

Once In Europe

Timofey Agarin, Malte Brosig

Once In Europe:

After Europe Ivan Krastev, 2020-01-10 A impassioned defense of the European Union and a concise analysis of its present challenges and future In this provocative book renowned public intellectual Ivan Krastev reflects on the future of the European Union and its potential lack of a future With far right nationalist parties on the rise across the continent and the United Kingdom planning for Brexit the European Union is in disarray and plagued by doubts as never before Krastev includes chapters devoted to Europe s major problems especially the political destabilization sparked by the more than 1.3 million migrants from the Middle East North Africa and South Asia the spread of right wing populism taking into account the election of Donald Trump in the United States and the thorny issues facing member states on the eastern flank of the EU including the threat posed by Vladimir Putin s Russia In a new afterword written in the wake of the 2019 EU parliamentary elections Krastev concludes that although the union is as fragile as ever its chances of enduring are much better than they were just a few years ago

One Europe, Many Nations James B. Minahan, 2000-07-30 Dominating world politics since 1945 the Cold War created a fragile peace while suppressing national groups in the Cold War s most dangerous theater Europe Today with the collapse of Communism the European Continent is again overshadowed by the specter of radical nationalism as it was at the beginning of the century Focusing on the many possible conflicts that dot the European landscape this book is the first to address the Europeans as distinct national groups not as nation states and national minorities It is an essential guide to the national groups populating the so called Old World groups that continue to dominate world headlines and present the world community with some of its most intractable conflicts While other recent reference books on Europe approach the subject of nations and nationalism from the perspective of the European Union and the nation state this book addresses the post Cold War nationalist resurgence by focusing on the most basic element of any nationalism the nation It includes entries on nearly 150 groups surveying these groups from the earliest period of their national histories to the dawn of the 21st century In short essays highlighting the political social economic and historical evolution of peoples claiming a distinct identity in an increasingly integrated continent the book provides both up to date information and historical background on the European national groups that are currently making the news and those that will produce future headlines

Asia After Europe Sugata Bose, 2024-02-20 Across the twentieth century Asians imagined universalist ideals centered on the idea of Asia itself rivaling European colonial thought liberalism and race based nationalisms Sugata Bose explores the history of Asian universalisms and reflects on their potential amid ongoing nationalist rivalries tied to religious majoritarianism and violence

Thinking After Europe Francesco Tava, Darian Meacham, 2016-08-16 Jan Patocka perhaps more so than any other philosopher in the twentieth century managed to combine intense philosophical insight with a farsighted analysis of the idea and challenges facing Europe as a historical cultural and political signifier As a political dissident in communist Czechoslovakia he also became a moral and political inspiration to a generation of Czechs including V

clav Havel He accomplished this in a time of intense political repression when not even the hint of a unified Europe seemed visible by showing in exemplary fashion how concrete thought can be without renouncing in any way its depth Europe as an idea and a political project is a central issue in contemporary political theory Patocka s political thought offers many original insights into questions surrounding the European project Here for the first time a group of leading scholars from different disciplines gathers together to discuss the specific political impact of Patocka s philosophy and its lasting significance

Building One Europe Peter Schieder,2004-01-01 This publication contains a selection of articles and speeches by Peter Schieder President of the Parliamentary Assembly of the Council of Europe on a range of issues relating to international justice and human rights the rule of law democracy and social inclusion The common theme of these papers written during the years 2002 to 2004 is the need for a Europe based on one set of values embodied in one set of rules protected by one mechanism from Moscow to Brussels from Ankara to Luxembourg and from Sarajevo to Strasbourg America, Germany, and the Future of Europe Gregory F. Treverton,2014-07-14 Gregory Treverton reviews the significant episodes in Europe s history after World War II emphasizing America s preoccupation with Europe and the decisive effect of U S foreign policy on European security and economic arrangements during the postwar years Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

What is Europe? The Open University,1995-01-01 This 10 hour free course explored the different understandings of Europe that underlie the debates and disputes over the development of Europe

