Kevin Nugent, Kathleen Thies, John F. Travers, 2013-11-25 The Development of Children and Adolescents by Penny Hauser Cram J Kevin Nugent Kathleen Thies and John F Travers provides an integrated view of child development Presenting the most pertinent research for each developmental stage and linking

this to practical applications in the areas of Parenting Policy and Practice this balanced approach emphasizes the relationship between research and theory and applications The rich media program including WileyPLUS with Real Development promotes active learning and allows for increased understanding and comprehension of the course content Real Development authored by Nicole Barnes Ph D Montclair State University and Christine Hatchard Psy D Monmouth University uses authentic video showcasing real families along with activities and assessments that put students in the place of a professional to gain an understanding of key concepts Through the combination of text and media students are engaged in meaningful learning that deepens and enriches their understanding of developmental concepts WileyPLUS sold separately from text

Family Mediation Howard H. Irving, Michael Benjamin, 1995-07-19 As divorce rates rise family mediation represents an alternative way of making settlements without involving an already overburdened judicial system This book presents a discussion of the current North American trends in the burgeoning field of family mediation by featuring both a review of the literature and a model for family mediation practice The practice model presented here Therapeutic Family Mediation stresses an ecological perspective and considers the feminist critique of the mediation process The authors also address mediation's role in the important issues of joint custody ethnicity and child protection Future directions in family mediation are examined in the final part
