*Beyond the Law's Reach?* Shmuel Nili,2024-09-05 *Beyond the Law s Reach* argues that fundamental assumptions in contemporary political philosophy need to be rethought in the face of pervasive political violence At an applied level Nili develops this claim by delving into a series of specific controversies all revolving around affluent democracies policy responses to the threat of pervasive violence abroad Examples include the ethics of giving refuge to beleaguered autocrats to avert civil war in their country the ethics of prosecuting foreign officials who have colluded with drug cartels and the admission of oligarchs who acquired their riches by distorting their country s rule of law At a more theoretical level the book shows that the moral principles needed to adjudicate these particular controversies can illuminate broader issues in normative political theory These range from the philosophy of criminal punishment through the relationship between the law s letter and its spirit to the general plausibility of certain moral theories and meta theories as public policy guides Ranging from influential theories of justice to some of the hardest moral dilemmas facing communities and leaders struggling with the shadow of violence this book explores the difficult circumstances in which we must aside not just the assumption of a stable liberal democracy but even the dream of a clear path towards such democracy *Poems That Preach, Teach and Reach* Dr. Paul A. Madsen,2018-11-14 This is a book of poems written over many years and inspired by sermons friends family Bible verses and circumstances They review the thoughts from sermons they teach the lessons from the Bible and they reach out to

**If you can't reach them you can't teach them** Kevin Hewitson, 2025-02-28 If only there was one simple answer to all your teaching concerns There is This book argues that by focusing on building effective learning relationships with your pupils everything else will fall into place It can be the basis for positive behaviour management stress reduction student engagement and pupil progress By identifying and then meeting the core set of needs we all possess in order to engage in any learning activity you can improve teaching and learning and minimise challenge and stress The text encourages you to reflect on your own practice throughout and plan for interventions and changes that will improve your teaching and the experiences of the learners in your care This is not a theory book or an academic research tome it is a straight talking practical thought provoking and insightful look into the challenges of being the best teacher you can be Suitable for whatever stage you are at in your career and whatever age group you teach this book proposes a narrative that can work alongside the ever increasing range of educational initiatives to which teachers are exposed

Reach Becky Robinson, 2022-04-19 Cut through the noise and create the biggest possible audience for your work This book offers a proven method for expanding your reach online so you can make a meaningful difference for others Anyone who makes the bold decision to put their ideas out into the world wants to reach as many people as possible Unfortunately too many think it's a question of numbers the more people you can get in front of the better But true reach is about expanding your audience while making a meaningful and enduring difference that has a lasting impact Reach provides a clear and structured approach to creating a successful online presence that will create the biggest possible impact for any message Becky Robinson shares a framework to cultivate followers that requires four commitments value consistency endurance and generosity When you make these four commitments you'll deliver memorable content on a regular basis while keeping the long term view in mind and being committed to helping and sharing with others Robinson offers guidance on having realistic expectations and meaningful goals encouraging readers to

reflect on what they want to accomplish and with whom they want to connect Readers will also learn how to overcome discouragements create and repurpose content and focus on the everyday activities that will spread ideas This is a long term process one that doesn't normally offer immediate results or guarantee the desired outcome But as Robinson reminds us creating from a place of generosity can lead to benefits greater than you can imagine *Hearings* United States.
