Looking On Deaf People And The Organisation Of Services

Judd E. Hollander

Looking On Deaf People And The Organisation Of Services:

Looking on Alys Young, Jennifer Ackerman, Jim Kyle, 1998 This research study examines the deaf hearing working practice and working relations in three statutory organizations a school for deaf children and two specialist psychiatric units for deaf people It explores the critical challenges faced at personal interpersonal and organizational level *Deafness, community and culture in Britain* Martin Atherton, 2018-02-28 Setting a case study of deaf people's leisure practices in north west England within a wider examination of communal deaf leisure across Britain this book offers new insights into a misunderstood and misrepresented community The book provides a detailed analysis of deaf people's leisure during the second half of the twentieth century which questions perceptions of deafness as a disability investigates the importance of shared leisure in community formation more generally and examines the ways in which changing patterns of socialisation are affecting British society Although focusing on the British deaf community the concepts and principles explored in this book can be applied across a wide range of social cultural and ethnic groups This book draws upon a wide range of subject areas and will consequently be of interest to students and academics working in the fields of disability history community and cultural minority studies sport leisure and regional studies

The Critical Practitioner in Social Work and Health Care

Sandy Fraser, Sarah Matthews, 2007-11-20 Critical practice is at the core of all activity undertaken with service users carers and their communities Conveying the diverse nature of this work The Critical Practitioner in Social Work and Health Care takes a comprehensive and reflective look at key areas of practice and the challenges professionals face in training and in their working lives The chapters focus on the skills and values fundamental to the caring role and helps readers understand the importance of being able to adapt to changing demands and expectations Key features of the book include a multiprofessional approach incorporating examples from health social work and social care an integrated approach to theory and practice a range of case studies to illustrate key themes and issues coverage of core topics such as ethics management supervision teamwork interprofessional working practice with service users research policy issues accountability strongly supports underpinning knowledge for the National Occupational Standards and subject benchmarks The book encourages the reader to develop the confidence and analytic skills to achieve best practice across all areas of their work It will be required reading for all those studying social work nursing and allied caring professions It will also be of great help to practitioners wishing to reflect on and develop their own practice This Reader includes revised and updated material from Brechin et al's Critical Practice in Health and Social Care also published by SAGE 2000 Sandy Fraser is a Lecturer in Social Work Faculty of Health and Social Care at The Open University He co edited Doing Research with Children and Young People and The Reality of Research with Children and Young People both 2004 published by SAGE Publications in association with The Open University Sarah Matthews is a Staff Tutor in The Open University regional office in Manchester She is also a Mental Health Act Commissioner and runs a training and consultancy business She worked for 20 years as a qualified social

worker latterly as a senior manager **Deaf People and Society** Irene W. Leigh, Jean F. Andrews, Cara A. Miller, Ju-lee A. A Survey of Higher Education Facilities and Services for Students with Disabilities Elinor Gollay, 1977 *Directory of National Information Sources on Handicapping Conditions and Related Services* National Institute of Handicapped Research (U.S.), 1986

Directory of National Information Sources on Handicapping Conditions and Related Services, 1986 Directory of organizations compiled to enable Clearinghouse on the Handicapped to respond to public inquiries and to better understand services of other related information providers Includes only organizations that are information and direct service providers thus there is emphasis on information components and database vendors Includes only organizations functioning on national level and a small group of international organizations based in the U S Alphabetical arrangement by names of organizations Entry gives address telephone number handicapping conditions served and information about the organization and its information services Miscellaneous appendixes of organizations Index

The SAGE Deaf Studies Encyclopedia Genie Gertz, Patrick Boudreault, 2016-01-05 The time has come for a new in depth encyclopedic collection of articles defining the current state of Deaf Studies at an international level and using the critical and intersectional lens encompassing the field The emergence of Deaf Studies programs at colleges and

universities and the broadened knowledge of social sciences including but not limited to Deaf History Deaf Culture Signed Languages Deaf Bilingual Education Deaf Art and more have served to expand the activities of research teaching analysis and curriculum development The field has experienced a major shift due to increasing awareness of Deaf Studies research since the mid 1960s The field has been further influenced by the Deaf community's movement resistance activism and politics worldwide as well as the impact of technological advances such as in communications with cell phones computers and other devices A major goal of this new encyclopedia is to shift focus away from the Medical Pathological Model that would view Deaf individuals as needing to be fixed in order to correct hearing and speaking deficiencies for the sole purpose of assimilating into mainstream society By contrast The Deaf Studies Encyclopedia seeks to carve out a new and critical perspective on Deaf Studies with the focus that the Deaf are not a people with a disability to be treated and cured medically but rather are members of a distinct cultural group with a distinct and vibrant community and way of being

