Pawan Chamling Daring To Be Different:

Identity, Contestation and Development in Northeast India Komol Singha, M. Amarjeet Singh, 2015-12-14 India's Northeast has long been riven by protracted armed conflicts for secession and movements for other forms of autonomy. This book shows how the conflicts in the region have gradually shifted towards inter-ethnic feuds rendered more vicious by the ongoing multiplication of ethnicities in an already heterogeneous region. It further traces the intricate contours of the conflicts and the attempts of the dominant groups to establish their hegemonies against the consent of the smaller groups as well as questions the efficacy of the state's interventions. The volume also engages with the recurrent demands for political autonomy and the resultant conundrum that hobbles the region's economic and political development processes. Lucid, topical and thorough in analysis, this book will be useful to scholars and researchers in political science, sociology, development studies and peace conflict studies, particularly those concerned with Northeast India. **Pawan Chamling** Yogendra Bali, 2003. The biographical account of one of the most humane and ideal politicians in the country is not a biography in the conventional sense of the term. As a man of the masses, Chief Minister Pawan Chamling's early development as a politician is closely knit together with the very evolution of Sikkim as a constituent democratic state of India from an independent kingdom ruled by the erstwhile Chogyal. *India Today*, 2003-10. **Sikkim: Exploring the newer frontiers** Pavana Cāmaliña Kirana, 2003.
