One Day I Saw A Black King:

One Day I Saw a Black King J. D. Mason, 2004-09-09 He stared at himself in the mirror wondering how he d managed to lose track of time Complacency had managed to set in again A decent job warm home food on the table and a body to curl up next to at night he d made the mistake of getting comfortable Comfort fooled him into thinking it was all good when it wasn t Damn nightmares had a way of reminding him of that Ever since he was fifteen John King has been on the run from the ghosts of his past always drifting never settling down in one place or with one woman though more than one has certainly made the offer of forever after But every time his memories of life back in Texas start to haunt him too deeply into the night John realizes that it s time to move on That is until he rolls into Denver Colorado grooving to Marvin Gaye s Let s Get It on and meets Connie Rodgers a woman who grew up on the mean streets and has the pain and the battle scars to prove it And yet she inspires him to think If indeed there were a home for the perfect kiss it would be on her lips John is reluctant to admit that here is a woman who just may understand his very soul even if she does have some baggage of her own But both must face their pasts if they ever hope to be free to live and love Filled with completely unforgettable characters *One Day I Saw a Black King* is a stunningly powerful story that explores the power of the past over the present the search for love and belonging and the healing gift of an extraordinary love

One Day I Saw a Black King J. D. Mason, 2004-09-09 Ever since he was fifteen John King has been on the run from the ghosts of his past Drifting from place to place John never settles down in one place or with one woman That is until he rolls into Denver Colorado grooving to Marvin Gaye s Let s Get It On and meets Connie Rogers Having grown up on the mean streets Connie has pain and battle scars of her own Yet it is her beautiful and lonely face that inspires John to think If indeed there was a home for the perfect kiss it would be on her lips Though he s reluctant to admit it John soon realizes that Connie is the only woman who just may understand his very soul Now they both must face their pasts if they ever hope to build a future together

You Gotta Sin to Get Saved J. D. Mason, 2009-04-14 Charlotte Rodgers has always wanted too much Too much love too much attention and had too many big dreams It was how she ended up abandoning her two daughters Connie and Reesy to chase after a man and the promise of a dream life But Charlotte never anticipated how her world would be irrevocably changed Now twenty seven years later her whole world shifts yet again with a letter from one of her daughters And the past is about to bust wide open Reesy has always been obsessed with something Obsessed with finding her birth mother Obsessed with her sister s life Obsessed with her own adopted daughter never finding out that Reesy is really her aunt With a neglected husband who is unknowingly drifting further and further away a sister who is trying to escape her well meaning clutches and a daughter becoming more and more curious about her true parentage finding the mother she always dreamed about seems to be an answered prayer to Reesy That is until Reesy is brought crashing back to earth to find that her perfect life is in tattered pieces Connie has always expected too little Too little from the man she s been living with for years Too little from her modest jewelry business And too

little from her relationships or lack thereof with her daughter mother and sister And too little from herself Until she discovers she is pregnant again and decides that this time she is keeping her baby sending her life and her relationship into a tailspin And rediscovering the mother who left them behind is the last thing she wants Thrown back together again in a maelstrom of shocking truths Charlotte Reesy and Connie will discover on their journey to forgiveness and redemption that you just might have to sin first in order to be saved *US Black Engineer & IT* ,1990 *The Dublin University Magazine* ,1862
