Lost Cat:

Lost Cat Caroline Paul, 2013-04-11 Caroline Paul was recovering from a bad accident she had been flying a plane when it happened and thought things couldn't get worse. But then her beloved cat Tibia disappeared. She and her partner illustrator Wendy MacNaughton anxiously waited for his return before resigning themselves to their loss. But weeks later Tibia waltzed back into their lives. His owners were overjoyed. They might also have been a bit jealous. All right they were very jealous. Where had their sweet anxious cat disappeared to? Had he become a swashbuckling cat adventurer? Did he love someone else more? His owners were determined to find out. Using GPS technology, cat cameras, psychics, the web, and animal communicators, they embarked on a quest to discover what their cat did when they weren't around. Writer Caroline Paul tells the warm and poignant story of their discoveries with Wendy MacNaughton's elegant and hilarious full-colour watercolours. **Lost Cat** is a book for animal lovers, pet owners, and anyone who has ever done anything desperate for love. **Three**

Davidson, 2013-07-23 You've seen them hanging on telephone poles and posted on supermarket bulletin boards. But have you ever wondered about the stories behind them? When her orange tabby Zak disappeared, Nancy Davidson did what countless people before her had done. She made a lost cat poster. And after days of frantic searching, she found him. Nancy was ecstatic. Zak seemed happy too, although being a cat, it was hard to tell. Zak may have remained his old self, but Nancy had changed. From that moment on, she became acutely aware of lost cat posters. She studied their language, composition, and design. She was drawn to their folk art. Mostly, however, she was intrigued by the messages themselves, the stories behind the posters. It wasn't long before Nancy reached out to other owners of lost and found cats to offer empathy and support. They told hilarious

and often poignant stories They sought advice That s when Dr Nancy the cat lover and the seasoned therapist stepped in and offered insights brought to light by her shrewd but never self serious analysis What they told her and what she learns creates a captivating look into the heart of our relationships with our pets and each other For seven years Dr Nancy followed the lost cat trail discovering answers to a question that eventually touches all of us What will you do for love The Secrets of Lost Cats traces the evolution of Nancy Davidson s seven year passion for lost cat posters From the astonishing almost implausible posters she encounters across the country and indeed the world to the daring dedication and emotional complexity of the cat owners themselves The Secrets of Lost Cats offers readers an absorbing journey that illuminates love loss and learning to love again even more deeply

Her mother is frightened of her daughter's latent abilities and not only will not help her but actively discourages her and she can't find a teacher to help her develop her supernatural psychic powers. For she wants not only to know what it is possible to do and how to do it but to what end she should put her special abilities. Megan is a good girl so it would seem obvious that she would tend towards using her powers for good but it is not always easy to do the right thing even if you know what that is. These stories about Megan will appeal to anyone who has an interest in psychic powers, the supernatural and the paranormal and is between the ages of ten and a hundred years old. In *Megan and the Lost Cat*, Megan, our psychic teen, has read a poster about a missing cat and she decides to try to use her fledgling paranormal powers to help find it. Her instincts take her to the woods nearby where she receives help from a strange dancing girl and finds the cat. Megan later meets the cat's mysterious owner who has a significant influence on the teenager's life. Translator: Owen Jones. PUBLISHER: TEKTIME. [Lost and Found Cat](#).
