Reaching Our Generation:

No Perfect People Allowed John Burke, 2009-05-26 How do we live out the message of Jesus in today's ever changing culture The church is facing its greatest challenge and its greatest opportunity in our postmodern post Christian world God is drawing thousands of spiritually curious imperfect people to become his church but how are we doing at welcoming them No Perfect People Allowed shows you how to deconstruct the five main barriers standing between emerging generations and your church by creating the right culture From inspiring stories of real people once far from God to practical ideas that can be applied by any local church this book offers a refreshing vision of the potential and power of the Body of Christ to transform lives today Reaching People Under 40 while Keeping People over 60 Edward H Hammett, 2007-02-01 Many established churches are facing a number of challenges in today's increasingly secular culture Such a shift in many communities creates a challenge of church growth and church health when it seems that satisfying the needs of one group creates barriers to reaching another group So many are asking How do you keep people over sixty years of age who often hold church culture values while at the same time reach people under forty who often hold postmodern values If a church is interested in growing this situation becomes a major challenge Reaching People under 40 while Keeping People over 60 looks at the church as it seeks to function in a new world It looks at the differences in the generations and at postmodernism not just a generational difference but a global change Most importantly Reaching People under 40 while Keeping People over 60 looks at what a church can do in this new age to help the church survive and thrive Foreword by Bill Easum A TCP Leadership Series title Velo52 Kristie McCrary, 2006-08 velo52 is a unique and unusual devotional book co authored by fourteen young ladies which includes Kristie McCrary the gifted anointed leader of the group These girls could have selected most any vocation and experienced success Their upbringing schooling and exposure to quality friends were par excellence first rate tip top and worthy of praise We're told that we become like the five people with whom we spend the most time That being the case these fourteen young ladies have it made Kristie lives on the twelfth floor of a high rise building with every protection and security afforded to her Yet she is not able to isolate her dedicated cohorts from the heart rending vicissitudes of life Each one will no doubt need to be prepared and have a spiritual game plan to meet betrayal sickness death wrong decisions separation and a catalogue of other ways Satan will use to come against them velo52 will give the testimony of these above average young ladies You can be a winner by reading this book Like my late husband Gordon told our only daughter Carole Shira in Hebrew when she was young Learn from the mistakes of others You won't live long enough to make them all yourself Freda Lindsay Co founder Christ For The Nations Inc Dallas Texas *A Student's Obligation* Kalonymus Shapira, Kalonimus Kalmish ben Elimelekh, 1995 The last hasidic rebbe of the Warsaw Ghetto explores many facets of spiritual growth and character development **The Enigmatic Expanse** Sreedhar Iyer, 2018-01-10 Remember the question what came first the chicken or the egg Continuing this we ask what came first the body or the soul atoms or the quarks

Evangelism Outside the Box Rick Richardson, 2025-07-31 It used to be that providing clear evidence for the resurrection of Jesus or the reliability of the Bible was a pretty effective way to reach people with the Good News But today many folks think all truth is relative even our historical and scientific data about Christianity So how can we reach them We need new ways of telling people the old old story We need to look again at our usual mental habits if we want to reach people who have a brand new mindset of their own We need to get outside the box of ideas and practices that are sacred to us but are not sacred to God That s what Rick Richardson s book is all about Here are fresh perspectives on relying on the Holy Spirit awakening spiritual interest in others appealing to what they value instead of what we think they should value and leading them into a transforming experience with God Also included is Richardson s Circles of Belonging a new straightforward presentation of the message of Jesus yes it can even be sketched out on a napkin that is true to Scripture and true to the new way people live and think As an experienced evangelist and leader of evangelism programs Richardson offers

in this helpful book the principles and practices that will help us all grow in love for and communicate effectively with people who need Jesus

intimately connected Jesus was a Son to His Father and a rabbi to His disciples His goal was to teach His disciples how to be sons by introducing them to the Father and calling them to follow Him and imitate Him as God s beloved Son They were to be His replicas on earth training others to follow Him Jesus was a Jew born and raised in the Jewish language and culture of His day Out of this richness He invited and trained uneducated men to take His yoke learn from Him and go into the world to set people free from their yokes of bondage Westernization has obscured the Biblical meaning of discipleship and pawned believers who have lost the truth and simplicity of following Jesus The church has been fragmented by theology and tradition instead of being united by the Spirit of Jesus Jesus stripped Judaism of its impositions by taking people back to the Torah and explaining what God meant not what rabbis imposed on it This book is an attempt to re introduce believers to Jesus s yoke by teaching them to embrace the spirit of Torah which reflects not rules or religion but mercy based on the love of the Father

Every Nation in Our Generation Rice Broocks,2002 Make Disciples of All Nations In this book Rice Broocks explains the progress of the Church in terms of its obedience to the apostolic mandate This mandate which has been called the Great Commission must be recovered and embraced if the Church is going to get back into the race for the destiny of the planet The orders of Jesus to His followers to make disciples of all nations is far more than simply giving people a basic gospel

Paul Stevens,2002-03 Every church has far more work than any one person can do Even a team of professionals is not enough The New Testament solution was for every member to be a minister Though the priesthood of all believers was a key idea in the Reformation it is little practised today Following secular models churches usually organize around the clergy who are paid by the laity to do the ministry Paul Stevens argues that according to Scripture the primary task of a Christian leader is not to do the work but to equip the saints to do it Exploring new options for pastors tentmakers and laypeople this book provides structures and strategies to best equip all the saints for ministry State of the Union Deborah Kalb, Gerhard Peters, John T.
