*The Case for  
Political Liberalism*

Daniel A. Dombrowski

# Rawls And Religion

**Tom Bailey, Valentina Gentile**

## **Rawls And Religion:**

Rawls and Religion Tom Bailey, Valentina Gentile, 2014-12-23 John Rawls's influential theory of justice and public reason has often been thought to exclude religion from politics out of fear of its illiberal and destabilizing potentials. It has therefore been criticized by defenders of religion for marginalizing and alienating the wealth of religious sensibilities, voices, and demands now present in contemporary liberal societies. In this anthology, established scholars of Rawls and the philosophy of religion reexamine and rearticulate the central tenets of Rawls's theory to show they in fact offer sophisticated resources for accommodating and responding to religions in liberal political life. The chapters reassert the subtlety, openness, and flexibility of his sense of liberal respect and consensus, revealing their inclusive implications for religious citizens. They also explore the means he proposes for accommodating nonliberal religions in liberal politics, developing his conception of public reason into a novel account of the possibilities for rational engagement between liberal and religious ideas. And they reevaluate Rawls's liberalism from the transcendent perspectives of religions themselves, critically considering its normative and political value as well as its own religious character. *Rawls and Religion* makes a unique and important contribution to contemporary debates over liberalism and its response to the proliferation of religions in contemporary political life.

Daniel A. Dombrowski, 2001-05-24 2001 CHOICE Outstanding Academic Title Despite John Rawls's stature as the most influential political philosopher of the twentieth century, his thoughts on religion have not been sufficiently studied. While it is generally assumed that Rawls is more interested in topics other than the relationship between politics and religion, author Daniel A. Dombrowski argues in this book that this assumption is incorrect. He shows that Rawls is interested in the relationship between politics and religion and that the relationship between the two is at the core of the problem that liberalism has for centuries meant to solve. *Rawls and Religion* utilizes Rawls's thought to examine among other controversial issues abortion, the phenomenon of fundamentalism as a growth industry, and the perceived decline of secular culture.

*A Brief Inquiry Into the Meaning of Sin and Faith* John Rawls, 2009-03-31 John Rawls never published anything about his own religious beliefs, but after his death, two texts were discovered which shed extraordinary light on the subject. *A Brief Inquiry into the Meaning of Sin and Faith* is Rawls's undergraduate senior thesis, submitted in December 1942 just before he entered the army. At that time, Rawls was deeply religious; the thesis is a significant work of theological ethics of interest both in itself and because of its relation to his mature writings. *On My Religion*, a short statement drafted in 1997, describes the history of his religious beliefs and attitudes toward religion, including his abandonment of orthodoxy during World War II. The present volume includes these two texts together with an Introduction by Joshua Cohen and Thomas Nagel, which discusses their relation to Rawls's published work, and an essay by Robert Merrihew Adams, which places the thesis in its theological context. The texts display the profound engagement with religion that forms the background of Rawls's later views on the importance of separating religion and politics. Moreover, the moral and social convictions that the thesis expresses in religious form are

related in illuminating ways to the central ideas of Rawls's later writings. His notions of sin, faith, and community are simultaneously moral and theological and prefigure the moral outlook found in *Theory of Justice*. **Rawls and Religion** Daniel A. Dombrowski, 2001-05-24 Employs the political philosophy of John Rawls to address controversies involving politics and religion. *Rawlsian Explorations in Religion and Applied Philosophy* Daniel A. Dombrowski, 2011-01-01 Explores the political philosophy of John Rawls in relation to public policy issues including war, mental disability, nonhuman animals, legacy, and affirmative action. Pays special attention to the relationship of religion to these issues and to the processual characteristics of Rawls's method. Provided by publisher. **The Religious Origins of American Freedom and Equality** David Peddle, 2014-05-15 The metaphor of a wall of separation between church and state obscures the substantial connection that exists between the Christian religion and American liberalism. The central thesis of this work challenges the legitimacy of this metaphor as it appears in Supreme Court decisions and in the thought of the philosopher John Rawls. *The Religious Origins of American Freedom and Equality* provides a provocative interpretation of the nature of Christian and liberal principles suggesting that the principles of individual freedom and equality were forged even within the conservative elements of Calvinism and Puritanism. Recognition of this substantial intellectual connection has the potential to help reshape our conception of the separation of church and state by tempering the opposition between religious and political concepts and values. The purpose of *The Religious Origins of American Freedom and Equality* then is to contribute to an understanding of public reason that is more open to the contributions of religious perspectives. The work attempts to show how religious doctrines currently obscured by historical context and hermeneutical dogmatism have nonetheless played a formative role in the evolution of the freedom and equality that is foundational to contemporary liberalism. Understanding the genesis of the concepts of freedom and equality tempers the conceptual opposition between church and state and allows a clearer, more inclusive interpretation of the nature of their separation. The originality of the work is fourfold: 1. the challenge its central thesis poses to dominant constructions of public reason, freedom, and equality; 2. the interdisciplinary method through which it brings the findings of a variety of disciplines to bear on a central issue in political philosophy; 3. the challenge it brings to the analytic and pragmatic approach of contemporary liberalism through its assertion of the importance of historical context to contemporary ideas; and 4. the degree to which it engages theology in its relation to contemporary questions. **Rawls, Political Liberalism and Reasonable Faith** Paul Weithman, 2016-08-11 This volume brings together ten of Paul Weithman's papers on John Rawls's liberalism and his defense of reasonable political faith. [Rawls on Religion in Public Debate](#) Dariusz Dańkowski, 2014-01 **Rawlsian Explorations in Religion and Applied Philosophy** Daniel A. Dombrowski, 2015-08-26 To probe the underlying premises of a liberal political order, John Rawls felt obliged to use a philosophical method that abstracted from many of the details of ordinary life. But this very abstraction became a point of criticism as it left unclear the implications of his theory for public policies and life in the real political world. Rawlsian

