Paul And His Little Big Dog:

Rare Luck R.G. Hendrickson, 2023-07-15 Paul hasn't had the best of luck. His boyfriend Rick has something on his mind that he wants to talk about with Paul after work. In person, Paul worries about it all day long on his job as a veterinarian assistant. It's probably something bad or maybe his luck has changed. Having spent much of his childhood in the foster care system and homeless for a while as a young adult, Paul struggles with looking at the bright side though he knows he should. So much has gone wrong. That's what he expects. If only he had better luck. *Judgment and Reasoning in the Child* Jean Piaget, 1928

Little Green Loretta Stinson, 2010 Stinson's stunning redemptive first novel set in 1976 follows a runaway who ends up working in a strip club and falls for a drug dealer who spirals into addiction and becomes physically abusive.

My Past and Thoughts Aleksandr Herzen, 1924 *Judgement and Reasoning in the Child* Jean Piaget, 2002-01-22 Over a period of six decades, Jean Piaget conducted a program of naturalistic research that has profoundly affected our understanding of child development.

The New York Times Dance Reviews 2000 New York Times Staff, 2001 This anthology examines *Love's Labours Lost* from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating and sources, character analysis, comic elements and verbal conceits, evidence of authorship, performance analysis and feminist interpretations. Alongside theater reviews, production photographs and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name, literary work and concept rounds out this valuable resource.

Unacceptable Risk Kaje Harper, 2021-01-30 For a hidden shifter falling in love with a man may be the death of them both, Simon Conley knows about being an outcast. Born into a secret werewolf pack, he's the lone gay wolf, an outsider even among his packmates. The top wolves consider him a perversion, a failure and a security risk. To survive in the human world, werewolves rely on absolute secrecy, and any breaches of their code are dealt with swiftly and violently. So when Simon falls in love with Paul, a human man, even his Alpha's grudging tolerance won't protect him. He must keep Paul from discovering the truth about him and the secrets the pack jealously guards or it's not just their love that'll end up dead. Released 2021 with light editing and the 11 short story included.

Yates Paul, His Grand Flights, His Tootings James Baker Hall, 2014-10-17 James Baker Hall's blackly comic coming-of-age novel has been denied by unfortunate circumstances surrounding its original 1964 publication its rightful place alongside classics such as *Catcher in the Rye* and *One Flew Over the Cuckoo's Nest* in the canon of essential late twentieth-century American fiction. Set in Lexington, Kentucky, the story unfolds through the eyes of thirteen-year-old Yates Paul. He becomes consumed with revelations about his inattentive father's loneliness, his grandmother's stormy relationship with his boisterous alcoholic uncle and the frustration of being the best photography assistant in town when no one else knows it. In pursuing his career and falling in love with women twice his age, the precocious Yates falls back on Walter Mitty-esque daydreams to cope with a frequently humorous, sometimes dark world. Long respected among literary

insiders sought after but nearly impossible to obtain this lost classic will finally reach the wider audience it deserves
