Lornas Line:

The Things We Learn When We're Dead Charlie Laidlaw, 2017-01-26 The Things We Learn When We're Dead is about how small decisions can have profound and unintended consequences but how we can sometimes get a second chance On the way home from a dinner party Lorna Love steps into the path of an oncoming car When she wakes up she is in what appears to be a hospital but a hospital in which her nurse looks like a young Sean Connery she is served wine for supper and everyone avoids her questions It soon transpires that she is in Heaven or on HVN because HVN is a lost dysfunctional spaceship and God the aging hippy captain She seems to be there by accident or does God have a higher purpose after all Despite that The Things We Learn When We're Dead is neither sci fi nor fantasy It is a book about memory and how if we could remember things slightly differently would we also be changed In HVN Lorna can at first remember nothing But as her memories return some good some bad she realises that she has decisions to make and that maybe she can find a way back home
