Rave Review:

Reading, Writing, and Gender Gail Lynn Goldberg, Barbara Roswell, 2013-09-13 Like an increasing number of educators you recognize that girls and boys approach reading and writing differently and that boys are lagging behind girls in many assessments of literacy learning This book does more than describe and explain these differences It builds on the authors state of the art research to offer instructional strategies and classroom activities to help both girls and boys develop as readers and writers This book is for classroom teachers in grades 3-8 as well as for reading specialists instructional leaders and other educators It provides detailed descriptions of instructional activities accompanied by reproducible tools and materials illustrative examples of student work concise summaries of state of the art research and ideas for action research projects The strategies and activities in this book have all been classroom tested with diverse student populations

Grand Rapids Natasha Stagg, 2025-09-30 A new novel from the celebrated author of *Surveys* set in the Michigan suburbs of the early 2000s Installed alongside the Grand River in downtown Grand Rapids Michigan Alexander Calder's public sculpture *La Grande Vitesse* has come to symbolize the city Tess moves there from Ypsilanti Michigan in 2001 the same year that her mother dies when everything begins to move for her in slow motion Thrust into adolescence nearly rudderless fifteen year old Tess is intoxicated, angry and sexually awake A decade later inspired by diary entries and TV reruns she remembers this summer in the suburbs as the one that redefined her Its echoes of death are frozen in time like the waves represented in the Calder sculpture or the concrete steps leading down to the churning river She comes to see Grand Rapids as a collection of architecture and emblems another home to which she cannot return **Your First Novel** Ann Rittenberg, Laura Whitcomb, 2006-08-25 In *Your First Novel* novelist Laura Whitcomb and seasoned literary agent Ann Rittenberg team up to provide you with the skills you need to write your dream novel and the savvy business know how to get it published In this all in one resource you'll discover essential novel writing techniques such as How to best structure your research so that you can save time later How to card your story before you start writing What to consider when developing your cast of characters How to adapt classic story structures to fit your own ideas and insider information on what it takes to get published including What agents do at those three hour power lunches and how it affects you What makes an agent instantly reject a manuscript How to correctly translate submission guidelines What happens if you get multiple offers or no offers at all Plus learn about the publishing process from the firsthand accounts of such noted authors as Dennis Lehane Kathryn Harrison Jim Fusilli Kathleen George and others [The Great White Hoax](#) Philip Kadish, 2025-06-24 A provocative new history of the forgeries, bogus science, rigged data and fake news that keep American racism alive Anyone interested in the intersection of race, politics and public lies in America will want to read this book David S Reynolds Bancroft Prize winning cultural historian and author of *John Brown Abolitionist* and *Walt Whitman's America* Fake news, outright political lies, a shamelessly partisan press and the collapse of truth, civility and shared facts Philip Kadish argues are nothing new The

Great White Hoax a masterpiece of historical and literary sleuthing reveals that the era of Fox News and Donald Trump is simply a return to form We have been here before In a book that brilliantly puts our current era into historical context The Great White Hoax uncovers a centuries long tradition of white supremacist hoaxes perpetrated on the American public by a succession of political hucksters and opportunists all of them willfully using racial frauds as tools for political and social advantage In the antebellum era slavery s defenders used bogus science to prove the inferiority of African American people during the Civil War Abraham Lincoln s enemies circulated a sham pamphlet accusing him of promoting a dilution of the white race through miscegenation a racist term invented by the pamphlet s authors From these murky beginnings author Philip Kadish draws a direct thread to D W Griffith s Birth of a Nation Henry Ford s adaptation of The Protocols of the Elders of Zion Madison Grant s embrace of eugenics which directly influenced Adolf Hitler Alabama Governor George Wallace s race baiting and Roger Ailes s creation of Fox News The Great White Hoax reveals white supremacy as today s real fake news and exposes the cast of villains past and present who have kept American racism alive Encyclopedia of Drug Policy Mark A. R. Kleiman, James E. Hawdon, 2011-01-12 Spanning two volumes of approximately 450 entries in an A to Z format this encyclopedia explores the controversial drug war through the lens of varied disciplines A full spectrum of articles explains topics from Colombian cartels and Mexican kingpins to television reportage from just say no advertising to heroin production and from narco terrorism to more than 500 billion in U S government expenditures Key Themes Cases Conferences and Conventions Countries Affecting U S Drug Policy Drug Trade and Trafficking Laws and Policies Organizations and Agencies People Presidential Administrations Treatment and Addiction Types of Drugs *Faint Praise* Gail Pool, 2007-07-06 For more than two hundred years book reviewers have influenced American readers setting our literary agenda by helping us determine not only what we read but also what we think about what we read And for nearly as long critics of these critics have lambasted book reviews for their overpraise hostility banality and bias Faint Praise takes a hard and long overdue look at the institution of book reviewing Gail Pool herself an accomplished reviewer and review editor analyzes the inner workings of this troubled trade to show how it works and why it so often fails to work well She reveals why bad reviewing happens despite good intentions and how it is that so many intelligent people who love books can say so many unintelligent things on their behalf Reviewers have the power to award prestige to authors give prominence to topics and shape opinion and taste yet most readers have little knowledge of why certain books are selected for review why certain reviewers are selected to review them and why they so often praise books that aren t all that good Pool takes readers behind the scenes to describe how editors choose books for review and assign them to reviewers and she examines the additional roles played by publishers authors and readers In describing the context of reviewing she reveals a culture with little interest in literature much antipathy to criticism and a decided weakness for praise In dissecting the language of reviews Pool demonstrates how it often boils down to unbelievable hype Pool explores the multifaceted world of book reviewing today contrasting traditional

methods of reviewing with alternative book coverage from Amazon.com to Oprah and suggesting how the more established practices could be revised. She also explores the divide between service journalism practiced by reviewers versus the alleged high art served up by literary critics and what this fuzzy boundary between reviewing and criticism really means. This is the first book to analyze the field in depth, weighing the inherent difficulties of reviewing against the unacceptable practices that undermine the very reasons we read and need reviews. *Faint Praise* is a book not just for those who create and review books but also for everyone who loves books. By demystifying this hidden process, Pool helps everyone understand how to read reviews and better decide what to read.

