On The Christian Faith

Karl Rahner

On The Christian Faith:

The Christian Faith Friedrich Schleiermacher, 1999-03-11 The classic work of Christian theology which seeks to present the Christian faith in its entirety Schleiermacher was equally at home in the theological systems of Protestant orthodoxy and the new world of thought shaped by the historical and natural sciences and German philosophy He follows a confident course through the entire range of themes in dogmatics but leaves both the dogmatic task and the individual themes transformed by a powerful and original mind A new foreword by B A Gerrish summarises the dogmatic goals of *The Christian Faith* and corrects some common misreadings of his work *Essential Truths of the Christian Faith* R. C. Sproul, 2011-02-18 For those who yearn for a deeper walk of faith their journey can begin here Dr R C Sproul takes theology down from the dusty shelves of theological libraries and expounds in clear and simple terms more than one hundred major Christian doctrines He offers readers an essential understanding of the Christian faith that will kindle a lifelong love for truth which is foundational to maturity in Christ Here are theologically sound explanations of the biblical concepts every Christian should know written in a way that we all can understand Sproul's homespun analogies and illustrations from everyday life make this book interesting informative and easy to read **Foundations of Christian Faith** Karl Rahner, 1978 A Crossroad book Translation of *Grundkurs des Glaubens* *Foundations of the Christian Faith* James Montgomery Boice, 2019-01-29 In one systematic volume James Montgomery Boice provides a readable overview of Christian theology With scholarly rigor and a pastor's heart Boice carefully opens the topics of the nature of God the person and work of Christ the work of the Holy Spirit in justification and sanctification and ecclesiology and eschatology This updated edition includes a foreword by Philip Ryken and a section by section study guide *A Handbook of the Christian Faith* John Schwarz, 2004-08 This is a unique one volume overview of the Bible church history Christian beliefs and more A revised edition of the Compact Guide to the Christian Faith *Christian Faith* Hendrikus Berkhof, 1991 In today's secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality Nelson's Introduction to the Christian Faith Stephen L. Nelson, 1995 Featuring contributions from respected theologians J I Packer D A Carson Colin Brown Peter Toon and many others this thorough and practical survey of Christianity's basic beliefs and their meanings and applications for modern life also includes a user friendly glossary and brief articles on the key shapers of Christian faith throughout history Faith Matters Kerry Walters, 2019-06-17 In a day in which Christians too often reduce faith to mere sentimentality and atheists decry it as superstitious nonsense Fr Kerry Walters offers a series of reflections intended to show that indeed faith matters Drawn from his popular weekly newspaper column Faith Matters these short meditations explore Christian faith from the perspectives of doctrine spirituality ethics politics art and science the saints and the holy seasons that mark the Christian year and set the rhythm of Christian living **Guide to the**

Christian Faith William A Spurrier,2012-03-01 *Welcome to the Christian Faith* Christopher L. Webber,2011-10-01 A foundational volume for seekers in formation programs and a refresher study volume for individuals and congregational study groups We live in a world increasingly separated from the Christian tradition and the basic understanding of the faith that previous ages might have taken for granted The voices of faith seem increasingly strident and off putting to many There is a need for a calmer basic introduction to faith that recognizes the value of doubt and the questions raised in a secular society A systematic introduction to Christianity for newcomers needs to begin with a discussion of faith itself and then move on to a discussion of such Christian basics as God Trinity Church sin atonement prayer and Christian living *The Foundations of the Christian Faith* Charles Wesley Rishell,1899 Living Belief Douglas F. Ottati,2022-06-07 A leading theologian s concise guide to the beliefs commitments and practices of Christianity What do Christians believe But also what do they do And feel With decades of experience teaching the essentials of Christian faith Douglas Ottati still finds these questions and more like them dynamic and compelling In *Living Belief* he moves beyond trite answers drawing from the deep well of tradition to offer up wisdom from the Apostles Creed the Ten Commandments the Sermon on the Mount and the Lord s Prayer In so doing Ottati explores key Christian themes such as creation redemption and love of neighbor enemy and the weak and dependent Concise and approachable *Living Belief* makes no claims to be a definitive account of Christianity but rather attempts to introduce a faith that remains a source of meaning and direction that orients that encourages and assures that supplies moral standards and calls for contrition and that furnishes grounds for perseverance and hope In connection with each chapter Ottati includes questions for discussion so that readers those revisiting the core components of their Christian faith and those learning about it for the first time can together continue the work begun here of understanding the multifaceted life of devotion that is Christianity *Understanding the Christian Faith* Georgia Elma Harkness,1947 An excellent primer on the basic principles of Christian doctrine Harkness offers light and direction to those who are bewildered by the seeming complexities of Christian belief and practice Displaying her uncanny ability for translating the abstract and the scholarly into terms easily grasped by laypersons Harkness explains the various concepts that so often shroud Christianity in mystery A Christian Faith for Today Prof W Montgomery Watt,W. Montgomery Watt,2003-09-02 Written by one of the world s foremost religious authorities *A Christian Faith for Today* provides both Christians and sceptics with a much needed response to modernity s challenge to God Most people accept that our world is regulated by the laws of natural science but how should Christian believers reconcile this with faith incarnation and a loving and intelligent Creator W Montgomery Watt returns to the Biblical stories and sources at the roots of modern faith and to theological problems such as Jesus divinity and humanity He suggests how the miraculous might be understood from a rational perspective and the genuinely transcendental distinguished from allegory and symbolism Sympathetic to the Gospel yet acceptable to the modern mind this is a timely and sensitive exposition of God s manifestation and intervention in the world and of his purposes with us

and for us Essentials of Christian Faith Jack Cottrell, Andrew Paris, Tony Newby, 1992-12 With this scathing indictment of modern America editor Steve Burris takes us on a pilgrimage that is foundational It is necessary that we go back to fundamental matters at this point in our history he writes We live in an instant culture We have come to expect instantaneous answers to all of life s questions Yet he notes we are called by God to be the light and salt of the earth even as problems of the world permeate the church and threaten it It is from this need that Essentials of Christian Faith was born That is why Burris has drawn together many of the most influential and prolific Restoration writers As a Christian what is essential that you know and believe The answer to that question is here in Essentials of Christian Faith **Christian Faith** Hendrikus Berkhof, Frederick O. Bonkovsky, 1980 In today s secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality *The Compact Guide to the Christian Faith* John Schwarz, 1999 An insightful study introducing readers to the Bible church history other religious belief systems evangelism prayer and more *A Preface to Christian Faith in a New Age* Rufus M. Jones, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *The Christian Faith Personally Given in a System of Doctrine* Olin Alfred Curtis, 1905 **The Christian Faith** Hans Schwarz, 2014-09-09 This reader friendly primer offers a concise yet thorough overview of the Christian faith Hans Schwarz one of the major Lutheran theologians of the last half century covers the Christian faith from creation to the final fulfillment of life He gives his account of the major points of Christian doctrine always moving from the biblical text to the unfolding of the faith through the centuries to contemporary significance This brief systematic theology will appeal to professors students pastors and educated lay readers who want a quick but profound and biblically grounded overview of the Christian faith
