Patriot Traitors Roger Casement John Amery And The Real Meaning Of Treason:

Patriot Traitors Adrian Weale, 2001 In this text Adrian Weale illuminates one of the darkest corners of recent British history as he compares the careers of Casement and Amery two British citizens who were executed for High Treason *The Traitors* Josh Ireland, 2017-07-13 An epic tale of love dishonour bravery cowardice betrayal and high treason Beautifully written A stunning debut Damien Lewis Playboy Fascist Strongman Thief Traitors John Amery is a drunk and a fanatic an exiled playboy whose frail body is riven by contradictions Harold Cole is a cynical murderous conman who desperately wants to be seen as an officer and a gentleman Eric Pleasants is an iron willed former wrestler he is also a pacifist and will not be forced into fighting other men's battles William Joyce can weave spells when he talks but his true gifts are for rage and hate By the end of the Second World War they will all have betrayed their country *The Traitors* is the story of how they came to do so Drawing on declassified MI5 files it is a book about chaotic lives in turbulent times idealism twisted out of shape of torn consciences and abandoned loyalties and the tragic consequences that treachery brings in its wake **The Politics of the Rope** Neville Twitchell, 2012 The campaign to abolish capital punishment 1955-1969 *Troublesome Young Men* Lynne Olson, 2025-10-16 A riveting history of the daring politicians who challenged the disastrous policies of the British government on the eve of World War II On May 7 1940 the House of Commons began perhaps the most crucial debate in British parliamentary history On its outcome hung the future of Prime Minister Neville Chamberlain's government and also of Britain indeed perhaps the world *Troublesome Young Men* is Lynne Olson's fascinating account of how a small group of rebellious Tory MPs defied the Chamberlain government's defeatist policies that aimed to appease Europe's tyrants and eventually forced the prime minister's resignation Some historians dismiss the phony war that preceded this turning point from September 1939 when Britain and France declared war on Germany to May 1940 when Winston Churchill became prime minister as a time of waiting and inaction but Olson makes no such mistake and describes in dramatic detail the public unrest that spread through Britain then as people realized how poorly prepared the nation was to confront Hitler how their basic civil liberties were being jeopardized and also that there were intrepid politicians willing to risk political suicide to spearhead the opposition to Chamberlain Harold Macmillan Robert Boothby Leo Amery Ronald Cartland and Lord Robert Cranborne among them The political and personal dramas that played out in Parliament and in the nation as Britain faced the threat of fascism virtually on its own are extraordinary and in Olson's hands downright inspiring *The Entity* Eric Frattini, 2024-07-02 International Bestseller Meticulously documented Frattini gives us an exclusive look at the hidden face of the papacy revelations that send a chill up the spine *Le Monde* For five centuries the Vatican the oldest organization in the world maker of kings and shaper of history has used a secret spy service called the Holy Alliance or later the Entity to carry out its will Forty popes have relied on it to carry out their policies They have played a hitherto invisible role confronting de Christianizations and schisms revolutions and dictators colonizations and expulsions persecutions and attacks civil wars and

world wars assassinations and kidnappings For the first time in English following the bestselling Spanish and French editions Eric Frattini tells the comprehensive tale of this sacred secret service The Entity has been involved in the killings of monarchs poisonings of diplomats financing of South American dictators protection of war criminals laundering of Mafia money manipulation of financial markets provocation of bank failures and financing of arms sales to combatants even as their wars were condemned all in the name of God The contradiction between God s justice and Earth s justice Christian beliefs and Christian power all fall before the motto of the Entity With the Cross and the Sword A true story that surpasses any novel by John le Carr El Pa s Spain An investigation worthy of a Pulitzer Frattini puts all the secrets of the Vatican out on the table Di rio de Noticias Portugal A devastating book Valeurs France A must read El Universal Mexico [Searching for Lord Haw-Haw](#) Colin Holmes,2016-07-28 Searching for Lord Haw Haw is an authoritative account of the political lives of William Joyce He became notorious as a fascist an anti Semite and then as a Second World War traitor when assuming the persona of Lord Haw Haw he acted as a radio propagandist for the Nazis It is an endlessly compelling story of simmering hope intense frustration renewed anticipation and ultimately catastrophic failure This fully referenced work is the first attempt to place Joyce at the centre of the turbulent traumatic and influential events through which he lived It challenges existing biographies which have reflected not only Joyce s frequent calculated deceptions but also the suspect claims advanced by his family friends and apologists By exploring his rampant increasingly influential narcissism it also offers a pioneering analysis of Joyce s personality and exposes its dangerous destructive consequences What a saga my life would make Joyce wrote from prison just before his execution Few would disagree with him *From Churchill's SAS to Hitler's Waffen-SS* Michael Scott,2023-01-05 Thoroughly researched and well written this book astounds the reader as to how its subject managed to get away with all the things he did The author tells a good story about a bad man and his wartime escapades WWII History Magazine Captain Douglas Berneville Claye was serving with the fledgling SAS with fellow officers such as David Stirling and Blair Paddy Mayne when he was captured in the Western Desert He was turned and became a member of the Nazi Waffen SS Collaboration with the enemy was confirmed when dressed as an SS captain he approached remnants of the British Free Corps the Waffen SS unit composed of renegade British nationals He exhorted them to serve under his command against Russian forces Post war Berneville Claye was investigated by MI5 for treachery Following an Army court martial he was dishonorably dismissed and sentenced to six months imprisonment Upon release his escapades and private life were no less contentious A philanderer and bigamist he married four times sired ten children and rubbed shoulders with the criminal underworld in and out of prison Eventually he succeeded in emigrating to Australia Thanks to the author s painstaking research this is a compelling yet shocking biography of one of the most intriguing colorful and disreputable characters of his era How he escaped with his life is a question readers will ponder [To Serve the Enemy](#) Shane Darcy,2019 Despite the harsh treatment that can befall collaborators in armed conflict and despite collaboration often not being voluntary

international law leaves unanswered the ethical questions posed by those who join with the enemy Shane Darcy explores the issue calling for a much needed assessment of the protections granted to collaborators in war **The Essential Mystery**

Lists Roger M Sobin,2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher s Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher s death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction **Neo-Tories** Bernhard Dietz,2018-05-31 The danger to British democracy in the interwar period came from a different source to that which has thus far been assumed It came from a network of radical conservatives who

challenged the political system and sought to replace it with an authoritarian corporate state In this book Bernhard Dietz provides the first systematic analysis of this network and its members which are called Neo Tories With strong links to the European right yet a minority back home this group of British conservatives are all the more fascinating today because it is on their ultimate failure that the success of British democracy rested
