an intellectual project provides convincing evidence for questioning a dominant approach that routinely frames the post Communist intellectual development as a revival or at least

as a return of the repressed intellectual traditions As the book shows the logic of a radical break suggested by this approach is in contradiction with historical evidence a significant number of philosophical theoretical and ideological debates in post Communist world are in fact the logical continuation of intellectual conversations and confrontations initiated long before 1989

Ethnic Relations in Post-Soviet Russia Andrew Foxall,2014-10-03 While the collapse of communism in Russia was relatively peaceful ethnic relations have been deteriorating since then This deterioration poses a threat to the functioning of the Russian state and is a major obstacle to its future development Analysing ethnic relations in the North Caucasus this book demonstrates how a myriad of processes that characterised post Soviet transition including demographic change economic upheaval geopolitical instability and political re structuring have affected daily life for citizens It raises important questions about ethnicity identity nationalism sovereignty and territoriality in the post Soviet space

Anthropology & Archeology of Eurasia ,2008

Culture, Ethnicity and Migration After Communism Anton Popov,2016-06-10 This book addresses the issue of emerging transnationalism in the conditions of post socialism through focusing on migrants identity as a social construction resulting from their experience of the transnational circuit of culture as well as from post Soviet shifts in political and economic conditions in their home regions Anton Popov draws upon ethnographic research conducted among Greek transnational migrants living on the Black Sea coast and in the North Caucasus regions of Russia who have become involved in extensive cross border migration between the former Soviet Union the Russian Federation Kazakhstan and Georgia and Greece as well as Cyprus It is estimated that more than 150 000 former Soviet citizens of Greek origin have resettled in Greece since the late 1980s Yet many of those who emigrate do not cut their connections with the home communities in Russia but instead establish their own transnational circuit of travel between Greece and Russia This study demonstrates how migrants employ their ethnicity as symbolic capital available for investment in transnational migration Simultaneously they rework their practices of family networking property relations and political participation in a way which strengthens their attachment to the local territory The findings presented in the book imply that the social identities economic strategies political practices and cultural representation of the Russia s Pontic Greeks are all deeply embedded in the shifting social and cultural landscape of post Soviet Russia and extensively influenced by the global movement of ideas goods and people

Cultural Diversity in Russian Cities Cordula Gdaniec,2010 Cultural diversity the multitude of different lifestyles that are not necessarily based on ethnic culture is a catchphrase increasingly used in place of multiculturalism and in conjunction with globalization Even though it is often used as a slogan it does capture a widespread phenomenon that cities must contend with in dealing with their increasingly diverse populations The contributors examine how Russian cities are responding and through case studies from Moscow St Petersburg Novosibirsk and Sochi explore the ways in which different cultures are inscribed into urban spaces when and where they are present in public space and where and how they carve out their private spaces Through its unique exploration of the Russian example this volume addresses the

implications of the fragmented urban landscape on cultural practices and discourses ethnicity lifestyles and subcultures and economic practices and in doing so provides important insights applicable to a global context Book Jacket *Many Faces of the Caucasus* Nino Kemoklidze, Cerwyn Moore, Jeremy Smith, Galina Yemelianova, 2017-12-22 Studies of the Caucasus in the West have been dominated by issues of security and ethnic conflict based on Eurocentric theoretical paradigms By contrast this volume offers contributions from researchers working within a range of disciplines including history social anthropology sociology and cultural studies as well as international relations and security studies Some of the contributions demonstrate in depth knowledge of the region from inside while others explore the issues within a wider Eurasian and global perspective The volume examines the politically defined division of the region into the North and South Caucasus the evolution of national identity and citizenship and the role of the NGOs in the development of civil society in the post Soviet period Its content demonstrates the advantages of an area studies inter disciplinary approach to the study of the region and the importance of collaboration between Western and local researchers It highlights the importance of the Caucasus as a geographical political and civilisational entity and examines the historical cultural political religious and psychological factors behind the region s particular susceptibility to territorial and ethno religious conflict The book will be of benefit to scholars and students researching the Caucasus Russia and the post Soviet space It will also appeal to policy makers NGO activists journalists and a wider audience interested in this fascinating region This book was published as a special issue of Europe Asia Studies

Doublespeak Matthew, 2014-04-15 This timely intervention exposes the euphemized language of the extreme right as a deceptive attempt to secure greater influence over public policy Since the end of World War II the extreme right has made strategic use of doublespeak which apes the language of liberal democracy Attentive observation and accurate recognition of these tactics means taking the extreme right s deliberately crafted slogans symbols and themes seriously These essays investigate the extreme right s attempts at repackaging contemporary ultranationalism to make it more palatable to mainstream European and American tastes

Разисм в языке социальных наук Виктор Воронков, Oksana Karpenko, Aleksandr Gennad'evich Osipov, 2002

Right here, we have countless ebook **Rasizm V Iazyke Sotsialnykh Nauk** and collections to check out. We additionally present variant types and then type of the books to browse. The all right book, fiction, history, novel, scientific research, as without difficulty as various additional sorts of books are readily manageable here.

As this Rasizm V Iazyke Sotsialnykh Nauk, it ends stirring instinctive one of the favored books Rasizm V Iazyke Sotsialnykh Nauk collections that we have. This is why you remain in the best website to see the incredible book to have.

Rasizm V Iazyke Sotsialnykh Nauk Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rasizm V Iazyke Sotsialnykh Nauk PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that

while accessing free Rasizm V Iazyke Sotsialnykh Nauk PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rasizm V Iazyke Sotsialnykh Nauk free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rasizm V Iazyke Sotsialnykh Nauk Books

1. Where can I buy Rasizm V Iazyke Sotsialnykh Nauk books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
