Praying for Miracles Courtney Daniel Dabney, 2012-08-01 Miracles are woven into the fabric of society From Genesis to Revelation they are threads that run throughout the entire tapestry of Scripture It seems however that our society has waged an all out assault on miracles and their relevance Today biblical miracles are brushed aside as mere superstition or myth while God is dismissed as unnecessary Is there really a wonder working God Prayer is a powerful thing It is a two way conversation between a holy God and those He has chosen to redeem Prayer is not powerful because of the words we choose nor based upon the amount of faith that we possess but because we serve an awesome God who is able to step into our natural world and work miracles on our behalf So the question is not whether there is a God but rather how big is your God Our faith is literally stitched together by God's miraculous power
