Patience And Power Grace For The First World:

Patience and Power Jean-Marc Laporte, 1988 *Evelyn Underhill* Annice Callahan, 1997 This book explores Evelyn Underhill's spirituality for daily living by describing aspects of her life and writings that are relevant for contemporary Christians in their daily living. It combines scholarly research and pastoral applications. The first part focuses on three influences on her life: experiences and images, her study of the mystics, and her work with spiritual guides. The second part discusses Underhill's spirituality for daily living based on a study of her letters, retreats, and other spiritual writings. The third part presents her legacy for the third millennium: her study of mysticism, her spiritual guidance, and her spirituality for daily living. This work highlights aspects of her life with which readers may identify, for example, her own return to the Anglican communion after fourteen years, her ecumenical dialogue with the Orthodox church, and her lifelong attraction to the mystical and sacramental aspect of Roman Catholicism, her study of Sufi mystics bringing her into interfaith dialogue, her pacifist stance in World War II, and her prophetic contribution to the Anglican church as a woman, spiritual director, retreat preacher, theologian, spiritual writer, and spiritual resource for today. Radical Gratitude Mary Jo Leddy, 2014-07-30 The guide to attaining the gratitude that frees our spirit helps us to appreciate more deeply family, community, the earth, and ourselves. Back cover. Faith in God Through Jesus Christ John Farrelly, 1997 In short, readable essays, this book looks at what ecumenical dialogue can teach us about the papacy, teaching authority, feminism, dissent, infallibility, grace, ordination, the nature of unity, and the future of the Church. But mutual criticism also follows from an exchange of gifts, and this book includes reflection on where reform of the Church is needed. **Limning the Psyche** Robert Campbell Roberts, Mark R. Talbot, 1997 Sixteen essays by respected psychologists, theologians, and philosophers look at the practice of psychology from a Christian perspective and explore the implications of the Christian view of human nature. **The Gift of the Church** Peter C. Phan, 2016-03-24 As the Church enters its third millennium, it must take stock of its identity and mission. These essays in *The Gift of the Church* address the fundamental issues confronting the Church in its immediate future. Their authors represent the most prominent ecclesialogists of our time. Written in honor of Patrick Granfield OSB, these essays form a textbook for classes in ecclesiology. They also are a useful tool for those engaged in various ministries in the Church to update themselves on the theology of different aspects of the Church. The first section of essays discusses ecclesiology in its historical development as well as its methodology; the second examines various aspects of the Church; and the third part presents the life and work of Patrick Granfield. The essays are clearly written and based on solid and extensive scholarship. Ecclesiology has been the central theme of theological reflections since Vatican II and may continue to be in the next millennium. This textbook fulfills in part Pope John Paul II's Vision for the Jubilee Year when Christians with a profound sense of commitment will likewise express their gratitude for the gift of the Church.
