**Dostoevsky's "Crime and Punishment"** Deborah A. Martinsen, 2022-02-22 Crime and Punishment A Reader's Guide focuses on narrative strategy psychology and ideology Martinsen demonstrates how Dostoevsky first plunges the reader into Raskolnikov's fevered brain creating sympathy for him and she explains why most readers root for him to get away from the scene of the crime Dostoevsky subsequently provides outsider perspectives on Raskolnikov's thinking effecting a conversion in reader sympathy By examining the multiple justifications for murder Raskolnikov gives as he confesses to Sonya Dostoevsky debunks rationality based theories Finally the question of why Raskolnikov and others including the reader focus on the murder of the pawnbroker and forget the unintended murder of Lizaveta reveals a narrative strategy based on shame and guilt Kierkegaard and Dostoevsky Petr Vaškovíc, 2024-10-21 The book brings together the philosophy of Søren Kierkegaard with that of another prominent proto existentialist thinker Fyodor Dostoevsky Asking the question What constitutes an authentic Christian life the book explores the answer given by both authors which is that one should rid oneself of selfish inclinations and strive for a life of faith that revolves around the virtues of humility and non preferential love However as we learn from Dostoevsky and Kierkegaard becoming an authentic individual is no easy task and the book goes on to examine the obstacles that lie in the path of individual existential self development The book then examines the ways in which the various characters and pseudonymous authors who populate Dostoevsky's and Kierkegaard's books struggle in their attempts to become authentic ethical and religious individuals The examination of this struggle termed

existential entrapment and defined as the inability to progress on the path of one's existential self development forms the core of the book and helps to map out the ethical religious landscape of Dostoevsky's and Kierkegaard's thought Crime and Punishment Fyodor Dostoevsky, 2021-01-18 Welcome to the gripping world of Crime and Punishment by Fyodor Dostoevsky a timeless masterpiece of Russian literature that delves deep into the complexities of human psychology morality and redemption Prepare to be enthralled by the riveting tale of a young man's descent into darkness and his journey towards spiritual awakening and redemption Follow the compelling story of Rodion Raskolnikov a troubled former student who wrestles with his own inner demons as he navigates the harsh realities of life in 19th century St Petersburg As Raskolnikov grapples with poverty despair and moral ambiguity you'll find yourself drawn into a world of moral ambiguity and psychological intrigue Explore the rich tapestry of characters that populate Dostoevsky's world from the enigmatic Raskolnikov himself to the colorful cast of friends family and acquaintances who shape his destiny Through their interactions and experiences you'll gain insight into the complexities of human relationships and the eternal struggle between good and evil Themes of guilt redemption and the nature of justice permeate the narrative inviting readers to confront their own moral beliefs and wrestle with the consequences of their actions As Raskolnikov grapples with the consequences of his crime and seeks absolution for his sins you'll find yourself pondering the nature of forgiveness and the possibility of redemption The overall tone and mood of Crime and Punishment are imbued with a sense of darkness and despair as Dostoevsky's evocative prose and vivid descriptions transport you to the gritty streets and dimly lit alleys of St Petersburg From the bustling markets to the squalid tenements you'll experience the full spectrum of human emotion and experience Critically acclaimed for its psychological depth philosophical insight and masterful storytelling Crime and Punishment has earned its place as a classic of world literature Its enduring relevance and universal themes continue to resonate with readers of all ages inspiring them to confront their own inner demons and seek redemption in the face of adversity Whether you're a fan of classic literature a student of human nature or simply someone looking for a compelling story that will stay with you long after you've turned the final page Crime and Punishment promises to captivate and inspire Its timeless exploration of guilt morality and the human condition will leave you pondering the mysteries of existence and the nature of redemption Don't miss your chance to experience the power of Crime and Punishment by Fyodor Dostoevsky Secure your copy now and discover why this timeless masterpiece continues to captivate readers around the world **Crime and Punishment** Fyodor Dostoyevsky, 1914
