Pathways to Perfection Thomas S. Monson,1973-01-01 **Spiritual Temples** Andrew Weeks,2008-03 It is appropriate for us Latterday Saints to desire spiritual experiences if we want them for the right reasons The Prophet Joseph Smith demonstrated this when at the dedication of the Kirtland Temple he prayed let thy house be filled with a mighty rushing wind with thy glory Joseph specifically asked for a heavenly experience Of course his faith had waxed strong in the Lord but then again shouldn't ours So writes Andrew S Weeks in *Spiritual Temples Heavenly Experiences in the Houses of God* a thought provoking inspiring book that is also studiously and reverently researched Weeks writes about the history of temple worship and its restoration in the latter days which sparked a stream of heavenly manifestations given to prophets and other faithful saints fulfilling the Lord's words that temples are consecrated for obtaining revelations Present day temple building the future of temple work and worthiness are also discussed I will appear unto my servants and speak unto them with mine own voice the Lord promised if my people will keep my commandments and do not pollute this holy house *Spiritual Temples* supports the premise that whether through inspiration or direct manifestation heavenly experiences are available to temple visitors today *A Paradise Lost in a Merciless Separation* Dr. Marie BA(c)atrice Hyppolite,2022-08-05 This book is about an abrupt separation between an eight year old and her mother The story took place in Haiti during the time Duvalier was in power Haiti had known nearly thirty years of oppression under the dictatorship of the Duvaliers father and son Papa Doc created the Tonton Macoute a gestapo like police force to oppress the citizenry and make people do whatever his government wanted Anyone opposing the regime was a candidate for death Many people lost their wives husbands children properties and more to the Tonton Macoute Unfortunately that eight year old's mother was a casualty of this violence After the child witnessed her mother get arrested she was left with no help having lived with only her mother her entire life She did not know who her father was at that time One neighbor eventually came outside and took the child with her and from that moment the child's life was altered From her mother's paradise to a whole new system that child experienced hell The girl moved from one place to another even her biological father rejected her It was quite a journey but because of the type of child the girl was she did not allow struggles to bury her alive She learned how to double her strength and be resilient She let God enter her life and with him she embraced life with grace determination focus courage and fidelity No one in this entire world is more resilient than her She faced all the problems in her life with courage dignity and strength Though life was unfair to her she never gave up She let nothing in life break her Instead she used misfortune to be strong and fight all the battles that life brought her way That girl understood that success was not a gift one must work hard for it at the cost of pain discipline and perseverance She took all the opportunities she had and turned them into something positive Despite all the challenges hatred misfortune and triviality she experienced she managed to become a successful respectful and independent woman **Pathways to Perfection** Thomas S.
