*Can I Reach You: An Encouraging Journal of a Christian's Pathway Through Cancer* Detria K Little,2025-06-11 I never thought this could happen to me truer words spoken by every person in the world at some point or another Your spirit has been broken and your heart aches for relief just by hearing the words It s cancer For what feels like eternity you listen to instructions take the referral appointments and just try to remember you need to breathe During our life God has a profound way of poking us then prodding us and finally knocking us down so that we open our eyes our hearts but mostly our ears so we can hear what He has been placing right in front of us Going to the doctor for regular check ups never seemed a big deal and many keep putting it off thinking they have plenty of time Whether we are with a loved one or there ourselves nothing can prepare us for a diagnosis of major diseases You wait until you are alone or out of the doctor s office before your emotions hit Your words scream why this why now and why me There are deep wrenching gasp of uncontrollable crying begging answers from God For a moment time stops Time becomes a whisper because you have no clue if you have enough of it left But we need to realize that everything happens for a purpose trust God We are reminded that God is trying to tell us who we are to Him God was at our lowest and at our highest moments during life Now at the unknowing He is still here He

knows our chosen path not our own not our dreams but His plan for our journey Preparing for when we are devastated listening to the doctors nurses specialist speaking in terms we have yet to understand we die inside As believers we begin to doubt As an unbeliever we still have those feelings but don't know where to turn By diligently learning applying and trusting God's truths in our lives we can develop a deep faith that will stand against unrelenting feelings Feelings of isolation or being away from God leaves our souls in a turmoil Having feelings of being without God keeps us isolated from feeling love spiritual completeness or the ability to recover our health Finding strength for a new day becomes a chore harder than before Pause let God enter your mind and soul asking Him to take that brokenness away Beseech Him with all your heart for He knows your pain In your eyes others cannot fathom the broken spirit that is inside you right now but God does He knows and is there to give you comfort to encourage you to move toward peace and understanding Take the words of friends family pastors and embellish them then get in the Bible to ensure growth Trusting and having faith in God is one of the hardest things we'll work to achieve Lose that fear and empower with faith When our faith feels weak allow the spirit to show up receive that break through When life catches us in doubt break through Cancer should not be what defeats our purpose here on earth For many the word cancer produces sorrow but this sorrow used correctly can help us to survive If you want to cry while you are trying to survive then DO IT Begin by taking that sorrow and tell the devil he is a liar The seasons of life will keep coming good and bad Take one season at a time on the path to fulfillment in a personal relationship with Him And the Lord He it is that doth go before thee He will be with thee He will not fail thee neither forsake thee fear not neither be dismayed Det 31:8 Can I Reach You details my journey through breast cancer from the beginning to now with information for anyone on a similar path Scriptures are added at several places to let someone find solace from God's word It is a soul searching guide to finding God while working through sickness

**Silence the Noise** A.M. Garcia,2019-09-23 Have words ever harmed you Penetrated your thoughts Caused discomfort to your mind Words have a lot to do with our way of life They have the ability to build us up as well as break us down They can be devastating or encouraging Negative thoughts create noise Silence the Noise is a fifteen day transformational journey to help strengthen your life It is a guidebook to help you silence sustain and improve your thoughts Consider it a road map complete with silencing activities at the end of each day to equip you for success So when everyone around you is saying you re not good enough pretty enough smart enough or you ll ever amount to anything you will agree that those outside voices don t belong to you Your life is meant for so much more Let s begin by doing what we should have done a long time ago Let s silence the noise      *Renegade Colonel* Bill Murray,2009-11 To say Bill Murray s entire life has been unconventional would be an understatement After all how many people have lived in Canada England Spain and traveled the world burned down a barn and two houses graduated from the Air Force Academy 1975 and while there burned up a dorm room played collegiate football wrestling and lacrosse flown supersonic fighters got booted out of the Air Force over a wet rug only to be reinstated a few years later crashed an aerobatic plane and survived had cancer and survived had children and survived You get the idea In *Renegade Colonel* Murray recounts his experiences from childhood through his Air Force career From his early years an F 111 WSO to his later years in leadership positions as a senior director in the Air Force Bill has had the experiences of a lifetime He wrote this book because in years to come he wants his family and friends to be able to share in the memories and travel back in time if only for a few chapters *Renegade Colonel* is a book of unbelievable lifetime experiences experiences anyone could enjoy vicariously and learn from      *On the Shelf* James E. Brooks,2018-03-14 When involved in the ministry it can be easy to go from times of inspiring fulfilling work to moments of isolation and loneliness So as servants of God what should we do when left without direction nor a glimmer of understanding How do we find that flicker of direction and hope

amid the darkness of doubt *On the Shelf* speaks to the pastor evangelist ministry worker Sunday school worker and all involved in God's work as they become involved in moments of confusion and downtime Author and pastor James E Brooks shares his own experience feeling isolated from his pastorate and from God due to a period of inactivity and he helps fellow Christians in ministry to make sense of those dark times of doubt and confusion when God has seemed to place them on the shelf of inactivity after fast paced involvement in the ministry Like a potter is sometimes not ready to use clay that is ready instead wrapping it in wet burlap and placing it in a damp darkened place until the potter is ready to resume the process of construction development and creation God is not always ready to use us for ministry If you find yourself on this shelf be assured that the Master Potter has a plan for your life to be renewed We must only stay faithful and trust in his process there will come a day when the waiting is over and when life on the shelf will be replaced with a purpose **Faces in the Crowd** Donna S.
