Arun & Meenakshi N., In today's socially networked and highly competitive world it is imperative that marketers are always truthful because customers eventually find out if they have been misled This can lead to their angst with the company going viral thereby destroying the company's reputation Marketing Management advocates marketing based on absolute truth Also brand image is sensitive to market sentiments Brands can be in danger one wrong product or one shoddy campaign can destroy a brand built over years Companies must align everything that they do with the core spirit of their brands Further when everything seems to go digital it is important that marketers keep in mind that customers are primarily interested in their products/services The book advocates that superior products and services will always be central to marketing Key Features Best Practices Researched implemented and result driven practices taken from leading companies across diverse industries throughout the world Marketers can adopt these practices to elevate individual and organizational performance Corporate Insights Examples of marketing concepts being implemented by well known Indian companies and brands Latest moves of companies and brands as they cope with competition and environment Case Studies A brief case study after each chapter focusing on specific issues dealt within the chapter Specialized Questions Questions meant to make students ponder upon various aspects of marketing and challenge the existing paradigms **Mobile Marketing Management** Hongbing

Hua, 2019-03-18 With the development of mobile internet technology people's lifestyle and consumer behavior are changing rapidly Nowadays the products on the market are updating more and more frequently and the traditional marketing theory and brand theory fail to get with the mobile internet So what's the innovative marketing to take in the new era Since 2012 China has entered into the mobile era and became a major country of mobile internet application The book summarizes the experience of the author accumulated from many trials and errors in management and marketing innovation so as to form the pattern of management and marketing for the next 30 years Mobile Marketing Management lays the foundation for the new era with four pillars service substance superuser space known as 4S theory for short In view of the concept of customer first it is all about service and products become productized service concepts In view of the failure of mass communication the competition among all services becomes the competition of substance differentiation Regarding the popularity of self

organization it becomes a trend to cooperate with people rather than the company to develop the market In view of the principle of fuzzy market boundary the enterprises shall optimize their living space and evolve their development space This book contains numerous case studies along with analysis and creates the discipline of mobile marketing management providing innovative theories methods and tools for the marketing of enterprises Through this book readers can master the marketing methods of the mobile internet era They can apply the marketing theory in this book to guide the marketing practice thus improving marketing efficiency and reducing marketing costs **The Marketing Book** Michael Baker,2012-05-04 This fifth edition of the best selling Marketing Book has been extensively updated to reflect changes and trends in current marketing thinking and practice Taking into account the emergence of new subjects and new authorities Michael Baker has overhauled the contents and contributor lists of the previous edition to ensure this volume addresses all the necessary themes for the modern marketer In particular the Marketing Book now broaches the following new topics Channel management management of the supply chain Customer Relationship Management Direct marketing E marketing Integrated marketing communications measurement of marketing effectiveness Postmodern and retro marketing Relationship marketing Retailing Like its predecessors the Marketing Book 5th edition is bursting with salient articles from some of the best known academics in the field It amounts to an all embracing one volume companion to modern marketing thought ideal for all students of marketing **Marketing Strategy and Management** Michael J. Baker,2017-09-16 The fifth edition of Marketing Strategy and Management builds upon Michael Baker s reputation for academic rigor It retains the traditional functional 4Ps approach to marketing but incorporates current research topical examples and case studies encouraging students to apply theoretical principles and frameworks to real world situations **Marketing Management, 2nd Edition** Arun Kumar & N. Meenakshi,2011 Marketing is a way of doing business It is all pervasive a part of everyone s job description Marketing is an expression of a company s character and is a responsibility that necessarily belongs to the whole company and everyone in it **The Business School Buzz Book** Carolyn C. Wise,Stephanie Hauser,2007 In this updated guide Vault publishes the entire surveys of current students and alumni at more than 100 top business schools Each 4 to 5 page entry is composed almost entirely of insider comments from students and alumni Each school profile features surveys of about 10 students or alumni These narratives provide applicants with detailed and balanced perspectives and insider information on admissions and employment prospects which is lacking in other business school guides **Resource book of small business management training and education at colleges and universities** United States.