Ritual and the Idea of Europe in Interwar Writing Patrick R. Query,2016-04-08 While most critical studies of interwar literary politics have focused on nationalism Patrick Query makes a case that the idea of Europe intervenes in instances when the individual and the nation negotiate identity He examines the ways interwar writers use three European ritual forms verse drama bullfighting and Roman

Catholic rite to articulate ideas of European cultural identity Within the growing discourse of globalization Query argues Europe presents a special though often overlooked case because it adds a mediating term between local and global His book is divided into three sections the first treats the verse dramas of T S Eliot W B Yeats and W H Auden the second discusses the uses of the Spanish bullfight in works by D H Lawrence Stephen Spender Jack Lindsay George Barker Cecil Day Lewis and others and the third explores the cross cultural impact of Catholic ritual in Graham Greene Evelyn Waugh and David Jones While all three ritual forms were frequently associated with the most conservative tendencies of the age Query shows that each had a remarkable political flexibility in the hands of interwar writers concerned with the idea of Europe

Europe's Malaise Francesco Duina, Frédéric Merand, 2020-10-07 Europe is struggling Its challenges include weak economic growth demographic trends that undermine the sustainability of social and other programs migration Brexit the unfinished euro architecture and much more This volume of Research in Political Sociology seeks to adopt a longer view to make sense of Europe's current malaise

Immigration in Europe David Turton, Julia González, 2003-01-01 The dynamics of migration in Europe have changed dramatically over the last few decades Some countries such as Ireland Italy and Spain are newcomers to an increasingly diverse Europe having moved from being sources of emigration to destinations for migrants Others such as France Germany and the UK have many more years of experience with immigrants Some of the biggest challenges facing Europe in the context of migration relate to irregular migration and integration by immigrants and refugees What are the immigration needs of the different European countries What are their labour needs Can Europe's existing population satisfy those labour needs How can European countries work together to protect and improve the current refugee and asylum system In the light of these pressing issues it is vital that academics and NGOs work together to promote debate research and the publication of reliable information about migration and refugees To this end academics policy makers and representatives of NGOs met at the University of Deusto in Bilbao Spain 30 January 1 February 2003 to reflect on and debate the state of immigration in Europe The results are published in this book

Europe as the Western Peninsula of Greater Eurasia Glenn Diesen, 2021-09-27 Will the increased economic connectivity across the Eurasian supercontinent transform Europe into the western peninsula of Greater Eurasia The unipolar era entailed the US organising the two other major economic regions of the world Europe and Asia under US leadership The rise of the rest primarily Asia with China at the centre has ended the unipolar era and even 500 years of Western dominance China and Russia are leading efforts to integrate Europe and Asia into one large region The Greater Eurasian region is constructed with three categories of economic connectivity strategic industries built on new and disruptive technologies physical connectivity with bimodal transportation corridors and financial connectivity with new development banks trading currencies and payments systems China strives for geoeconomic leadership by replacing the US leadership position while Russia endeavours to reposition itself from the dual periphery of Europe and Asia to the centre of a grand Eurasian geoeconomic constellation Europe positioned

between the trans Atlantic region and Greater Eurasia has to adapt to the new international distribution of power to preserve its strategic autonomy **Asia and Europe** Meredith Townsend,1904 *Immigration and Politics in the New Europe* Gallya Lahav,2004-04-22 With almost a quarter of the world s migrants Europe has been attempting to regulate migration and harmonize immigration policy at the European level The central dilemma exposed is how liberal democracies can reconcile the need to control the movement of people with the desire to promote open borders free markets and liberal standards Gallya Lahav s book traces ten years of public opinion and elite attitudes toward immigration cross nationally to show how and why increasing EU integration may not necessarily lead to more open immigration outcomes Empirical evidence reveals that support from both elite and public opinion has led to the adoption of restrictive immigration policies despite the requirements of open borders Unique in bringing together original data on European legislators and national elites longitudinal data on public opinion and institutional and policy analyses this 2004 study provides an important insight into the processes of European integration and globalization more broadly *Europe and Asia* John S. Stuart-Glennie,1879

