Notes on the Commonwealth - Commonwealth History - an Outline and Booklist Commonwealth Secretariat,1987

Notes on the Commonwealth - Basic Political Facts on Member Countries Commonwealth Secretariat,1988 The Commonwealth, South Africa and Apartheid Stuart Mole,2023-05-31 This book explores the role of the modern Commonwealth in the international campaign against apartheid in South Africa Spanning the period of South Africa s apartheid state from its foundation in 1948 until its ending in April 1994 the author demonstrates that after the 1960 Sharpeville massacre and South Africa s subsequent exclusion from the Commonwealth the organisation was able to become both pathfinder and interlocutor on the road to South Africa s freedom As well as South Africa s ejection from the Commonwealth apartheid s increasing isolation was sustained by the Commonwealth s pioneering work in boycotting apartheid sport as well as campaigning to stop arms sales It also played an important role in internationalising economic and financial sanctions credited by some as the final nail in apartheid s coffin and was able to make an important and distinctive contribution to the transition to democracy At the same time critical debates within the Commonwealth about racial and political equality transformed the association from a docile post imperial organisation led by the UK and in its own interests to a modern multiracial North South forum for reconciling global difference and overcoming the legacies of colonialism This comprehensive and authoritative account of the Commonwealth s engagement with apartheid South Africa is intended for all those who study and research the modern Commonwealth its structure and influence and for those with a general interest in contemporary post war history **Planning, Sustainable Urbanisation and the Commonwealth** Cliff Hague,Clive Harridge,Bryce Julian,Ruiz Nik,Ian Tant,2023-06-09 By 2050 an additional 2.5 billion people will be living in the world s towns and cities almost 50% of them in the 56 Commonwealth countries To a significant extent the future of the planet hangs on how cities and human settlements are managed It is in our cities that the emissions creating climate catastrophe are stoked and where change can and must make a difference at scale Food security water basic services migration shelter jobs environment sustainable urbanisation is about changing direction to strive for a fairer and less environmentally damaging future This well illustrated book by authors from around the Commonwealth tells how the Commonwealth Association of Planners across five decades has campaigned to make a difference It also looks ahead scoping the urgent practical action that is now required **Origins and Purpose. Commonwealth states and particularly the challenges faced by small states It examines the progressive development of IHL in the Commonwealth and provides an analysis of some of the landmark decisions emerging from the Special Court for Sierra Leone The book was developed collaboratively between the Commonwealth Secretariat and the International Red Cross and Red Crescent Movement In this regard it contains insights in the work of the Secretariat with regard to implementation of IHL and an assessment of legislation enacted by Commonwealth states as well as an accession chart to IHL instruments It expounds on the work of the Movement including the role of National Societies the International Humanitarian Fact Finding Commission and the development of international disaster response law rules and regulation This book was based on a special issue of Commonwealth Law Bulletin **Notes on the Commonwealth - Co-Operationfor Development**

Commonwealth Secretariat,1986 **Political Handbook of the World 2016-2017** Tom Lansford,2017-03-31 Published

since 1928 the Political Handbook of the World provides timely thorough and accurate political information with more in depth coverage of current political controversies and political parties than any other reference guide The updated 2016 2017 Edition continues this legacy as the most authoritative source for finding complete facts and analysis on each country s governmental and political makeup Political science and international relations scholars have revised this edition and made understanding complex foreign affairs and political situations easy and accessible With more than 200 entries on countries and territories throughout the world housed in one place these volumes are renowned for their extensive coverage of all major and minor political parties and groups in each political system They also provide names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and United Nations agencies This comprehensive update will include coverage of current events issues crises and controversies from the course of the last two years including The closely watched U S presidential election The effect of the Brexit referendum and installment of a new British prime minister The extensive investigation and subsequent impeachment of Brazil s president The far reaching impact of the Panama Papers scandal Changes in U S Cuba diplomatic relations and the reopening of their embassies The unconstitutional declaration of Gambia as an Islamic State Sentiments about the migrant and refugee crisis across Europe and the influence on policy Also the new For Further Reference feature included for every country entry directs readers to additional resources to continue their research

Orders in Council of the Colony of Sierra Leone Sierra Leone, 1967 **Nationhood, Executive Power and the Australian Constitution** Peta

