

Pavel Haas

Donald L. Niewyk, Francis R. Nicosia

Pavel Haas:

The Music of Pavel Haas Martin Čurda, 2020-06-03 The Czech composer Pavel Haas 1899-1944 is commonly positioned in the history of twentieth century music as a representative of Leo Janáček's compositional school and as one of the Jewish composers imprisoned by the Nazis in the concentration camp of Theresienstadt. However, the nature of Janáček's influence remains largely unexplained and the focus on the context of the Holocaust tends to yield a one-sided view of Haas's oeuvre. The existing scholarship offers limited insight into Haas's compositional idiom and does not sufficiently explain the composer's position with respect to broader aesthetic trends and artistic networks in inter-war Czechoslovakia and beyond. This book is the first attempt to provide a comprehensive albeit necessarily selective discussion of Haas's music since the publication of Lubomír Peduzzi's life and work monograph in 1993. It provides the reader with an enhanced understanding of Haas's music through analytical and hermeneutical interpretation as well as cultural and aesthetic contextualisation and thus reveals the rich nuances of Haas's multifaceted work which have not been sufficiently recognised so far. Pavel Haas, 2022

The Routledge Handbook to Music under German Occupation, 1938-1945 David Fanning, Erik Levi, 2019-12-06 Following their entry into Austria and the Sudetenland in the late 1930s, the Germans attempted to impose a policy of cultural imperialism on the countries they went on to occupy during World War II. Almost all music institutions in the occupied lands came under direct German control or were subject to severe scrutiny and censorship, the prime objective being to change the musical fabric of these nations and force them to submit to the strictures of Nazi ideology. This pioneering collection of essays is the first in the English language to look in more detail at the musical consequences of German occupation during a dark period in European history. It embraces a wide range of issues, presenting case studies involving musical activity in a number of occupied European cities as well as in countries that were part of the Axis or had established close diplomatic relations with Germany. The wartime careers and creative outputs of individual musicians who were faced with the dilemma of either complying with or resisting the impositions of the occupiers are explored. In addition, there is some reflection on the post-war implications of German occupation for the musical environment in Europe. *Music under German Occupation* is written for all music lovers, students, professionals and academics who have particular interests in 20th century music and/or the vicissitudes of European cultural life during World War II. Milan Kundera Known and Unknown Karen von Kunes, 2024-11-14 This collection of essays offers crucial and luminous insights into one of the best-known Czech authors, Milan Kundera, including his lesser-known works. With essays that focus on Kundera's poetry and plays, his last four novels written in French, and his nonfiction writings on the novelistic form and translation, *Milan Kundera Known and Unknown* explores the complex and productive career of this globally recognized author. The approach begins by examining Kundera's distinctive literary style and then how his voice radiated outward from the small communist country of Czechoslovakia to the world. Starting as a poet and playwright, Kundera transcended the Czech literary scene and rose to

global prominence with his novelistic style of variations paradoxes humor and clairvoyance into human relationships mixed with political tensions His multi dimensional existential topics introduced complex novelistic characters that have reached a large audience and remain evocative Kundera also critically commented on creative works his own and of others thus contributing a unique approach to a specific aesthetic ideal and within the masterworks of world renowned authors Chapters on Kundera s aesthetics and form his philosophical leanings his relationship to the burgeoning concept of world literature and translations of his writings offer new perspectives on his life s work These insights shed light on Kundera s understudied works such as his early poetry and his recent French novels making connections between his early and later writing and cementing his literary legacy for English language audiences

Bohuslav Martinu F. James Rybka, 2011-05-01 Bohemian composer Bohuslav Martinu 1890 1959 was exceptionally prolific composing over 400 imaginative well crafted and diverse pieces including symphonies operas ballet scores and other orchestral works For 12 years 1941 1953 he lived in America during which he enjoyed a brilliant reputation and his works were played by nearly all the major orchestras Yet today his works are rarely performed In *Bohuslav Martinu The Compulsion to Compose* F James Rybka provides a documented explanation for Martinu s amazing output he had Asperger syndrome Indeed Martinu is believed to be the first composer ever to be documented albeit retrospectively with an autistic spectrum disorder In this unique biography Rybka follows Martinu s life from his birth in Policka Bohemia to his composition studies with Albert Roussel his escape from Nazis and his rise as an internationally recognized composer with premieres of his works in Boston Prague London and Basel As Rybka explains how the dynamics of Asperger Syndrome affected the composer s work readers will more fully appreciate Martinu s accomplishments and legacy Containing important letters and photographs this book will inspire and inform those impacted by autism but will also be of interest to music scholars and students alike

The Jews of Bohemia and Moravia Livia Rothkirchen, 2006-01-01 Published by the University of Nebraska Press Lincoln and Yad Vashem Jerusalem We were both small nations whose existence could never be taken for granted Vaclav Havel said of the Czechs and the Jews of Israel in 1990 and indeed the complex and intimate link between the fortunes of these two peoples is unique in European history This book by one of the world s leading authorities on the history of Czech and Slovak Jewry during the Nazi period is the first to thoroughly document this singular relationship and to trace its impact both practical and profound on the fate of the Jews of Bohemia and Moravia during the Holocaust Livia Rothkirchen provides a detailed and comprehensive history of how Nazi rule in the Czech lands was shaped as much by local culture and circumstances as by military policy The extraordinary nature of the Czech Jews experience emerges clearly in chapters on the role of the Jewish minority in Czech life the crises of the Munich agreement and the German occupation the reaction of the local population to the persecution of the Jews the policies of the London based government in exile the question of Jewish resistance and the special case of the Terezin Theresienstadt ghetto *The Jews of Bohemia and Moravia* is based on a wealth of primary documents many uncovered only

after the 1989 November Revolution With an epilogue on the post 1945 period this richly woven historical narrative supplies information essential to an understanding of the history of the Jews in Europe **The Sound of Hope** Kellie D.

