## **Rauschenbusch The Formative Years:**

Rauschenbusch, the Formative Years Klaus Juergen Jaehn, 1976      *Rauschenbusch* Klaus Jürgen Jaehn, 1976      **Baptist Theology** James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal      Walter Rauschenbusch and His Contribution to Social Christianity Anna M. Singer, 1926      Baptist Identities Ian M. Randall, Toivo Pilli, Anthony R. Cross, 2006-08-01 The authors of the papers published here come from a dozen different countries and represent different expressions of Baptist life The papers were delivered at the third International Conference on Baptist Studies held at the International Baptist Theological Seminary in Prague in July 2003 with the theme Baptist Identities Those who gave presentations explored what factors have contributed to the nature of Baptist distinctiveness in different countries and at different times In some cases the authors have written about their own contexts using specific case studies that relate to particular periods whereas in other cases they range more widely covering several countries and or longer periods of time Topics examined in this volume include theological education women in leadership issues of ethnicity Baptist identity and national consciousness and creeds The regional scope of the Baptist stories that are analyzed includes Africa Asia Australia Eastern and Western Europe and North America At a time when there is considerable discussion throughout the world Baptist community about the nature of Baptist identity this collection of papers by significant historians of Baptist life is an important contribution      **The Search for Social Salvation** Gary Scott Smith, 2000-01-01 In their studies of social Christianity scholars of American religion have devoted critical attention to a group of theologically liberal pastors primarily in the Northeast Gary Scott Smith attempts to paint a more complete picture of the movement Smith s

ambitious and thorough study amply demonstrates how social Christianity which included blacks women Southerners and Westerners worked to solve industrial political and urban problems reduce racial discrimination increase the status of women curb drunkenness and prostitution strengthen the family upgrade public schools and raise the quality of public health In his analysis of the available scholarship and case studies of individuals organizations and campaigns central to the movement Smith makes a convincing case that social Christianity was the most widespread long lasting and influential religious social reform movement in American history     Twentieth-century Shapers of Baptist Social Ethics Larry L. McSwain, William Loyd Allen, 2008 Twentieth Century Shapers of Baptist Social Ethics provides an overview of the major historical framework within which Baptists emerged with significant contributions to Christian social thought and action in the twentieth century This book provides a summary of the life principal ideas writings and most significant contributions of nineteen Baptists since 1900     **Shailer Mathews's Lives of Jesus** William D. Lindsey, 1997-01-01 Reappraises the work of Shailer Mathews a leading but long neglected theologian of the social gospel movement whose work prefigures contemporary liberation theologies     *The Making of a Battle Royal* Jeffrey Paul Straub, 2018-04-17 American Baptists emerged from the Civil War as a divided group Slavery landmarkism and other issues sundered Baptists into regional clusters who held more or less to the same larger doctrinal sentiments As the century progressed influences from Europe further altered the landscape A new way to view the Bible more human less divine began to shape Baptist thought Moreover Darwinian evolutionism altered the way religion was studied Religion like humanity itself was progressing Conservative Baptists proto fundamentalists objected to these alterations Baptist bodies had a new enemy theological liberalism The schools were at the center of the story in the earliest days as professors many of whom studied abroad returned to the United States with progressive ideas that were passed on to their students Soon these ideas were being presented at denominational gatherings or published in denomination papers and books Baptists agitated over the new views with some professors losing their jobs when they strayed too far from historic Baptists commitments By 1920 the Northern Baptists in particular broke out into an all out war over theology that came to be called The Fundamentalist Modernist controversy This is the fifty year history behind that controversy     Meanings for Manhood Mark C. Carnes, Clyde Griffen, 1990-11-06 The stereotype of the Victorian man as a flinty sexually repressed patriarch belies the remarkably wide variety of male behaviors and conceptions of manhood during the mid to late nineteenth century A complex pattern of alternative and even competing behaviors and attitudes emerges in this important collection of essays that points toward a gendered history of men     *Reconstructing the Common Good* Gary J. Dorrien, 2008-05-01 This landmark study in the history and theory of modern Christian socialism examines the work of such major figures as Rauschenbusch Tillich Moltmann Guti rrez and M guez Bonino Dorrien argues that these theologians provide a singular context for addressing questions of freedom and totalitarianism sacralization and democratization individual autonomy and the common good He focuses on the differing conceptions of the common good that these major

theorists have propounded and explicates as well their theological arguments on the relationship between the Kingdom of God and projects of historical praxis With a new Preface addressing the tumultuous events in Eastern Europe *Reconstructing the Common Good* develops and sustains a forceful argument for the continuing relevance of a decentralized pluralistic democratic form of socialism

