Once In Every Life:

Once in Every Life Kristin Hannah, 1992-12-23 A poignant profoundly emotional tale of a woman on a remarkable journey toward her own destiny from the 1 New York Times bestselling author of *The Women* Hannah is superb at delving into her main characters psyches and delineating nuances of feeling *The Washington Post Book World* She dares to love a man who doesn't dare to love Tess Gregory's brilliant career as a research scientist hides her longings for a husband and child Though deaf she is a free spirit a woman full of life and love She is struck down all too soon but for Tess a new life begins at death in post Civil War America She is now Amaryliss Rafferty wife and mother of three and she can hear Shocked and disoriented by her new surroundings she is drawn into the heartache burdening the family especially her husband Jack Pioneer living is rough for a woman used to modern conveniences but Tess flourishes bringing happiness and hope to her daughters and her son to all except her husband a man haunted by angry violent voices that give no rest to his bitter soul A man who fears himself capable of anything Through it all Tess's faith remains unshakable Sheer determination will drive her as their hearts become entwined in a fierce struggle that can be tamed only by love itself *A Day's Ride: A Life's Romance* Charles James Lever, It has been said that any man no matter how small and insignificant the post he may have filled in life who will faithfully record the events in which he has borne a share even though incapable of himself deriving profit from the lessons he has learned may still be of use to others sometimes a guide sometimes a warning I hope this is true I like to think it so for I like to think that even I A S P if I cannot adorn a tale may at least point a moral Certain families are remarkable for the way in which peculiar gifts have been transmitted for ages Some have been great in arms some in letters some in statecraft displaying in successive generations the same high qualities which had won their first renown In an humble fashion I may lay claim to belong to this category My ancestors have been apothecaries for one hundred and forty odd years Joseph Potts drug and condiment man lived in the reign of Queen Anne at Lower Liffey Street No 87 and to be remembered passingly has the name of Mr Addison amongst his clients the illustrious writer having as it would appear a peculiar fondness for Pott's linature whatever that may have been for the secret died out with my distinguished forefather There was Michael Joseph Potts licensed for chemicals in Mary's Abbey about thirty years later and so we come on to Paul Potts and Son and then to Launcelot Peter Potts Pharmaceutical Chemist to his Excellency and the Irish Court the father of him who now bespeaks your indulgence My father's great misfortune in life was the ambition to rise above the class his family had adorned for ages He had as he averred a soul above senna and a destiny higher than black drop He had heard of a tailor's apprentice becoming a great general He had himself seen a wig maker elevated to the woolsack and he kept continually repeating Mine is the only walk in life that leads to no high rewards What matters it whether my mixtures be addressed to the refined organization of rank or the dura ilia rasorum I shall live and die an apothecary From every class are men selected for honors save mine and though it should rain baronetcies the bloody hand would never fall to the lot of a compounding chemist NIV, Once-A-Day:
