Patria Mia:

Selected Prose, 1909-1965 Ezra Pound, 1973 Essays by the distinguished poet illuminate his philosophical beliefs as well as the principal themes found in the Cantos Azerbaijan Suha Bolukbasi, 2013-10-01 Azerbaijan's Soviet and post Soviet political history has been tumultuous and varied particularly with regard to the struggle for independence democracy and sovereignty Suha Bolukbasi here illustrates how post Stalin resilience the tolerance shown toward subtle nationalist expression and Gorbachev's relaxation of central control from Moscow were all in part responsible for the initial emergence of a more liberal atmosphere in Azerbaijan As a result issues such as Moscow's responsibility for environmental degradation the depletion of Azerbaijan's oil and unfavourable terms of trade have all begun to be freely discussed However the Azerbaijan Armenia dispute over Karabagh has had a dramatic impact on the political discourse The dispute has become not only an international conflict but one which involves the lives of more than one million refugees This book shows how Azerbaijan's recent political history both domestic and international has influenced the development of the country and the history of the surrounding region **A Guide to Ezra Pound's Personae (1926)** K. K. Ruthven, 2024-03-29 Both a commentary on and a critical appreciation of the work of the early Pound It starts off with a lucid introduction to Pound's technique in general and to his imagist phase during which the poems commented on in this book were written in particular In the critical passages Mr Ruthven steers a sage middle course between the attitudes of uncritical adoration and wholesale rejection that mar so much of the literature on Pound informative without being pedantic and exhaustive without being long winded To turn to Mr Ruthven's Guide is to follow in the footsteps of an intelligent sensitive and reliable scholar English Studies This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1969 *A Guide to Ezra Pound's Personae* K. K. Ruthven, **The Politics of Verdi's Cantica** Roberta Montemorra Marvin, 2017-07-05 The Politics of Verdi's Cantica treats a singular case study of the use of music to resist oppression combat evil and fight injustice Cantica better known as Inno delle nazioni Hymn of the Nations commissioned from Italy's foremost composer to represent the newly independent nation at the 1862 London International Exhibition served as a national voice of pride and of protest for Italy across two centuries and in two very different political situations The book unpacks for the first time the full history of Verdi's composition from its creation performance and publication in the 1860s through its appropriation as purposeful social and political commentary and its perception by American broadcast media as a weapon of art in the mid twentieth century Based on largely untapped primary archival and other documentary sources journalistic writings and radio and film scripts the project discusses the changing meanings of the composition over time It not only unravels the complex history of the work in the nineteenth century of greater

significance it offers the first fully documented study of the performances radio broadcast and filming of the work by the renowned Italian conductor Arturo Toscanini during World War II In presenting new evidence about ways in which Verdi's music was appropriated by expatriate Italians and the US government for cross cultural propaganda in America and Italy it addresses the intertwining of Italian and American culture with regard to art politics and history and investigates the ways in which the press and broadcast media helped construct a musical weapon that traversed ethnic aesthetic and temporal boundaries to make a strong political statement

Ezra Pound and Margaret Cravens Ezra Pound, Margaret Cravens, Omar S. Pound, Robert E. Ezra Pound Betsy Erkkila, 2011-03-03 No one better symbolizes the course of modern literature its triumphs and defeats than Pound From the dreaminess and aestheticism of his early poems to his Imagist and Vorticist manifestos to the formally experimental method and mythic engagement with history in *The Cantos* Pound marks the path that modern and postmodern poetry would follow This collection provides a documentary record of the reviews of Ezra Pound's work in contemporary journals and newspapers an introduction that traces the public outrage and controversy that characterized Pound's reception and checklists of all known reviews of Pound's work Most of the major poets and critics of the twentieth century reviewed Pound's work including T S Eliot Ford Maddox Ford William Carlos Williams and Edmund Wilson Their multiple perplexed and sometimes hostile responses to his work provide a rich record of the struggles that marked the emergence of modern and contemporary poetry and poetics

Word-by-Word Translations of Songs and Arias, Part II Daniel Harris, Arthur Schoep, 1993-11-01 This classic text first published in 1972 has withstood the test of time as a teaching aid for English speaking singers teachers coaches and accompanists in order that their art may be more communicative to the public These word by word translations of songs and arias allow the artist to properly interpret and

express the feelings and emotions that the words require at the proper time British Women Travellers in the Long Nineteenth Century Marilyn D. Button, Jessica A. Sheetz-Nguyen, 2025-03-05 During the long nineteenth century British women reframed the masculine paradigm of the Grand Tour They created a feminist travel gaze intentionally or unintentionally that differed from that of male peers Unlike their brothers who went for personal edification women with means left their English homes for the great Italian cities of Florence Naples and Rome to escape personal disappointments and the social limitations imposed by parents spouses and society The anonymity of travel to a distant land and new freedoms fostered political and creative achievements including entrepreneurial journalism literary masterpieces and social advocacy for their gender which redefined the contours of the Anglo Italian cultural landscape The historical evidence presented here testifies to the life changing capacity of travel and firmly demonstrates how British women s history and literature enriches and broadens narratives about Britain and the World