Explorations in Religion and Applied Philosophy attempts to ferret out those implications filling the gap between Rawls's own empyrean heights and the really practical public policy proposals made by government planners lobbyists and legislators Among the topics examined are natural rights the morality of war the treatment of mentally deficient humans and nonhuman sentient creatures the controversies over legacy and affirmative action in college admissions and the place of religious belief in a democratic society The final chapter explores how Rawls's own religious beliefs as revealed in two works posthumously published in 2009 played into his formulation of his theory of justice *Rawls, Political Liberalism and Reasonable Faith*

Paul Weithman, 2016-08-11 For over twenty years Paul Weithman has explored the thought of John Rawls to ask how liberalism can secure the principled allegiance of those people whom Rawls called citizens of faith This volume brings together ten of his major essays including one new unpublished essay which reflect on the task and political character of political philosophy the ways in which liberalism does and does not privatize religion the role of liberal legitimacy in Rawls's theory and the requirements of public reason The essays reveal Rawls as a thinker deeply engaged with political and existential questions that trouble citizens of faith and explore how in firm opposition to political realism he tries to show that the possibility of liberal democracy and the natural goodness of humanity are objects of reasonable faith The volume will be of interest to political philosophers political theorists moral theologians and religious ethicists *Religion and Radical Pluralism*

Jeff Shawn Jose, 2023-05-30 In *Religion and Radical Pluralism Engaging Rawls and Gandhi* Jeff Shawn Jose confronts the question of the role of religion in the public sphere through the writings of John Rawls and Mahatma Gandhi Jose explores Rawls's and Gandhi's contrasting and complementary views through the framework of three objections integrity fairness and divisiveness against a view of public reason that restricts the expression of religious arguments in the public sphere The book introduces Gandhi's ideas into Rawls's political liberal framework and brings Rawls's ideas into the Gandhian religious framework a critical and creative encounter where the relationship between Gandhian and Rawlsian approaches becomes a fertile ground for reciprocal dialectical reflections *Religion and Radical Pluralism* teases out and evaluates the tensions and prospects in Rawls's and Gandhi's views on the role of religion in the public sphere thus offering a pertinent contribution to the study of radical pluralism in contemporary societies **John Rawls and Christian Social**

**Engagement** Greg Forster, Anthony B. Bradley, 2014-12-18 This book critiques the Rawlsian concepts of justice as fairness and public reason from the perspective of Christian political theory and practice The Rawlsian paradigm has become pervasive in multiple disciplines outside political philosophy and is unconsciously embedded in a great deal of Christian public discourse this calls for a new level of analysis from Christian perspectives This is the first volume to examine Rawls based on Christian principles drawn from theological ethics social thought political theory and practical observation In addition to theoretical perspectives the book connects its critique of Rawls to specific hot topic practical questions in three areas social issues abortion marriage etc economic issues wealth creation poverty programs etc and the increasing difficulty

of political compromise and peaceful coexistence in the context of the culture war The book includes some of the leading Christian political theorists in America      **Religion and Democracy in the United States** Alan Wolfe, Ira

Katznelson, 2010-08-30 The United States remains a deeply religious country and religion plays an inextricably critical role in American politics Controversy over issues such as abortion is fueled by opposition in the Catholic Church and among conservative Protestants candidates for the presidency are questioned about their religious beliefs and the separation of church and state remains hotly contested While the examination of religion's influence in politics has long been neglected in the last decade the subject has finally garnered the attention it deserves In Religion and Democracy in the United States prominent scholars consider the ways Americans understand the relationship between their religious beliefs and the political arena This collection a work of the Task Force on Religion and American Democracy of the American Political Science Association thoughtfully explores the effects of religion on democracy and contemporary partisan politics Topics include how religious diversity affects American democracy how religion is implicated in America's partisan battles and how religion affects ideas about race ethnicity and gender Surveying what we currently know about religion and American politics the essays introduce and delve into the range of current issues for both specialists and nonspecialists In addition to the editors the contributors are Allison Calhoun Brown Rosa DeLauro Bette Novit Evans James Gibson John Green Frederick Harris Amaney Jamal Geoffrey Layman David Leal David Leege Nancy Rosenblum Kenneth Wald and Clyde Wilcox      **Why Politics**

