Poker Knives and Temporary Tattoos By Dan Waller Poker knives and temporary tattoos far more than a list of three seemingly random items Instead they are three footnotes in a larger story about the creation of Game Faces which has changed fanfare in college athletics as we know it Dan Waller s honesty and admission of his obvious struggles throughout his professional journey make this a refreshing read rather than a list of entrepreneurial accomplishments Waller appreciates the difficulty in what he accomplished His dedication to his own character development should provide hope to any who have a similar mission
