Johan Christiaan Beker

Paul The Apostle The Triumph Of God In Life And Thought:

Paul the Apostle Johan Christiaan Beker, 1984 With a new preface by the author this book posits two pillars as the foundations of Paul's thought 1 the interaction between coherence and contingency in Paul's interpretation of the gospel and 2 the apocalyptic character of his gospel Theological Issues in the Letters of Paul J. Louis Martyn, 2005-12-01 The fruit of decades of research the picture of Paul that Martyn paints in this major work is arresting both horrified and thankful to find in the crucifixion of God's Christ the death of the old cosmos and the birth of the new one Paul was able to pre **A Theology of Paul the Apostle, Part One** G. Roger Greene, 2023-07-21 The legacy of Paul looms large in all Christian theology While the study of Paul is not a simple task proper interpretation should be sustainable on the basis of a thorough examination of Paul's letters within their historical matrix The work *Theology of Paul the Apostle* is presented in two parts Part One Paul's Eschatological Gospel addresses matters relevant for Paul's appreciation of the gospel of God in the establishment of the eschatological community in Christ Paul's Judaism informs his apocalyptic description as he expresses his thought with consistent convictions within the varied contingent contexts of his communities within a Greco Roman world Part Two Cross and Atonement examines a perennial storm center within Paul's theology from both an exegetical and developmentally historical perspective Paul was embraced by the gospel of God in Christ the resurrection being the turning point of the ages While Paul's theology and the understandings of Paul must be established point by point Paul's theology has continuing relevance within the very different matrix of a postmodern world *Paul, Apostle of God's Glory in Christ* Thomas R. Schreiner, 2020-01-07 How should students of Scripture engage with discerning the shape of Paul's thought In this second edition of a trusted resource Thomas R Schreiner seeks to unearth Paul's worldview by observing what Paul actually says in his writings and laying out the most important themes and how they are connected While thoroughly informed by contemporary Pauline studies Schreiner offers an accessible account of Paul's theology **The Apocalyptic Paul** Jamie Davies, 2022-05-09 The Apocalyptic Paul is rapidly becoming one of the most influential contemporary approaches to the apostle's letters and one which has generated its share of controversy Critiques of the movement have come from all sides Pauline specialists scholars of Jewish and Christian apocalyptic literature and systematic theologians have all raised critical questions Meanwhile many have found it a hard conversation to enter not least because of the contested nature of its key terms and convictions Non specialists can find it difficult to sift through these arguments and to become familiar with the history of this movement its most important contemporary voices and its key claims In the first part of this book New Testament scholar Jamie Davies offers a retrospective introduction to the conversation charting its development from the turn of the twentieth century to the present surveying the contemporary situation In the second part Davies explores a more prospective account of the challenges and questions that are likely to energize discussion in the future before offering some contributions to the apocalyptic reading of Paul through an interdisciplinary conversation between the fields of New

Testament scholarship Second Temple Jewish apocalypticism and Christian systematic theology **Christ-faith and Abraham in Galatians 3-4** Johnathan F. Harris, 2023-09-25 On what basis are Gentile Christians justified and full inheriting members of Abraham's family By being circumcised and keeping the Torah Paul answers by reinterpreting the Abraham narrative in light of the Christ event as a story of two siblings True Abrahamic children are those whose Spirit wrought life arises as God promised Abraham from the event of Christ faith Like Isaac they receive the life giving power of the Spirit that is tethered to God's promise and the event of eschatological faith By contrast those who like Ishmael are related to Abraham only by means of the flesh are slaves and not heirs **Augustine's Apocalyptic Political Theology in the Evil Saeculum** Pung Ryong Kim, 2024-09-16 Augustine's Apocalyptic Political Theology in the Evil Saeculum investigates Augustine's apocalyptic political theology under the premise that he perceived the saeculum or this age as evil Augustine views the saeculum as wicked because of the activity of the devil and demons For Augustine the devil perverted our social life and politics by mediating the false collective memory of the created world social life and politics through media such as various religious cultural liturgies and literary works In particular the demons reinforced Roman citizens amor sui amor laudis and libido dominandi by employing pagan rituals and literature that mediated the collective memory of the imperial period justifying the existence and expansion of the empire As such this book explores the socio political implications of Augustine's demonology **Thinking through Paul** Todd D. Still, Bruce W. Longenecker, 2014-09-09 The study of Paul and his letters can be exciting challenging and life changing but only if it is done well and only if students achieve more than a basic familiarity with the subject This is exactly what Pauline experts Bruce W Longenecker and Todd D Still accomplish with their new textbook aimed at college and seminary level courses on Paul and his writings Longenecker and Still bring decades of study and expertise to Thinking through Paul challenging readers to delve deeply into Paul's writings and wrestle with his richly layered and dynamic theological discourse Seeking to situate their study of the Apostle in proper perspective Longenecker and Still first look at Paul's life before and after his encounter with the risen Christ en route to Damascus then examine each of Paul's letters individually and finally synthesize the Pauline writings to highlight the main strands of Paul's theologizing all the while keeping in mind the particular context of first century Christianity Filled with images maps charts and questions for further study and discussion Thinking through Paul is both engaging and easy to follow making it the perfect choice for classrooms and for interested readers A Theology of the Cross Charles B. Cousar, 1990-05-01 In Paul's epistles the crucifixion story reveals a God who is free and in no way bound by human categories or expectations Yet God in Christ chooses to be engaged in the very depths of the human predicament The message of the crucifixion is that God's power is manifested in weakness not in strength The author believes that this weakness as strength should be the focal point of the church's identity However a celebration of weakness is in complete opposition to traditional American beliefs in personal strength and a powerful church *An Anomalous Jew* Michael F. Bird, 2016-11-11 Lively well informed portrait of

the complex figure who was the apostle Paul Though Paul is often lauded as the first great Christian theologian and a champion for Gentile inclusion in the church in his own time he was universally regarded as a strange and controversial person In this book Pauline scholar Michael Bird explains why An Anomalous Jew presents the figure of Paul in all his complexity with his blend of common and controversial Jewish beliefs and a faith in Christ that brought him into conflict with the socio religious scene around him Bird elucidates how the apostle Paul was variously perceived as a religious deviant by Jews as a divisive figure by Jewish Christians as a purveyor of dubious philosophy by Greeks and as a dangerous troublemaker by the Romans Readers of this book will better understand the truly anomalous shape of Paul s thinking and worldview

Paul The Apostle The Triumph Of God In Life And Thought: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Paul The Apostle The Triumph Of God In Life And Thought : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
