## **Reaching Out Sharing Gods Love Naturally:**

*Reaching Out* Bill Hybels, Kevin & Sherry Harney, 2010-02-23 You probably don't think of yourself as an evangelist. Most Christians would rather leave evangelism to a select few with special talent for outreach. But when Christ gave the command to spread the Gospel, He gave it to us all. Because He knew we'd each have something unique to offer as His witnesses to the world. In *Reaching Out*, Bill Hybels helps you develop your own evangelism style, one that fits your personality like a glove. You'll discover the meaning and importance of sharing your faith and learn the motivation and mind set behind evangelism. You'll also get the solid guidance and seasoned tips you need to put it all into motion successfully. As you walk through this proven, highly effective approach, you'll find your hesitations melting into an enthusiasm for winning lost men and women to Christ. *Interactions*, a powerful and challenging tool for building deep relationships between you and your group members and you and God. *Interactions* is far more than another group Bible study. It's a cutting edge series designed to help small group participants develop into fully devoted followers of Christ.

**Lessons on Love** Bill Hybels, Kevin & Sherry Harney, 2009-12-15 What kind of love makes a difference? A bold yet compassionate love is a trademark of Jesus Christ. Love without limits. A world-changing love. Can such love be reproduced in the lives of sinful men and women like us? Is it possible to follow Jesus' model of giving and receiving love? In *Lessons on Love*, you'll find out how. You'll learn about the various kinds of love, beginning with forms of love you'll recognize and ending with a supernatural love so awesome it can utterly transform lives. Christ's love. The world around you will take note when you unleash the power of Christ's love, and it will never be the same. *Interactions*, a powerful and challenging tool for building deep relationships between you and your group members and you and God. *Interactions* is far more than another group Bible study. It's a cutting edge series designed to help small group participants develop into fully devoted followers of Christ.

**Love in Action** Bill Hybels, Kevin & Sherry Harney, 2009-12-15 Discover the joy of serving others. How can you identify full devoted followers of Christ? Their servant lifestyle gives them away. In our first culture, servanthood is the earmark of men and women who have discovered the joy of giving. But the secret to servanthood isn't running yourself ragged trying to be everything to everyone; it's pouring freely out of a full cup the things you were designed to give. *Love in Action* shows how you can break the back of self-centeredness and experience the satisfaction of serving others wisely and effectively. You'll discover how sharing your unique personal resources and spiritual gifts can become a source of strength to others, worship and praise to God, and a personal delight that nothing else can match. *Interactions*, a powerful and challenging tool for building deep relationships between you and your group members and you and God. *Interactions* is far more than another group Bible study. It's a cutting edge series designed to help small group participants develop into fully devoted followers of Christ.

Harney,2018-05-22 Nearly all churches and ministries consider themselves dedicated to evangelism and many explicitly include outreach in their mission statements But few are actually bearing fruit Kevin Harney diagnoses this problem and offers guidance for multiplying the outreach impact of churches Organic Outreach for Churches provides direction for local congregations to weave evangelism into the fabric of the church Commitment to the Great Commission is not simply about sending money and prayers to missions or holding occasional events to reach out although these things are good Organic outreach happens when evangelistic vision and action become the domain of every ministry and the commitment of every person in the congregation This will not happen accidentally There is huge spiritual and practical resistance to such changes But the only way evangelism will become an organic part of a church is when every leader and each member is gripped by a commitment to proclaiming the gospel This book is a roadmap for pastors and leaders who wish to infuse evangelistic passion into every aspect of their church s life **Authenticity** Bill
