Wolves and Ravens Book 2: Choice Richard Spegal, 2024-08-15 The end Is coming Queen Qian is missing and presumed dead and the demon has obliterated everything in its path Despite this the new alliance between Raven's Realm and the Eastern Kingdom seems to be off to a promising start Unfortunately there are those working from within to tear it all down The seemingly sudden disappearance of the demon removes the common threat and encourages others to make their move Meanwhile Qian and Ktar must complete their mission to learn the terrible truth about the dark influence spreading throughout their world The more difficult task will be getting anyone to listen Along the way they meet a strange survivor of an unknown tragedy who displays both amazing abilities and abject terror of the world around her Gabriella wakes up after being cast down as a mortal with no knowledge of the world around her or even her own body The former Angel of Voice has been rendered mute As her thoughts settle she understands everything about the truth of the world she had always been watching but what difference does it make In the second installment of the *Wolves and Ravens* trilogy **Wolves and Ravens Book 2: Choice** victory is still defeat final battles are only the beginning

Wolves and Ravens - Book 1 Richard Spegal, 2023-11-15 The Great War Has Ended The thousand years following the Great War and the writing of the First Law were not always peaceful but nothing could compare to the slaughter that came before The three races continued to make their way through the world in relative prosperity even after the separation of the Eastern Kingdom over five hundred years prior The horrors of the Great War faded into the annals of history except for a single problem It was all a lie Distrust of the ravens was beginning to spread from an unknown source The disappearances were growing more frequent and were joined by even darker rumors Through all this the Raven Queens continued to research the truth for centuries How do you prove a lie with no evidence How do you find evidence from a thousand years ago What really happened How did the Great War truly end Queen Ninfeng knows she will not live to see the answers but knows they are running out of time All she can do is prepare the way for her child prodigy of a daughter A seven year old Princess who cares more about complaining and hiding from her training than she does about the state of the world It will be up to Princess Qian's Wolf Protector to keep her on the