Stephenson, 2022-09-08 The first comprehensive study of the nature and scope of the nationhood power this book brings a fresh perspective to the scholarship on the powers of the executive branch in Australia The question of when the Federal Executive Government can act without the authorisation of the Parliament is contested and highly topical in Australia In recent judicial decisions Australian courts have suggested that statutory authorisation may not be required where the Federal Executive Government is exercising the nationhood power that is the implied executive power derived from the character and status of the Commonwealth as the national government The Federal Executive Government has relied on this power to implement controversial spending programs respond to national emergencies and exclude non citizens from Australia Together the chapters in this book analyse and evaluate judicial observations about the operation of the nationhood power in these different contexts and the limits which apply to it While the focus of this book is on the nationhood power it also addresses broader issues concerning the relationship between the legislative and executive branches in parliamentary systems of government This book makes an important contribution to the literature on executive power and will appeal to constitutional lawyers scholars and practitioners and those who are involved in the administration of government *The Statesman's Yearbook: 1991-92* NA NA, 2016-12-29 The classic reference work that provides annually updated information on the countries of the world **USA, India, Africa During and After the Cold War** Okoth, Pontian Godfrey, 2015-03-16 The

Cold War period witnessed competition from political economic ideological diplomatic military and social dimensions between the United States of America USA and the then Union of Soviet Socialist Republics USSR In the superpower rivalries India and Africa were adversely affected in many ways The situation did not change for the better in the post Cold War period which has witnessed the domination of the world by the US and its allies the Group of Eight G 8 industrialised countries This domination has been characterised by the process of Americanization of the worlds otherwise termed globalisation in virtually all spheres of life USA India Africa During and After the Cold War demonstrates that both the United States and The Soviet Union used African States India and other Third World countries for their own geopolitical considerations that the foreign policy and foreign relations of the US were meant to subject Africa and India to the dictates of US imperialism The book assesses the impact of the Cold War and the post Cold War order on Africa India and the entire world and argues that the Non Aligned Movement is still relevant to the Third World countries despite the demise of the Cold War The book analyses issues from the African point of view as opposed to hitherto Western view points but provides a balanced appreciation of the complex forces that shape foreign policies and foreign relations globally It is a valuable contribution to modern diplomatic history and targets university students researchers foreign affairs ministries and practicing diplomats

Documents on the Use and Control of the Waters of Interstate and International Streams United States. Department of the Interior, 1956 In this volume are collected all of the interstate compacts presently in force among States of the American Union which apportion or govern the consumptive use of the waters of interstate streams which have to do with the prevention or amelioration of pollution of such waters or which deal with the control of floods and problems associated therewith This volume also includes either by reference or in full text all those like compacts which though ratified by at least one State did not come into force because of the failure of ratification by another party or because the consent of the Congress was not given In addition there are collected in it the treaties between the United States and Canada or Mexico and the decisions of the United States Supreme Court in interstate litigation which cover the three subjects outlined above Page iii

Cyprus from Colonialism to the Present: Visions and Realities Anastasia Yiangou, Antigone Heraclidou, 2017-12-01 This volume is published in honour of the acclaimed work of Robert Holland historian of the British Empire and the Mediterranean and it brings together essays based on the original research of his colleagues former students and friends The focal theme is modern Cyprus on which much of Robert Holland's own history writing was concentrated for many years The essays analyse British rule in Cyprus between 1878 and 1960 and especially the transition to independence the coverage however also incorporates the post colonial era and the construction of present day dilemmas The Cypriot experience intertwines with Anglo Hellenic relations generally so that a section of the book is devoted to those aspects that have been central to Robert Holland's sustained contribution The essays explore inter alia historiography social history economics politics ideology education and the 2013 financial crisis

Taken as a collection the essays serve as an appropriate tribute to Robert Holland as well as an innovative addition to the existing historiography of colonial and post colonial Cyprus They will be of great interest to anyone interested in Imperial and Commonwealth History Anglo Hellenic relations and the Eastern Mediterranean in the nineteenth and twentieth centuries

The Metaphysics of Trust Philip Goodchild, 2021-06-29 Following Credit and Faith and Economic Theology this third volume in the series develops a metaphysics which is missing when trust is ordered around economic theories and institutions Human existence may be conceived according to its temporal dimensions of appropriation participation and offering Engaging with the Western philosophical tradition from the Neo Pythagoreans and Plato to Heidegger and Arendt drawing especially from Augustine and Weil Goodchild offers striking reconstructions of the meanings of economic political and religious dimensions of life The outcome is an elaboration of conceptions of wealth power contingency necessity and grace which give a new orientation to human life and endeavour Goodchild situates this discussion within the current historical era of the breakdown of global financial capitalism He draws from the Financial Revolution in England as a time of crisis which illuminates our own Faced with a range of global crises Goodchild proposes an alternative between strategies for survival either submission before a Great Machine of Credit as an autonomous unthinking system for regulating human behaviour or accession to the necessity of grace as a way of empowering the pursuit of wealth justice and thought
