ECCLESIA DE EUCHARISTIA
OF HIS HOLINESS
POPE JOHN PAUL II
TO THE BISHOPS
PRIESTS AND DEACONS
MEN AND WOMEN
IN THE CONSECRATED LIFE
AND ALL THE LAY FAITHFUL
ON THE EUCHARIST IN ITS RELATIONSHIP TO THE CHURCH

INTRODUCTION

1. The Church draws her life from the Eucharist. This truth does not simply express a daily experience of faith, but recapitulates *the heart of the mystery of the Church*. In a variety of ways she joyfully experiences the constant fulfillment of the promise: "Lo, I am with you always, to the close of the age" (*Mt* 28:20), but in the Holy Eucharist, through the changing of bread and wine into the body and blood of the Lord, she rejoices in this presence with unique intensity. Ever since Pentecost, when the Church, the People of the New Covenant, began her pilgrim journey towards her heavenly homeland, the Divine Sacrament has continued to mark the passing of her days, filling them with confident hope.

The Second Vatican Council rightly proclaimed that the Eucharistic sacrifice is "the source and summit of the Christian life".¹ "For the most holy Eucharist contains the Church's entire spiritual wealth: Christ himself, our passover and living bread. Through his own flesh, now made living and life-giving by the Holy Spirit, he offers life to men".² Consequently the gaze of the Church is constantly turned to her Lord, present in the Sacrament of the Altar, in which she discovers the full manifestation of his boundless love.

2. During the Great Jubilee of the Year 2000 I had an opportunity to celebrate the Eucharist in the Cenacle of Jerusalem where, according to tradition, it was first celebrated by Jesus himself. *The Upper Room was where this most holy Sacrament was instituted*. It is there that Christ took bread, broke it and gave it to his disciples, saying: "Take this, all of you, and eat it: this is my body which will be given up for you" (cf. *Mk* 26:26; *Lk* 22:19; *1 Cor* 11:24). Then he took the cup of wine and said to them: "Take this, all of you and drink from it: this is the cup of my blood, the blood of the new and everlasting covenant. It will be shed for you and for all, so that sins may be forgiven" (cf. *Mt* 14:24; *Lk* 22:20; *1 Cor* 11:25). I am grateful to the Lord Jesus for allowing me to repeat in that same place, in obedience to his command: "Do this in memory of me" (*Lk* 22:19), the words which he spoke two thousand years ago.

Did the Apostles who took part in the Last Supper understand the meaning of the words spoken by Christ? Perhaps not. Those words would only be fully clear at the end of the *Triduum sacram*, the time from Thursday evening to Sunday morning. Those days embrace the *mysterium paschale*; they also embrace the *mysterium eucharisticum*.

3. The Church was born of the paschal mystery. For this very reason the Eucharist, which is in an outstanding way the sacrament of the paschal mystery, *stands at the centre of the Church's life*. This is already clear from the earliest images of the Church found in the Acts of the Apostles:

On the Eucharist in Its Relationship to the Church Pope John Paul II, 2003 The Church and the Eucharist : Encyclical Letter Ecclesia de Eucharistia of His Holiness Pope John Paul II to the Bishops, Priests and Deacons, Men and Women in the Consecrated Life and All the Lay Faithful on the Eucharist in Its Relationship to the Church Catholic Church. Pope (1978-2005 : John Paul II), 2003 Models of the Eucharist, Second Edition Irwin, Kevin W., 2020 In this book updated with the texts of the third edition of the Roman Missal Kevin Irwin reflects on the jewel in the crown of Catholicism the celebration of the Eucharist His book theological pastoral and contemporary is essentially concerned with issues about the Eucharist that face us today decades after the truly historic and unprecedented revisions that took after the Second Vatican Council Some of these concerns are the result of unforeseen developments about the Eucharist resulting from other factors for example the decline in numbers of clergy which has led in some places to Sunday celebrations without the Mass Other concerns arise from a lack of proper catechesis about the Mass and a keen desire to understand why and how the Eucharist is at the center of Catholic life In addition to being expressly theological this book is also expressly pastoral in that it is a reflection on the life lived by the church as it enacts the Eucharist and seeks to live out what the Eucharist celebrates The book is aimed at the audience of educated Catholics who seek a deeper appreciation of what the Eucharist is and who want to appropriate that understanding in the way they live their lives This book will be of particular interest to pastoral ministers both those present and those in training and the communities of faith whom they serve **The Teachings of Pope John Paul II** John E. Fagan, 2005 **The Liturgy of Life** Ricky Manalo, 2014-12-30 Everyday worship practices from praying the rosary to moments of recognizing the beauty of God's creation from being moved by the power of music to praying Vespers on an iPad not only take place at different locations and during different days of the week but also dynamically interact with one another The Liturgy of Life examines the interrelationship between the practice of Sunday Eucharist and the many unofficial worship practices that mark the everyday lives of Christians who continually negotiate the boundaries of official teaching on liturgy Drawing on the writings of theologians and sociologists of lived religion and data from an ethnographic research project this timely work stretches the contextual horizon of liturgical scholarship and presents a provocative and dynamic paradigm of Christian worship for the twenty first century *Anamnesis and the Eucharist* Revd Dr Julie Gittoes, 2013-05-28 Engaging with contemporary Anglican theology of the Eucharist through the concept of anamnesis this book seeks to enrich the Church's understanding of transformation and mission Eucharistic theology finds its place in the midst of much contemporary Anglican theology but little attention has been given to the interrelationship between mission and the Eucharist Julie Gittoes engages with the work of David Ford Rowan Williams and Catherine Pickstock who share a common concern to engage with the way in which the Eucharist shapes the life of the worshipping community as the body of Christ Focusing on the concept of anamnesis remembrance or memorial Gittoes highlights a language of connection in the

