The Complete Graphic Work of Paul Nash Alexander Postan, Paul Nash, 1973 *Paul Nash* Paul Nash, 2003
 DESCRIPTION Paul Nash was born in London in 1889 the son of a successful lawyer Influenced by the work of William Blake and contemporary Stanley Spencer Nash held shows in 1912 and 1913 before joining the Artists Rifles upon the outbreak of World War I It was as a result of his harrowing experience in the trenches that his work developed from early imaginary landscapes to the harsh world of tragedy and triumph that he experienced on the Western Front The essays in the book examine the dominant themes evident throughout Nash's career decay death and renewal and cycles of nature and place them in the context of British national sensibility during the interwar years They also discuss the tension between the artist's increasing fascination with heritage prehistoric cultures and primitive forms and the invocation of the modern through industrialization technology and the machine aesthetic This book reveals Nash as a painter who looked both back to the humanist English landscape tradition and forward to the technological age Paul Nash Paul Nash, 2000 This is a critical edition of the art writings of the painter Paul Nash 1889-1946 Alongside the very different Wyndham Lewis Nash was the only major British artist of his generation who was also a regular critic of and essayist on art He knew and read the leading critics of his day and evolved a distinctive position in relation to them His relationship to British modernism and the mutual stimulus of art and criticism the opening up of his criticism and that of others to poetic and literary influences under the influence of Surrealism is discussed by Andrew Causey Nash's writings span the years 1919 to 1946 with the majority dating from the 1930s they were framed by his profession of painting and his activities as an art teacher a product designer and his involvement as organiser and polemicist in the art world All of these helped form the individuality of his writing Paul Nash Emma Chambers, 2016 Published on the occasion of the exhibition Paul Nash Tate Britain London 26 October 2016 5
