Marketing Literature and Posthumous Legacies Yuri Leving,Frederick H. White,2013-09-12 Literature is not only about aesthetics but also almost equally about economics The successful marketing of an author and his literary works is more dependent on the activities of cultural merchants than on the particular words and phrases found in the author s prose Marketing Literature and Posthumous Legacies focuses on the creation of symbolic capital for the literary legacies of Leonid Andreev and Vladimir Nabokov that was eventually exchanged by cultural merchants for financial and ideological profit Yuri Leving and Frederick H White discuss the ways in which certain cultural merchants created symbolic meaning for these two authors through a process of collusion consecration and the marketing of tangible and intangible products that lead to some sort of transaction The promotion and maintenance of posthumous legacies involves an intricate network of personal interests that drive the preservation of literary reputations **British Medical Journal** ,1893 *The Bookman* ,1892

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
