Tingley, 1920 The Role of Creative Ignorance: Portraits of Path Finders and Path Creators P. Formica, 2014-12-21

Traditionally company experts and outside collaborators innovate by developing the knowledge map Success or failure of incremental innovation hinges on this path The Role of Creative Ignorance suggests the knowledge map should be abandoned and replaced with a new methodology that of creative ignorance With over 30 years of experience in international economics and entrepreneurship Piero Formica explores the concept of creative ignorance in combination with path creation and its disruptive effect on entrepreneurship Using narrative examples of innovators and companies worldwide he introduces the characteristics of successful path creators that overstep the boundaries set by knowledge maps to open up new unprecedented routes and connect them each other In doing so path creators reveal latent unexpressed needs of consumers and drive innovation forward **Century Path** ,1902 The Path Finder Force Martin W. Bowman, 2016-03-30 Charged with the formidable task of locating and marking German targets for attack by the main force of Bomber Command the Path Finder Force 8 PFF Group and those in 5 Group was perhaps the most experienced and highly trained elite group created within the Royal Air Force during World War II Its aircrew members were almost entirely volunteers and despite the terrifying odds against any individual or complete crew ever completing the sixty sorties tour of operations with the PFF the most feared punishment was to forfeit their coveted Path Finder wings and be posted away to other units This remarkable evocation of a remarkable force is made up largely of narrative and photographs from the men who flew with or were an integral part of the PFF They alone are best qualified to recount the Path Finder story While the subject matter herein largely covers the four engined Stirlings Halifaxes and Lancasters and twin engined Mosquitoes of 8 PFF Group the Path Finding techniques used by 5 Group are not forgotten and there are two chapters detailing the work of the Oboe Mosquitoes and other markers in support of the night and day Main Force raids on German and Italian cities and individual targets in the Reich This book is a fitting tribute to the PFF and in particular to the crews who failed to return from the PFF s many operations *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986* ,1991