Open Tourism Roman Egger, Igor Gula, Dominik Walcher, 2016-03-02 This book examines the concepts of open innovation, crowdsourcing, and co-creation from a holistic point of view and analyzes them considering their suitability to the tourism industry. Methods, theories, and models are discussed and examined regarding their practical applicability in tourism. The book illustrates the theoretical mechanisms and principles of Open Innovation, Crowdsourcing, and Co-creation with case studies and best practices examples. In addition to the scientific target group, the book is a useful resource for managers of the entire tourism industry. First, the book presents the theoretical fundamentals and concepts in 11 specific chapters. This basis is then enriched by three parts with case studies focusing on information creation and provision respectively. Finally, in a concluding part, the editors sum up the book and give an outlook on the implications, learnings, and future perspectives of open innovation, crowdsourcing, and collaborative consumption in the tourism industry.

Dinner at Your Door Alex Davis, Diana Ellis, Andy Remeis, 2008 We love to cook. But every night, no way. On the other hand, we don't want to eat out or have frozen pizza. On the nights we don't cook, we want something delicious, a balanced meal with quality ingredients. Come to think of it, what we really want are home-cooked meals made by somebody else and delivered. Welcome to co-op cooking, possibly the best idea since Pyrex with a lid. With the plan set up by Dinner at the Door, you cook one fabulous dinner a week and have two or three equally sensational meals delivered to your door, hot and ready to eat. If you love to cook but the pressure of doing it every night gets you down, a dinner co-op is for you. Instead of slamming together three or four 30-minute dinners a week, you can take your time crafting one superb weeknight meal and enjoy receiving the other meals automatically. In *Dinner at the Door*, you get the information you need to set up your own dinner co-op along with more than eighty recipes especially developed for co-op cooking. These dishes offer the perfect starting point for meals that can be made ahead of time, that travel well, and that won't dry out after drop-off. The *Dinner at the Door* takes your average weeknight dinner from a grind to gourmet. Formally trained in culinary arts, Andy Remeis has over nine years' experience in the restaurant world and cooks with uncommon exuberance and a try anything attitude. She has a strong commitment to providing healthy food for her family and has organized and participated in dinner co-ops since 2001. Living in California during Alice Waters' influence, Diana Ellis served as managing chef of UC Davis' vegetarian line where she elevated meal plan food into something marvelous. An energetic Junior High Science teacher and expert gardener.

Diana feeds her dinner co op families from her own vegetable garden and has been in dinner co ops since 1999 A writer a cook and a bit of an entertainer Alex Davis started at PBS and NPR stations in Atlanta Senior copywriter at a successful Northwest advertising agency Alex develops marketing strategies and winning copy for companies such as HP and Albertson's markets Her writing has been recognized by the national ADDY awards and Alex's client work has appeared in Bon Appetit People Business Week and Sunset Her co op has been running since 2003 Journal of Information Ethics, Vol. 24, No. 1 (Spring 2015) Robert Hauptman, 2015-10-13 From the ethics of Caller ID to transmission of sexually explicit materials via Internet the information age presents a barrage of ethical challenges In this acclaimed twice yearly journal some of the brightest and most influential figures in the information sciences confront a broad range of these transdisciplinary issues

Free for All Kenneth Turan, Joseph Papp, 2010-11-02 Free for All is an irresistible behind the scenes look at one of America's most beloved and important cultural institutions Under the inspired leadership of founder Joseph Papp the Public Theater and the New York Shakespeare Festival brought revolutionary performances to the public for decades This compulsively readable history of those years much of it told in Papp's own words is fascinating ranging from a dramatic early showdown with Robert Moses over keeping Shakespeare in the Park free to the launching of such landmark productions as Hair and A Chorus Line To bring the story to life film critic Kenneth Turan interviewed some 160 luminaries including George C Scott Meryl Streep Mike Nichols Kevin Kline James Earl Jones David Rabe Jerry Stiller Tommy Lee Jones and Wallace Shawn and masterfully weaves their voices into a dizzyingly rich tale of creativity conflict and achievement **Harrap's essential English Dictionary**, 1996 **Practical Everyday English** Steven Collins, 2009 Practical Everyday English is a self study book with audio CD that focuses on advanced vocabulary phrasal verbs and idioms It teaches students words and expressions which are often not learnt at schools or in other books It is the first book in the Practical Everyday English series

HWM, 2005-08 Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in depth reviews The War Went On Brian Matthew Jordan, Evan C. Rothert, 2020-04-01 In recent years Civil War veterans have emerged from historical obscurity Inspired by recent interest in memory studies and energized by the ongoing neorevisionist turn a vibrant new literature has given the lie to the once obligatory lament that the postbellum lives of Civil War soldiers were irretrievable Despite this flood of historical scholarship fundamental questions about the essential character of Civil War veteranhood remain unanswered Moreover because work on veterans has often proceeded from a preoccupation with cultural memory the Civil War's ex soldiers have typically been analyzed as either symbols or producers of texts In The War Went On Reconsidering the Lives of Civil War Veterans fifteen of the field's top scholars provide a more nuanced and intimate look at the lives and experiences of these former soldiers Essays in this collection approach Civil War veterans from oblique angles including theater political and disability history as well as borderlands and memory studies Contributors examine the lives of Union and Confederate veterans African American veterans former prisoners of war
