## **Rawhide And Roses:**

Rawhide and Roses Sue Rich, 1993 Late 19th century Texas serves as the backdrop for this historical romance by the author of *The Scarlet Temptress* and *Shadowed Vows*. Notorious outlaw Malo Navaja makes a jail break and saves pretty Brianne Logan from the hangman in the process. But Brianne doesn't know that Malo is actually an undercover Texas Ranger.

**Rawhide and Roses** Maddie James, 2023-09-09 She's roses. Caving to her best friend's crazy ideas is one thing, but Kim Martin knows she isn't equipped for a two-week pack horse trip into the Colorado mountains, especially with a rough-edged cowboy as their mountain guide. His outdoor style might jump-start some women's libidos, but a city woman like Kim finds him almost barely, definitely irresistible. He's rawhide. Thad Winchester's patience for city women wears as thin as the seat of his jeans, but there is something about the plucky blonde that puts his hard-and-fast don't touch rule to the test. Kim Martin alternately aggravates and enchants him, but she might just be the woman he needs to share his Flying W Ranch. If he can get past his rules and make the first move. When things heat up between them, an argument sends Kim flying away from camp on her horse and into the wilds of the mountains. Alone. Can she navigate her way back to the camp? Will Thad find her? And if so, can they work out this push-pull magnetism between them to some sort of positive scenario? This opposites attract contemporary western romance novel will leave you wondering if these two characters will ever find a happy medium, not to mention their way permanently into each other's arms.

**Rawhide & Roses** Maddie James, 2017-01-15 She's roses. Playing good sport to appease her best friend was one thing, but sophisticated Kim Martin was hardly equipped for a Colorado camping trip. Especially when their mountain guide was a rough-edged cowboy who was as untamed as the wilderness. His outdoors style might jump-start some women, but a strictly indoors woman like Kim found him almost resistible. He's rawhide. Thad Winchester's patience for city women was wearing as thin as the seat of his jeans. But there was something about Kim that was putting his hard-and-fast don't touch rule to the test. The plucky blonde was just the woman to share his Flying W Ranch. All Thad had to do was bring out the wildflower in the refined beauty and convince her that he was her man. Bar nothing.

*Truckload of Art* Brendan Greaves, 2024-03-19 A New York Times Best Art Book of 2024. The definitive authorized and first-ever biography of Terry Allen, the internationally acclaimed visual artist and iconoclastic songwriter who occupies an utterly unique position straddling the disparate and usually distant worlds of conceptual art and country music. People tell me it's country music. Terry Allen has joked, and I ask, Which country? For nearly sixty years, Allen's inimitable art has explored the borderlands of memory, crossing boundaries between disciplines and audiences by conjuring indelible stories out of the howling West Texas wind. In *Truckload of Art*, author Brendan Greaves exhaustively traces the influences that shaped Allen's extraordinary life, from his childhood in Lubbock, Texas, spent ringside and sidestage at the wrestling matches and concerts his father promoted, to his formative art school years in incendiary 1960s Los Angeles, and through subsequent decades doggedly pursuing his uncompromising artistic vision. With humor and critical acumen, Greaves deftly recounts how Allen