A Dictionary of the European Union Lee McGowan,David Phinnemore,2004-04-29 Concise definitions and explanations on all aspects of the European Union **Trajectories of Minority Rights Issues in Europe** Timofey Agarin,Malte Brosig,2016-01-13 The interest in minority protection emerged during the period of democratic transition particularly of ethnically segmented postcommunist societies after the end of the Cold War Minority issues became prominent as postcommunist states lined up as potential candidates for EU membership and the respect for and protection of minority rights was an essential part of criteria these states had to fulfil before EU accession Minority rights protection has constituted an important gatekeeping criterion for EU membership Its monitoring remains a powerful instrument to mediate tensions and to adjudicate discriminations in the present day Europe In many countries minority rights standards have been transposed in domestic legislation but whether these norms constitute a legitimate background which states accept sustain and promote is the focus of this book This volume takes on the task of analysing the diffusion of minority rights norms across the European continent It looks specifically at the oft neglected process of compliance meaning not only the formal adoption of European laws but also their implementation within the domestic context The contributions analyse the political rhetoric legal transposition and behavioural compliance in a range of European states East and West to assess compliance to norms of minority protection This book was published as a special issue of Perspectives on European Politics and Society The European Dream Walter Schwimmer,2004-01-01 Europe is a strange continent Strictly speaking it is not a continent at all but a mere peninsula tacked on to Asia from where many of its first inhabitants undoubtedly came And yet despite its huge variety of features languages landscape and peoples this smallest of continents has achieved a clear cultural identity It is certainly true that Eurospeak lacks poetry and that the myths of today are mainly nationalist chauvinistic and of the No to Europe type But says the author My Europe is not the Europe that regulates the curve on bananas quarrels over subsidies for

farmers or fights for places on the Council or Commission I still believe in dreams especially the European dream The author quotes Vaclav Havel Without dreaming of a better Europe we shall never build a better Europe Going back to the origins of the European idea Dr Schwimmer traces the true content of Robert Schumann's vision and shows how this must still be our inspiration But the author goes back beyond that and looks at other visions of a Federal Europe From the Hapsburg Empire to the League of Nations and Woodrow Wilson's celebrated speech in 1918 various concepts are examined carefully In propounding his dream for the future the author takes on the Eurosceptics directly and shows how Europe must be the key to its inhabitants tackling the problems of world terrorism human rights and the internal strife of Russia and the Balkan States

The Politics of Justice in European Private Law Hans-W Micklitz, 2018-11-15 The Politics of Justice in European Private Law intends to highlight the differences between the Member States concepts of social justice which have developed historically and the distinct European concept of access justice Contrary to the emerging critique of Europe's justice deficit in the aftermath of the Euro crisis this book argues that beneath the larger picture of the Monetary Union a more positive and more promising European concept of justice is developing European access justice is thinner than national social justice but access justice represents a distinct conception of justice nevertheless Member States or nation states remain free to complement European access justice and bring to bear their own pattern of social justice Mapping European Empire Russell Foster, 2015-06-26 Empire and maps are mutually reliant phenomena and traceable to the dawn of civilisation Furthermore maps retain a supremely authoritative status as unquestioned reflections of reality In today's image saturated world their influence is more powerful now than at any other time in history This book argues that in the 21st century we are seeing an imperial renaissance in the European Union EU a political organisation which defies categorisation but whose power and influence grows by the year It examines the past present and future of the EU to demonstrate that empire is not a category of state but rather a collective imagination which reshapes history and appropriates an artificial past to validate the policies of the present and the ambitions of the future In doing so this book illuminates the imperial discourse that permeates the mass maps of the modern EU This text will be of key interest to students and scholars of political science EU Studies Human Geography European political history cartography and visual methodologies and international relations

Once In Europe Introduction

In today's digital age, the availability of Once In Europe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Once In Europe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Once In Europe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Once In Europe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Once In Europe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Once In Europe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Once In Europe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the

public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Once In Europe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Once In Europe books and manuals for download and embark on your journey of knowledge?

FAQs About Once In Europe Books

What is a Once In Europe PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Once In Europe PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Once In Europe PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Once In Europe PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Once In Europe PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are

many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