Intercultural Issues in the Workplace Katerina Strani, Kerstin Pfeiffer, 2023-12-22 This textbook addresses key issues and challenges in contemporary multicultural and multilingual workplaces through the lens of leadership communication and trust It draws together contributions from fields including cultural studies psychology sociolinguistics translation and interpreting studies and business management making a valuable contribution to the area of language and culture in the workplace The volume is divided into 5 thematic sections Intercultural Communication Cross cultural Leadership Economy Language and Diversity It offers a critical analysis on themes that tend to be overlooked in intercultural business and management scholarship such as multilingualism in the workplace translation and interpreting in cross cultural work practices dignity in the workplace performing gender in the workplace and D deaf people in the workplace It also revisits themes such as cross cultural leadership interculturality and the embedded economy and managing uncertainty in the context of the contemporary globalized workplace It then brings everything together in a Cross Cultural Scenarios chapter at the end with recommendations for every scenario Overall the textbook constitutes an essential resource for honours undergraduate and postgraduate students in these and related fields as well as academics and practitioners with an interest in globalised workplaces

Religion, Disability, and Interpersonal Violence Andy J. Johnson, J. Ruth Nelson, Emily M. Lund, 2017-07-24 This groundbreaking reference offers mental health professionals a rigorous nuanced guide to working with abuse survivors with disabilities in religious communities Expert contributors unravel complex intersections of disability religion and identity in the context of gender violence including spotlights on racial gender and sexual minorities Deaf persons and men and offer survivor centered best practices for intervention Chapters explore how responses from clergy and other religious figures may sometimes prevent survivors from seeking help and how faith leaders can help to empower survivors The concepts and research presented here support multiple purposes from removing barriers to survivor services to working with religious communities to be more inclusive and transparent Among the topics featured From barriers to belonging for people with

disabilities Promising pathways toward inclusive ministry Empowering women with intellectual disabilities to resist abuse in interpersonal relationships Race culture and abuse of persons with disabilities Ableist shame and disruptive bodies Survivorship at the intersection of queer trans and disabled existence From the narratives of survivors with disabilities Strengths and gaps between faith based communities and domestic violence shelters Religion Disability and Interpersonal Violence brings transformative insights to psychologists social workers and mental health professionals across disciplines providing guidance within religious and disabled communities in their clinical practice It also provides valuable background for researchers seeking to examine the interface between religious culture and the abuse of persons with disabilities

Public Health Reports ,1994 *International Medical and Surgical Survey* ,1923 Public Services and the Third Sector Great Britain. Parliament. House of Commons. Public Administration Select Committee,2008 Incorporating HC 540 i v session 2006 07 *The Good Guide to Employment* Wendy Blake Ranken,2009 A Silent World: Triumph and Resilience in the Face of Adversity Pasquale De Marco,2025-08-11 A Silent World Triumph and Resilience in the Face of Adversity is a comprehensive and engaging exploration of the experiences of deaf people in the United States from the antebellum South to the present day Drawing on historical research and personal narratives this book sheds light on the challenges deaf people have faced the resilience they have shown and the contributions they have made to society In the antebellum South deaf people were often seen as objects of pity They were excluded from education and employment opportunities and they were often treated as second class citizens However deaf people in the South also developed a strong sense of community and self reliance They created their own schools and churches and they developed their own sign language After the Civil War deaf people in the United States began to fight for their rights They founded organizations to advocate for their needs and they lobbied for laws to improve their access to education and employment In the 1970s the Deaf President Now movement led to the appointment of the first deaf president of Gallaudet University a major milestone in the fight for deaf rights Today deaf people in the United States still face challenges but they have made great progress in the fight for equality They have achieved success in all areas of life from education to employment to the arts They are also playing an increasingly active role in shaping the policies that affect their lives A Silent World Triumph and Resilience in the Face of Adversity is a testament to the resilience and determination of deaf people It is a celebration of their culture and their contributions to society It is also a call to action for all of us to create a more inclusive world for deaf people This book is essential reading for anyone who wants to learn more about the experiences of deaf people in the United States It is a valuable resource for parents teachers employers and anyone else who wants to create a more inclusive world for deaf people If you like this book write a review *Equality in Managing Service Delivery* Collier,1998-10-01 This book gives practical advice on how organizations delivering a service to the public can meet the needs of different groups of people Using examples from the private public and voluntary sectors Rohan Collier explains how to develop and implement equalities policies which effect

real change **Telecommunications for Older People and Disabled People in Europe** Kevin Cullen, Simon Robinson, Ciaran Dolphin, Nadia Clarkin, Lutz Kubitschke, 1997 This book presents the result of the MART study an action funded under the TIDE Technology Initiative for Disabled and Elderly People programme of the EU TIDE supports research and development in assistive technology with the aim of contributing to the quality of life of older people and people with disabilities and encouraging European industry and markets The book provides the first complete assessment of the opportunities presented by the Information Society for Older People and people with disabilities in Europe and of the factors in European telecommunications and in social developments that are facilitating or inhibiting access to these It is being published at a time when these issues are becoming increasingly considered in EU and national policy in the strategies of the telecommunications industry and in the concerns of representative user organisations As the MART study finished in early 1996 and the European situation is changing rapidly a chapter has been added by the authors to take account of more recent developments
