

In his own words . . . Saint Patrick

*"My name is Patrick.
I am a sinner, a simple
country person, and the
least of all believers. I am
looked down upon by many."*

Saint Patrick of Ireland

*The opening to his Confessio,
written ca. AD 450*

Patrick In His Own Words

Jonathan Swift

Patrick In His Own Words:

Patrick in His Own Words Saint Patrick, 1988 We have much to learn from St Patrick's Confession as a record of a genuine and intense religious experience. It forms the basis of a character sketch of the saint. It enables us to discuss in some detail his cultural and social background, his natural talents and temperament and the general slant of his religious convictions. The author of this book helps us to know St Patrick both by his readable new translation of the Confession and his lively personal analysis of it and by his simple presentation of the background of the times, the places and the people involved. Patrick in His Own Words Saint Patrick, Joseph Duffy, 1975 Patrick in his own words Patrick (svetnik.), Joseph Duffy, 1972 *Patrick in His Own Words* Patricius (helgen), 1972 Sacred Sisters Maeve Callan, 2025-10-01 *Sacred Sisters* focuses on five saints, the four female Irish saints who have extant medieval biographies: Darerca, Brigid, Kieran, and Samthann, and Patrick, whose writings, fifth-century Ireland's sole surviving texts, attest to the centrality of women in Irish Christianity's development. Women served as leaders and teachers, perhaps even as bishops and priests, and men and women worked together in a variety of arrangements as well as independently. Previous studies of gender in medieval Ireland have emphasized sexism and sex-segregated celibacy, dismissing abundant evidence of alternative approaches throughout the sources, including in the Lives of Ireland's female saints. *Sacred Sisters* places these generally marginalized texts at its center, exploring their portraits of empowered, authoritative, compassionate women who exemplified an accepting and affirming ethics of gender and sexuality that would be unusual in many mainstream Christian movements in the present day, let alone in the Middle Ages. Denis Edwards in His Own Words ATF Press, 2020-05-01 Denis Edwards was a theologian concerned with the science and religion discourse and eco-theology. He died in March 2019. This book is a collection of his till now unpublished talks and essays. **In Their Own Words** Bob Gingrich, 2006-10 All of the factual information collected here is intended as a tool to help Americans rediscover their wonderful heritage, to reintroduce them to the preeminent men and women who had the courage, intelligence, wisdom, and foresight to look to God for guidance in putting together our foundational documents and our systems of government and commerce. Convincing evidence is abundant that our laws, customs, ethics, and moral codes were based upon precepts of the Judeo-Christian Bible and that the overwhelming majority of those involved in the discovery and founding of the United States of America were Christians on a Christian mission. That they fully expected this country to be governed according to those precepts is made clear in their speeches and voluminous writings. Page xi xii In Their Own Words: Founding Fathers & the Bible Bob Gingrich, 2006-10 This captivating, easy-to-read primer features selected Founding Fathers and early American history written in a journalistic rather than professorial style. Tenets of the culture are presented in understandable terms. **Social Issues** **The Works of Dr Jonathan Swift, Dean of St Patrick's, Dublin** Jonathan Swift, 1756 **The Life of Jonathan Swift, Dean of St. Patrick's, Dublin** Sir Henry Craik, 1894