Brown,2020-06-05 Since ancient times music has demonstrated the incomparable ability to touch and resonate with the human spirit as a tool for communication emotional expression and as a medium of cultural identity During World War II Nazi leadership recognized the power of music and chose to harness it with malevolence using its power to push their own agenda and systematically stripping it away from the Jewish people and other populations they sought to disempower But music also emerged as a counterpoint to this hate withstanding Nazi attempts to exploit or silence it Artistic expression triumphed under oppressive regimes elsewhere as well including the horrific siege of Leningrad and in Japanese internment camps in the Pacific The oppressed stubbornly clung to music wherever and however they could to preserve their culture to uplift the human spirit and to triumph over oppression even amid incredible tragedy and suffering This volume draws together the musical connections and individual stories from this tragic time through scholarly literature diaries letters memoirs compositions and art pieces Collectively they bear witness to the power of music and offer a reminder to humanity of the imperative each faces to not only remember but to prevent another such cataclysm **Singing in Czech** Timothy

Cheek,2014-12-11 Timothy Cheek's revised edition of Singing in Czech A Guide to Czech Lyric Diction and Vocal Repertoire with its accompanying audio accessible online builds on the original pioneering work of 2001 that set a new and very welcome high standard for teaching lyric diction according to Notes The Journal of the Music Library Association It offers users updated information important clarifications and expanded repertoire in a more accessible easier to use format Singing in Czech is divided into two parts Using IPA the first part takes the reader systematically through each sound of the Czech language enhanced by recordings of native Czech opera singers Chapters cover the Czech vowels consonants rules of assimilation approaches to singing double consonants stress and length Moravian dialect and an introduction to singing in Slovak Fine points of formal pronunciation have been clarified in this revised edition In the second part Cheek offers a thorough overview of Czech art song expanded from the first edition Texts to major song literature and opera excerpts by Smetana Dvor k Jan cek Martinu and Haas with timings editions word for word translations idiomatic translations and IPA transcriptions follow In this revision Cheek has included additional cycles by Dvor k and Martinu and two new chapters on Czech female composers V tezlava Kapr lov and Sylvie Bodorov This revised edition of Singing in Czech is useful for all those who are interested and engaged in the performance of the rich Czech vocal repertoire **The Columbia Guide to the**

Holocaust Donald L. Niewyk,Francis R. Nicosia,2012-07-24 Offering a multidimensional approach to one of the most important episodes of the twentieth century The Columbia Guide to the Holocaust offers readers and researchers a general history of the Holocaust while delving into the core issues and debates in the study of the Holocaust today Each of the book's five distinct parts stands on its own as valuable research aids together they constitute an integrated whole Part I provides a

narrative overview of the Holocaust placing it within the larger context of Nazi Germany and World War II Part II examines eight critical issues or controversies in the study of the Holocaust including the following questions Were the Jews the sole targets of Nazi genocide or must other groups such as homosexuals the handicapped Gypsies and political dissenters also be included What are the historical roots of the Holocaust How and why did the Final Solution come about Why did bystanders extend or withhold aid Part III consists of a concise chronology of major events and developments that took place surrounding the Holocaust including the armistice ending World War I the opening of the first major concentration camp at Dachau Germany s invasion of Poland the failed assassination attempt against Hitler and the formation of Israel Part IV contains short descriptive articles on more than two hundred key people places terms and institutions central to a thorough understanding of the Holocaust Entries include Adolf Eichmann Anne Frank the Warsaw Ghetto Aryanization the SS Kristallnacht and the Catholic Church Part V presents an annotated guide to the best print video electronic and institutional resources in English for further study Armed with the tools contained in this volume students or researchers investigating this vast and complicated topic will gain an informed understanding of one of the greatest tragedies in world history

Bearing Witness Philip Rosen, Nina Apfelbaum, 2001-11-30 This resource guide will help readers locate over 800 first person accounts fiction poetry art interpretations and music by Holocaust victims and survivors as well as videos relating the testimony and experiences of Holocaust survivors In addition to the few well known writers artists and musicians whose work so eloquently captures their experience during the Holocaust this guide will introduce the reader to the lives and work of more than 250 lesser known or unrecognized writers artists and musicians from many countries who documented their experience of persecution at the hands of the Nazis This guide will help students gain firsthand knowledge of what it was like to experience the Holocaust and how ordinary people coped and created art and meaning from the ashes of their lives The entry on each writer artist and musician features a biographical sketch and list of his or her works with full bibliographic data Entries on literature and videos are annotated and include recommendations for age appropriateness The work is divided into five parts writers of memoirs diaries and fiction poets artists composers and musicians and videos that feature testimony by survivors Each part features an introductory overview of the artists and art created in that genre out of Holocaust experience Title artist writer and nationality indexes will help the reader select materials and an index organized by age appropriate levels will help teachers and librarians to select literature and videos for students

Enjoying the Tune of Term: An Mental Symphony within **Pavel Haas**

In a world consumed by monitors and the ceaseless chatter of fast transmission, the melodic beauty and emotional symphony created by the published word usually fade in to the background, eclipsed by the relentless sound and interruptions that permeate our lives. Nevertheless, set within the pages of **Pavel Haas** a stunning fictional treasure overflowing with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, that charming masterpiece conducts viewers on a mental trip, well unraveling the hidden tunes and profound impact resonating within each cautiously crafted phrase. Within the depths with this moving examination, we shall explore the book is key harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
