The unfolding of all true love stories Scott J. Fleming, 2019-03-21 True love needn't be overtly expressive but yet it can be the unconditional love lovers yearn for To love someone unconditionally in simple words means to love a person without any conditions You love them as they are just as they were before and just as they will be in the future That's because people change all the time so if you love a person unconditionally you will love them even if they become something you don't agree with or even if they become old and sick isn't it
