One Day In Russia Nineteen Seventeen:

One Day in Russia, Nineteen-Seventeen Philip Bolsover,1975-06 **Nineteen-seventeen** Volin,1954

Revolutionary Russia, 1917 Christopher J. Ward,John M. Thompson,2025-04-25 The Russian Revolution of 1917 was a defining moment in world history setting the stage for political upheaval and ideological conflict that shaped the modern world From the fall of the Romanovs to the rise of Bolshevik rule the revolution s effects extended far beyond Russia s borders influencing movements and governments worldwide This concise and thought provoking book provides a clear narrative of the revolution while critically examining its causes and complexities Through insightful analysis Christopher Ward and John Thompson encourage readers to explore the key events and lasting consequences of 1917 making it an essential resource for understanding one of history s most pivotal moments **Merchants and Markets in Revolutionary**

Russia, 1917-30 Arup Banerji,1997-02-12 This book explores the history of private internal trade in the USSR during the NEP of the 1920s Private traders operated in a politically hostile but economically promising environment Their contribution to post war reconstruction was a crucial one An exhaustive portrayal of the markets and dimensions of private trade is contrasted with the felt anxieties of Bolsheviks concerning traders destabilising intentions and abilities Retrospectively many of these apprehensions were misplaced Competing Voices from the Russian Revolution Michael C. Hickey,2010-12-21

This new collection of documents helps students understand the complex texture of Russian public rhetoric and popular debate during World War I and the 1917 Revolution How better to understand history than through the words of those who lived it Competing Voices from the Russian Revolution Fighting Words presents documents that underscore the extraordinary richness of public discussion about key events and issues during the 1917 Russian Revolution one of the pivotal events in modern history Carefully edited and annotated the documents help clarify the issues while revealing the broad range of ways in which Russians understood the events unfolding around them Focusing on public rhetoric and debate in Russia from the outbreak of World War I in 1914 through the dissolution of the Constituent Assembly in January 1918 the documents present the views not only of key political figures but also of ordinary men and women mothers soldiers factory workers peasants students businesspeople and educated professionals **Strikes and Revolution in Russia, 1917** Diane P. Koenker,William

G. Rosenberg,2014-07-14 More than seventy years since the Bolsheviks came to power there is still no comprehensive study of workers activism in history s first successful workers revolution **Strikes and Revolution in Russia 1917** is the first effort in any language to explore this issue in both quantitative and qualitative terms and to relate strikes to the broader processes of Russia s revolutionary transformation Diane Koenker and William Rosenberg not only provide a new basis for understanding essential elements of Russia s social and political history in this critical period but also make a strong contribution to the literature on European labor movements Using statistical techniques but without letting methodology dominate their discussion the authors examine such major problems as the mobilization of labor and management factory relations

perceptions the formation of social identities and the relationship between labor protest and politics in 1917 They challenge common assumptions by showing that much strike activity in 1917 can be understood as routine but they are also able to demonstrate how the character of strikes began to change and why Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Russian Revolution, 1917-1921 Ronald I. Kowalski, 1997 The collapse of the Soviet Union in 1991 has provided fresh perspectives from which to view the Revolution out of which it grew The Russian Revolution 1917 1921 by Ronald Kowalski reviews the ever changing debate on the nature of the Russian Revolution This collection of documents and sources includes newspapers memoirs and literature commentary and background information of each source a narrative of the major events of the period new material made available since the policy of glasnost a re examination of World War One and the Revolution focus on thematic issues such as the actions of peasants and workers For students of European history this will provide interesting and informative reading on this major event in Russia's turbulent past

Cultural Resurgence in Soviet Russia, 1917-1935 Ashoke Ranjan Thakur, 2025-09-03 This volume presents a new cultural history of the transformation of Russia to the Soviet Union It looks at how the literature the sciences and the arts played a key role in the emergence from a largely agrarian economy to world order It traces the multiple revolutions that resulted in the overthrow of the Tsar's regime during World War I society polity cultural life and the economy saw major upheavals as the country went into turmoil following the War and the revolution However the volume highlights the continuities from the previous regime as the communists built on the work done by their predecessors including monarchists Finally the volume connects it to the larger currents in Europe and Asia at the time The volume will be of great interest to scholars and students of modern Europe history social movements and communism It will also find interest among general readers

Russia Benjamin Baker, 1916

Russians: 4 in 1 Leaders of Soviet Russia 1917-1991 A.J. Kingston, 2023 Are you interested in the fascinating history of Soviet Russia Do you want to understand the individuals who shaped one of the most powerful nations of the 20th century Then look no further than Russians 4 in 1 Leaders of Soviet Russia 1917 1991 This book offers a comprehensive examination of the lives and legacies of the four most influential leaders in Russian history Vladimir Lenin Joseph Stalin Nikita Khrushchev and Mikhail Gorbachev Through detailed explorations of their ideologies policies and the events that defined their respective tenures in power this book provides an insightful look at the forces that shaped modern Russia From Lenin's establishment of the Bolshevik government to Stalin's brutal purges Khrushchev's reforms and Gorbachev's attempts at perestroika and glasnost each leader's impact on Soviet Russia is examined in depth Through their

stories readers can gain a deeper appreciation for the complexities of the Soviet system and the challenges faced by those who sought to lead it This book is essential reading for anyone interested in Russian history politics or the global events of the 20th century It is a rich and engaging exploration of the lives of the individuals who shaped one of the most powerful nations of the modern era and their legacies that continue to resonate to this day Order your copy of *Russians 4 in 1 Leaders of Soviet Russia 1917-1991 today and discover the fascinating story of these four remarkable leaders* **The London Gazette**, 1917 *Revolution in Russia* Edith Rogovin Frankel, Jonathan Frankel, Baruch Knei-Paz, 1992-01-30 The Russian Revolution of 1917 continues to be a subject of most intense controversy Eighteen leading specialists from different generations countries and schools of thought accordingly re examine the key issues and events of that crucial year