*The Pietist Impulse in Christianity* Christian T. Collins Winn, Christopher Gehrz, G. William Carlson, Eric Holst, 2011-07-01 From intellectual inquiry to spiritual practice to social reform Pietism has exerted an enormous influence on various forms of Christianity and on Western culture more generally However this contribution remains largely unacknowledged or misunderstood in Anglo American contexts because negative stereotypes some undeserved others deserved tend to cast Pietism as a quietistic and sectarian form of religion interested in a narrow set of individualistic and spiritual concerns In this volume scholars from a variety of disciplines offer a corrective to this misunderstanding highlighting the profound theological cultural and spiritual contribution of Pietism and what they term the pietist impulse The essays in this volume demonstrate that Pietism was a movement of great depth and originality that was not merely concerned with the pious soul and its God Rather Pietists were from the beginning concerned with issues of social and ecclesial reform the nature of history and historical inquiry the shape and purpose of theology and theological education the missional task of the church and social justice and political engagement In addition the essays collected here fruitfully raise the question of the ongoing relevance of Pietism and the pietist impulse for contemporary problems and questions across disciplines and in the church at large

**Essays on Socialism** Louis Patsouras, Jack Ray Thomas, 1992 This is an anthology not only on representative figures of the major socialist streams but also on various problems of socialism It includes sections on anarchism Marxism Communism and democratic Socialism

**Shaping Public Theology** Max L. Stackhouse, 2014-01-30 Max L Stackhouse is one of the most prolific and influential American theologians of the last half century and he has been widely recognized for his contributions to the emerging field of public theology This volume compiles some of Stackhouse's most significant shorter writings These selections make clear his central role in the development of public theology as a distinct disciplinary perspective in the fields of Christian theology and theological ethics *Shaping Public Theology* serves as an introduction to Stackhouse's extensive corpus readers will see the depth and breadth of his comprehensive public theology while also gaining insight into his singular importance for the field

*Origins of Walter Rauschenbusch's Social Ethics* Donovan E. Smucker, 1994 Rauschenbusch 1861-1918 is known as the father of the Social Concern movement in America Traditionally the source of his social ethic has been seen to lie in the single motif of liberalism Smucker social science emeritus U of Waterloo provides a new perspective arguing that Rauschenbusch's social ethic was based on not one but four complementary influences pietism sectarianism liberalism and transformationism

*Gender and the Social Gospel* Wendy J. Deichmann Edwards, Carolyn De Swarte Gifford, 2003 This collection of essays examines the central yet often overlooked role played by women in the

formation of the social gospel movement in the late nineteenth and early twentieth centuries A practical theological response to the stark realities of poverty and injustice prevalent in turn of the century America the social gospel movement sought to apply the teachings of Jesus and the message of Christian salvation to society by striving to improve the lives of the impoverished and the disenfranchised The contributors to this volume set out to broaden our understanding of this radical movement by examining the lives of some of its passionate and vibrant female participants and the ways in which their involvement expanded and enriched the scope of its activity In addition to examining the lives of individual women the essays in *Gender and the Social Gospel* contain broader analyses of the gender and racial issues that have caused the histories of movements such as the social gospel to be viewed almost exclusively in terms of their male European American intellectual participants at the expense of the women African Americans and Canadians whose contributions were just as worthy of attention

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1977 *The Social Uplifters* Brian J. Fraser, 2006-01-01 The *Social Uplifters* examines the Social Gospel among Canadian Presbyterians prior to the First World War The book explores the theology social context and the strategies of the leaders of the Presbyterian Board of Evangelism and Social Service C W Gordon James A Macdonald Robert Falconer T B Kilpatrick George Pidgeon and John G Shearer Brian Fraser describes how these men used popular fiction the secular press the university the theological college the pulpit and political organization and lobbying to spread their ideas and ideals for a Christian civilization in Canada at the turn of the twentieth century and will be of interest to students and scholars alike

**A Free Church, a Holy Nation** John Bolt, 2001 In addition to considering such key issues as poverty wealth and power theocracy and pluralism civil religion the culture wars and political cooperation between evangelicals and Roman Catholics Bolt also draws extended comparisons between Kuyper's views and the thought of Alexis de Tocqueville Lord John Acton Pope Leo XIII Walter Rauschenbusch and Jonathan Edwards A distinctive feature of this study is its focus on the rhetorical poetic character of Kuyper's public theology and practice as a political leader Bolt shows how focusing on Kuyper's rhetorical and mythopoetic perspective rather than on his theological and philosophical ideas provides contemporary evangelicals with a more credible and effective theology for the public square Jacket