way in which anamnesis describes the integration of historical sacramental and ecclesial embodiments of Christ The Eucharist looks back to the saving events of Christ's life, death and resurrection through it the Church is nourished with the body of Christ participating in it anticipates the eschatological fulfilment of the Kingdom This book explores the connection between the source event of the Church's life and the transformative encounter with Christ in the Eucharist the effects of which are seen in social, ethical, political action and the Church's mission

From Trent to Vatican II Raymond F. Bulman, Frederick J. Parrella, 2006-05-25 The second Vatican Council was convened by Pope John XXIII between 1962 and 1965 It marked a fundamental shift toward the modern Church and its far reaching innovations replaced or radically changed many of the practices, rules and attitudes that had dominated Catholic life and culture since the Council of Trent in the sixteenth century In this book a distinguished team of historians and theologians offers an impartial investigation of the relationship between Vatican II and Trent by examining such issues as Eucharistic theology, liturgical change, clerical reform, the laity, the role of women, marriage, confession, devotion to Mary and interfaith understanding As the first book to present such a comprehensive study of the connection between the two great Councils, this is an invaluable resource for students, theologians and church historians as well as for bishops, clergy and religious educators

The Active Participation of the Faithful in the Eucharist on the Basis of Common Priesthood Stella Adamma Nneji, 2018-06-15 One of the significant points of the Second Vatican Council is its emphasis on the status of the lay faithful in the church which includes active participation in the life of faith The council spoke of the active

participation of all the faithful in liturgical celebrations on the basis of the common priesthood of the faithful which is conferred during baptism and through which every believer shares in the priestly kingly and prophetic offices of Christ In this book Stella Nneji develops an ecclesiological critical reflection on the teaching of the Second Vatican Council with regard to active participation Focusing especially on the church as people of God Nneji shows how the idea of participation is not merely a passive action but an active one Based on the ecclesiological reflection on the church as people of God and its relevance for active participation she maintains that Vatican II's vision on active participation is relevant to the upbuilding of the body of Christ church This vision integrates a critical thinking especially regarding those places where the implementation of Vatican II's teachings seems difficult

The Priesthood, Mystery of Faith Nilson Leal de Sa, CB, Nilson Leal de Sá, 2022-05-27 After almost twenty seven years of his pontificate what was John Paul II's legacy regarding the ministerial priesthood What answers did he give to the questions still surrounding this reality today Nilson Leal de S CB examines the pontiff's twenty seven letters of Holy Thursday addressed annually to the priests Unlike some papal documents which are drafted by many hands these letters to priests were born of a personal initiative wherein the pope spoke ab imo pectore from the depths of his heart giving a little of himself and his thought Cardinal Georges Marie Cottier theologian emeritus of the Pontifical House and a connoisseur of the texts of the Holy Father has confirmed that the Letters of Holy Thursday were written by John Paul II himself Leal de S has sought in the diversity of the letters of Holy Thursday the major points of the thought of John Paul II on this important topic The first chapter dwells on the sources of his teaching and emphasizes his use of the Word of God Tradition and the conciliar Magisterium These foundations are the basis of the second chapter which highlights the priestly identity in the life of the Church Finally the third chapter elucidates the specific mission of the priest The Priesthood Mystery of Faith presents itself as a real and stimulating synthesis of John Paul II's thought about the ministerial priesthood in a systematic way It renews us in the appreciation of the inestimable gift that God makes to the whole Church through the sacrament of the Holy Orders

