PAULINE.,1898 **Pauline, the Prima Donna, Or Memoirs of an Opera Singer** ,1898 *Pauline the Prima Donna* ,1985 **Pauline, the Prima Donna**

Anonymous,2015-12-28 In the great tradition of Eveline Pauline The Prima Donna recounts the sexual exploits of our stunningly beautiful German virtuoso as she tours around Europe and beyond in search of the most perfect of pleasures From London to Paris Budapest to Moscow our narrator finds congress amongst the young and old naive and knowledgeable rich and poor Whether man or woman one knowing touch is enough to send this vixen shuddering to orgiastic heights With a proclivity towards gamahuching Pauline tastes all that avante garde turn of the century Europe has to offer Giving herself freely to prison slave and emperors alike in acts of tribadism menage trois and out and out public spectacular in orgies of bacchanalian proportions there is no limit to this wanton s libidinous will Written anonymously in 1898 this rare gem of Victorian Erotica will be sure to shock and delight those a fan of the genre **Pauline, the Prima Donna, Or Memoirs of**

an Opera Singer ,1898 **Memoirs of an American Prima Donna** Clara Louise Kellogg,1913 **Clandestine Erotic Fiction in English 1800-1930** Peter Mendes,2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800 1930 By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi [A Study of Erotic Literature in England](#) W. v.

Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications The Marquis de Sade Paris 1927 and Retif de la Bretonne London 1946

privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation
