ReadMe Rainbow Dawn, Brother Moon, 2020-01-26 Flash Fiction *Second and Third Grade Manual* Emma Miller Bolenius, 1923 [Crossing My Jordan](#) P.J. Taylor, 2011-07-28 My life begun hard and it seemed to just become more and more difficult throughout the years I once lived a life like J C Dougard and Elizabeth Smart but instead of one sexual predator I had many They had families to go home to where I had none I was forgotten about years and years ago and pretty much raised myself with only God s guidance since the age of thirteen I ve been exploited trafficked raped held hostage kidnapped and more Then God stepped in when death was almost beating at my door He stepped in Sometimes I feel as if my life wasn t planned by me but by God Once you read my story I m sure you ll understand You see all of my hopes dreams and plans for my life became sidetracked long ago due to many factors that took away so many of my plans my dreams for the future Through it all I ve become an amazing woman Able to stand tall and strong finding my inspirations along the way and praising God for all of His Angels Saints and Prophets who ve come along and saved me rescued me carried me and blessed my life so profoundly with their kind gentle caring ways Do you view human beings as just people or are you able to experience such a close relationship with God that you can view people as the little Gods they are Aren t we all supposed to be reflections of Our Lord and Savior Then why aren t you able to view those people for the Gifts they are Or are you able to see yourself and others how God sees you I hope you enjoy the journey of my life my story my testimony as much as I enjoyed writing it My story is a story of tragedy but yet it is also one full of inspiration hope strength courage family and love But mainly my story is about Life s Lesson s Learned Enjoy P J Taylor **So You Love an . . . Alcoholic?** Grace W. Wroldson, 2018-05-31 When Grace Wroldson first discovered that she was in love with an alcoholic she sought treatment and help for him As the years passed and the alcoholic continued to choose alcohol over her she instead sought treatment for herself to overcome her own battles of love addiction and codependency When her child was born she was inspired to completely break free from the disease of alcoholism She shifted her focus away from the alcoholic and found a path of recovery for herself Now Grace shares a firsthand account of her journey to living a healthier life full of self love acceptance and truth So You Love an Alcoholic compiles the hard learned lessons and realizations she faced during recovery From lessons on boundaries forgiveness and self love comes a triumphant tale of a woman who learned Grace brings the message of hope for women in a similar situation by sharing her secret lessons This is one womans recovery story of loving and

leaving an alcoholic man successfully The lessons found in So You Love an Alcoholic inspire women to take action and seek help for themselves not just their alcoholics These lessons tell a story of bravery dedication hard work and love that validate those who find themselves in a similar situation Graces lessons serve as a reminder to all of us that you cant take care of anyone else until youve taken care of yourself This book will bring healing affirmation relief and wisdom to women who love an alcoholic By sharing her true story she strives to reach out to women who are surviving this predicament so that they can free themselves from the disease and extend that freedom to their children

God's Masterpiece (Woman) Richard Dexter Russell, 2019-11-06 My book examines women s thoroughly and fairly by the word of God it is this fairness that makes the novel so riveting and thought provoking and so perfect for triggering discussions This is a great inspiring book of the creation of women by God in human form God could have taken anything to create the apple of his eye but he chose her That s why she is His Masterpiece of Creation if you want something to change your life this book will wake you up and think The author is true to his determination not to stack the deck for readers the ending is deliberately ambiguous with allegorical overtones leaving readers to decide what they want to believe I have done my research and know what you re looking for MY MANUSCRIPT is CHRISTIANS BASE genre of included comparison titles to give you a feeling of the book and show I know my target audience Dear readers and friends it was so wonderful to share this story of what God gave me to write about in the creation of woman in our life with you Many years ago I woke up one morning with a feeling that told me I should start putting the things about His Masterpiece of creation on paper I had no idea how to do it I just started by jotting down the main highlights of all the things based on my experience that happened in my life over the years Then I asked the Holy Spirit to inspire me as He inspired the people who wrote the Bible This is why this story I call God Masterpiece of creation woman It amazed me how i never knew how to write and especially something or someone to write until now Every day when I sat down in my lazy boy to write or laid in bed the words just flowed It was an amazing experience I know that this is not my doing it is the Lord s doing I know a few more stories will come as God continues to do His work Specifically this is why I think you the reader would like my novel I have taken time to carry out my research on what you seek or need to know I have also included comparison titles to give you a feel of the book to prove that I know my target audience I am an interesting and a likable person judging by my character I want the readers to use the blank pages to take notes and tell me about each paragraph after each STORY I do not have any publishing credits but experience in the subjects presented in the manuscript included is a short biography I ll also let you know if I m working on something else to prove to you that I am not a one hit wonder But I won t pitch that novel here
