Pathway to Paradise Elaine Threats, 2008-05-08 Looking for God in all the wrong places Then read this book Its an in depth journey through the Holy Scriptures of the bible to guide you through Gods pathway of salvation which he has provided for human life on this earth In the world of today there are some many avenues and paths to choose in life God has given man the freedom to choose his own destiny but in that freedom he has asked that we choose wisely making right choices What is the right choice in life This book is here to help answer that question The bible says the fear of the Lord is the beginning of wisdom therefore having godly fear is the first wise path that anyone can choose Why is it wise to fear God It is wise because once we begin to give God his due respect as the creator of life is where we begin our journey toward discovering every other right and wise pathway life has to offer which leads to true salvation and in the end eternal life This book is a journey through the Holy Scriptures of the bible in finding that right path to help clear up the fog in the minds of so many looking to know and understand what is true and what is right God has already laid the foundation by the scriptures that we may have the tools and the ability to build a life of success according to the Master who created this great world in which we live and who knows best If you have a true desire to understand the scriptures and want to know what God can do in your life if you are confused about the bible and religion but hope to find the pathway leading to true salvation then read this book Is is here to give good education on biblical truths And as you read keep the bible handy because this book is designed so that as you read it you will need the bible for reference in hopes that you might find the true pathway to paradise

Pathways to Paradise Delilah Mabel Cooke Frazier, 1985 *Pathways to Eden* Patricia Edwards, 2010-03-22 Lost No one to give you directions Don t know which way to go When you stand lost at the crossroads you look for someone to come along to show you how to get out of your predicament Sometimes you receive the answer you have been waiting for and sometimes it seems like you don t When you look for the correct pathway you have to look to the person who can supply the answers Jesus said to his followers I am the Way yes and the Truth and the Life No one can come to the Father except through me Jesus came to show us the way which meant that he had to equip us with a lesson plan and instructions on how to live in the world and get a handle on our circumstances yet not be a part of it he showed us how to have the peace of the Lord and enjoy all the world has to offer without compromising our ideals Jesus is the captain and the head steering Eve s children to follow the correct course back to their first home the Garden of Eden **Pathways to Paradise** Neil J. Pathways to The Ultimate Reality Dan Anghel, The journey towards understanding the essence of what it means to be truly human is intrinsically tied to our perceptions of reality the nature of our self deceptions and the ethical framework within which we operate This book explores the interconnections between the concepts of Ultimate Reality Self Deception and True Humanity It posits that a True Human is someone who through a refined moral compass and an empathetic disposition transcends the need for self deception and aligns closely with the Ultimate Reality a state of existence that is

often equated with the experience of Paradise The Nature of Ultimate Reality Ultimate Reality as understood in various philosophical traditions is the deepest most fundamental nature of existence that is beyond the sensory experiences and transient phenomena of life This reality is not just a backdrop for human action but is the very essence of truth that permeates every aspect of the living world It is immutable eternal and profoundly pervasive For the purpose of this discussion Ultimate Reality is not merely an abstract concept but a lived experience accessible to those who are in a state of True Humanity Self Deception as a Barrier Self deception can be seen as the psychological mechanism that individuals employ either consciously or unconsciously to avoid facing unpleasant truths about themselves and their environment This includes harboring biases rationalizing unethical behavior or maintaining an inflated sense of self While these deceptions can provide short term comfort they ultimately hinder one s journey towards becoming a True Human They distort the individual s perception of reality leading to decisions and actions that are misaligned with the core principles of empathy morality and autonomy
