Paul And The Irony Of Affliction:

Paul and the Irony of Affliction Karl Andrews Plank,1987 *Paul and the irony of affliction* Karl A. Plank,1983

The First Epistle to the Corinthians Anthony C. Thiselton,2000-11-22 This superb volume in the New International Greek Testament Commentary series provides the most detailed definitive and distinctive commentary on 1 Corinthians available in English to date One of the world s most respected Christian theologians Anthony Thiselton here provides in depth discussion of the language of 1 Corinthians presents his own careful translation of the Greek traces the main issues of interpretation from the church fathers to the present and highlights topics of theological ethical and sociohistorical interest today including ethics and rights marriage divorce and remarriage headship gender prophecy and many others No other commentary on 1 Corinthians embodies the wealth and depth of detail presented in Thiselton s work which takes account of nearly all scholarly research on 1 Corinthians and incorporates substantial bibliographies throughout In his commentary Thiselton indeed addresses virtually every question that thoughtful serious readers scholars students pastors teachers may wish to ask of or about the text of 1 Corinthians His work truly offers a fresh comprehensive and original contribution to our understanding of this major epistle and its contemporary relevance **Sarcasm in Paul's Letters** Matthew

Pawlak,2022-12-22 Provides an extensive analysis of sarcasm in Paul s letters illuminated by case studies on Septuagint Job the prophets and Lucian of Samosata *Paul and Rhetoric* J. Paul Sampley,Peter Lampe,2010-03-08 A study of the current rhetorical traditions and future directions affecting Pauline scholarship **The Rhetorical Analysis of Scripture** Stanley

E. Porter,Thomas H. Olbricht,1997-09-01 This is the third in a series of conference papers on rhetorical criticism Held in July 1995 in London the conference included participants from the United Kingdom the United States Canada Germany Italy Switzerland and the Republic of South Africa Part I is concerned with the past present and future of rhetorical analysis Parts II III and IV are concerned with rhetorical analysis of scriptural texts and Part V provides a conclusion reflecting on a number of questions raised in Part I Most of the participants would characterize themselves as advocates of rhetorical criticism but there were others less convinced that rhetorical criticism is developing as it ought **Thanking God Emphatically** David

C. Dickenson,2024-07-11 Is Paul being ironic when he thanks God for the Corinthians in 1 Cor 1 4 9 On one hand the apostle seems sincere as he gives thanks for God s gifting of the church On the other hand it can be hard to trust Paul s sincerity when the very things mentioned e g speech and knowledge will later be associated with Paul s rebuke of the church This book clarifies the apostle s intent A look at rhetorical ornamentation from Paul s world reveals that he is using one of the most popular rhetorical figures of his day called emphasis The figure allows Paul to give thanks genuinely while implicitly chiding his audience through various hints These hints prepare for every major section of the letter and the rebukes contained within them Intriguingly the only two comparable thanksgivings in the letter 1 14 16 14 18 19 also employ emphasis These passages all reveal a subtlety that is at once sincere critical and even humorous They reveal that Paul is

thanking God emphatically *The Making of Paul* Richard I. Pervo, The influence of the apostle Paul in early Christianity goes far beyond the reach of the seven genuine letters he wrote to early assemblies Paul was revered and fiercely opposed in an even larger number of letters penned in his name and in narratives told about him and against him that were included in our New Testament and far more often treasured and circulated outside it Richard Pervo provides an illuminating and comprehensive survey of the legacy of Paul and the various ways he was remembered honored and vilified in the early churches

Redemptive Reversals and the Ironic Overturning of Human Wisdom Gregory K. Beale, 2019-11-05 But many who are first will be last and the last first Matthew 19:30 The Bible is full of ironic situations in which God overturns the world's wisdom by doing the opposite of what is expected people are punished by their own sin the persecution of the church is the catalyst for its growth Paul claims to have strength through weakness and more In this book biblical scholar G. K. Beale explores God's pattern of divine irony in both judgment and salvation finding its greatest expression in Jesus's triumph over death through death on a cross Unpacking this pattern throughout redemptive history Beale shows us how God often uses what is seemingly weak and foolish to underscore his own strength and power in the lives of his people today

The Promise of Hermeneutics Roger Lundin, Anthony C. Thiselton, Clarence Walhout, 1999 This work presents an engaging interdisciplinary study of the nature and scope of interpretation one of the most important areas of inquiry in today's postmodern world The three authors all acknowledged experts in the field bring the resources of the Bible Christian tradition and intellectual history to bear upon contemporary hermeneutical disputes Representing a complete revision of *The Responsibility of Hermeneutics* 1985 this substantially expanded volume has been brought up to date with recent work in hermeneutics and sets forth an important new perspective that shifts the interpretive focus from the past to the promise of the future Making use of the best insights from current theories about language interpretation and the nature of the self *The Promise of Hermeneutics* demonstrates how an encounter with contemporary interpretive theory can deepen the church's own hermeneutical practices The authors also show how the Christian faith can help move us beyond the many impasses created by postmodern thought
