authoritative and comprehensive The Broadview Anthology of British Literature has established itself as a leader in the field. The full anthology comprises six bound volumes together with an extensive website component; the latter has been edited, annotated, and designed according to the same high standards as the bound book component of the anthology and is accessible by using the passcode obtained with the purchase of one or more of the bound volumes. For those seeking an even more streamlined anthology than the two volume Concise Edition, The Broadview Anthology of British Literature is now available in a compact single volume version. The edition features the same high quality of introductions, annotations, contextual materials, and illustrations found in the full anthology and it complements an ample offering of canonical works with a vibrant selection of less canonical pieces. The compact single volume edition also includes a substantial website component providing for much greater flexibility. An increasing number of works from the full six volume anthology or from its website component are also being made available in stand alone Broadview Anthology of British Literature editions that can be bundled with the anthology.