**Needs Religion** Brendan Sweetman, 2010-07-17 Can religion and politics mix Many voices reply No way Yet in this provocative and timely book Brendan Sweetman argues against this charge and the various sophisticated arguments that support it As we witness the clash of religious and secular worldviews he claims that our pluralistic democratic society will be best served when the faith elements of secularism are acknowledged and the rational elements of religious arguments are allowed to inform the momentous debates taking place in the public square In fact Sweetman contends that politics needs religion if it is to be truly democratic concerned with fairness among worldviews equality and a vigorous public discussion

**Religion and Radical Pluralism** Jeff Shawn Jose, 2023-05-30 In Religion and Radical Pluralism Engaging Rawls and Gandhi Jeff Shawn Jose confronts the question of the role of religion in the public sphere through the writings of John Rawls and Mahatma Gandhi Jose explores Rawls's and Gandhi's contrasting and complementary views through the framework of three objections integrity fairness and divisiveness against a view of public reason that restricts the expression of religious arguments in the public sphere The book introduces Gandhi's ideas into Rawls's political liberal framework and brings Rawls's ideas into the Gandhian religious framework a critical and creative encounter where the relationship between Gandhian and Rawlsian approaches becomes a fertile ground for reciprocal dialectical reflections Religion and Radical Pluralism teases out and evaluates the tensions and prospects in Rawls's and Gandhi's views on the role of religion in the public sphere thus offering a pertinent contribution to the study of radical pluralism in contemporary societies      **Rawls's Political**

**Liberalism** Thom Brooks, Martha C. Nussbaum, 2015-05-05 Widely hailed as one of the most significant works in modern political philosophy John Rawls's *Political Liberalism* 1993 defended a powerful vision of society that respects reasonable ways of life both religious and secular These core values have never been more critical as anxiety grows over political and religious difference and new restrictions are placed on peaceful protest and individual expression This anthology of original essays suggests new groundbreaking applications of Rawls's work in multiple disciplines and contexts Thom Brooks Martha Nussbaum Onora O'Neill University of Cambridge Paul Weithman University of Notre Dame Jeremy Waldron New York University and Frank Michelman Harvard University explore political liberalism's relevance to the challenges of multiculturalism the relationship between the state and religion the struggle for political legitimacy and the capabilities approach Extending Rawls's progressive thought to the fields of law economics and public reason this book helps advance the project of a free society that thrives despite disagreements over religious and moral views *Transforming Religious Liberties* S. I. Strong, 2018 Proposes a new theoretical approach to religious liberty that both transcends and transforms current approaches to law and religion *Religion and the Common Good* Brian Stiltner, 1999 The term common good has often been ill defined or undefined in political philosophical and theological discourses Brian Stiltner seeks to repair this deficit in his study *Religion and the Common Good* He explores the meaning of the common good and the prospects for pursuing it in a liberal society Focusing on the conceptions of common good in liberalism and communitarianism the former stressing individual rights and social tolerance the latter stressing a community's shared history and social practices Stiltner argues that the two theories are not as irreconcilable as they seem that they can be combined into a communal liberalism Stiltner provides an outline of the twentieth century Catholic common good theory as an example of such a synthesis A fascinating study *Religion and the Common Good* will be an invaluable volume for scholars of social ethics religion theology philosophy and political science **Religious Diversity and Public Religion in China** Zhibin Xie, 2006 This book addresses the issue of public religion and its implications in Chinese society Zhibin Xie explores various normative considerations concerning the appropriate role of religion in public political life in a democratic culture Besides drawing on the theoretical discourse on religion in the public sphere from Western academics it holds that the issue of religion in Chinese politics should be addressed by paying attention to characteristics of religious diversity and its political context in China This leads to a position of liberal constrained public religion in China which encourages religious contribution to the public sphere as a substantial component of religious liberty in China on the one hand and proposes some constraints both upon government and religions for regulating religious political discourse on the other *Religion and Democratic Citizenship* J. Caleb Clanton, 2008-01-01 This book addresses heated debate among political thinkers concerned with the role of religious reasoning in the deliberation and justification of public policy and voting The author critically examines various arguments drawn from mainstream liberal political theory political theology and American pragmatism and offers a unique

proposal for thinking through this issue

Getting the books **Rawls And Religion** now is not type of inspiring means. You could not abandoned going similar to ebook gathering or library or borrowing from your connections to door them. This is an unconditionally easy means to specifically get lead by on-line. This online statement Rawls And Religion can be one of the options to accompany you in the manner of having supplementary time.

It will not waste your time. put up with me, the e-book will completely broadcast you additional business to read. Just invest little time to edit this on-line notice **Rawls And Religion** as skillfully as evaluation them wherever you are now.

### **Rawls And Religion Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rawls And Religion PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rawls And Religion PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rawls And Religion free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Rawls And Religion Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rawls And Religion is one of the best book in our library for free trial. We provide copy of Rawls And Religion in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rawls And Religion. Where to download Rawls And Religion online for free? Are you looking for Rawls And Religion PDF? This is definitely going to save you time and cash in something you should think about.