Theologies of Suffering in the New Testament Michael Ventre, 2014-06-11 This book is a look into the meaning of Redemptive Suffering through the lens of various New Testament books John Paul II's *Salvifici Doloris* and the Catholic faith

The Luminous Mysteries Tim Gray, 2005 Pope John Paul II has called the Rosary a true doorway to the depths of the Heart of Christ ocean of joy and light of suffering and glory Author Tim Gray celebrates this life changing truth as he uncovers the deep scriptural roots of the five Luminous Mysteries the Baptism in the Jordan the Wedding of Cana the Proclamation of the Kingdom the Transfiguration and the Institution of the Eucharist In his foreword to *The Luminous Mysteries* Archbishop Raymond L Burke of St Louis writes Tim Gray is an outstanding teacher of the Catholic faith as he has demonstrated by his other writings and his presentations given to a variety of audiences His love of Christ is transparent in his writing and inspires the reader to love Christ more fully and ardently The Luminous Mysteries Biblical Reflections on the Life of Christ is a most worthy tool for growth in the knowledge of Christ and

growth in Christ's likeness This book also includes five meditations from the Church Fathers on the Luminous events *The Oxford Handbook of Catholic Theology* Lewis Ayres, Medi Ann Volpe, 2019-03-28 The Oxford Handbook of Catholic Theology provides a one volume introduction to all the major aspects of Catholic theology Part One considers the nature of theological thinking and the major topics of Catholic teaching including the Triune God the Creation and the mission of the Incarnate Word It also covers the character of the Christian sacramental life and the major themes of Catholic moral teaching The treatments in the first part of the Handbook offer personal syntheses of Catholic teaching but each offers an account in accord with Catholic theology as it is expressed in the Second Vatican Council and authoritative documentation Part Two focuses on the historical development of Catholic Theology An initial section offers essays on some of Catholic theology's most important sources between 200 and 1870 and the final section of the collection considers all the main movements and developments in Catholic theology across the world since 1870 This comprehensive volume features fifty six original contributions by some of the best known names in current Catholic theology from the Americas Europe Asia and Africa The chapters are written in an engaging and easily comprehensible style functioning both as a scholarly reference and as a survey of the field There are no comparable studies available in one volume and the book will be an indispensable reference for students of Catholic theology at all levels and in all contexts **Living the Justice of the Triune God** David Noel Power, Michael Downey, 2012 This groundbreaking book is distinctive for the explicit attention it gives to the communal intersubjective cultural and linguistic embodiment of the workings of God in the world It emphasizes not simply acting justly but living with in and from the justice of the triune God by which we are justified Finally it offers an important sacramental and liturgical grounding to the Christian understanding of both justice and the triune God David N Power and Michael Downey make clear to contemporary believers why a spiritual and sacramental life that is ordered by its trinitarian orientation must include the desire for justice In short it is an ethic of social justice that springs from contemplation of the Divine Trinity in the world **The Sacrament of the Word Made Flesh** Robert J. Stamps, 2013-08-01 Robert Stamps offers us a compelling case for the significance of the theology of Thomas Torrance to current discussions about Trinitarian doctrine and worship He shows that Torrance's Christology and Eucharistic thought validates the Reformed confession of a profound real spiritual presence in the Eucharist This book serves as a helpful introduction to Torrance especially his framing of revelation Moreover it invigorates our understanding of the theological meaning of sacramental devotion Its readers will be stimulated provoked and dare I say inspired by its insights into and critiques of one of the most important and recent Reformed thinkers In sum this is a timely and exciting book It will well serve pastors theologians and thoughtful Christians of many theological perspectives MARK VALERI E T Thompson Professor of Church History Union Theological Seminary Virginia One of the values of this work is that it has deliberately sought not so much to discuss a particular problem or a collection of issues as to identify Torrance as an example of an archetypal Reformed theology of the Eucharist To say that Dr

Stamps has been industrious is patently an understatement the truth is that he has been indefatigable in his search for the least morsel that Torrance offers Yet it is not so much as a study of Torrance that this book is to be commended its great value is that it offers a contextualization of Torrance s thinking on the Eucharist in ecclesiology the more general dimension of an incarnational theology as well as his understanding of cosmology and epistemology I hope that Dr Stamps book will not only find grateful readers but will be repaid by profound reflection on this symbol of the heart of faith JOHN HEYWOOD
