

OUR DAYS ARE NUMBERED

You wanted to concoct a monody
On a dead-end highway
In an impossible springtime.

Your gravity, your counter-hell
Wreaked the restless angles of your mind.
You turned back into letters

As you brought to yoke the ancient nothingness
In the wind of myth,
In a flock of time,

And your thirsty mirrors
Lynched the shadow of a bridesmaid.
I've told this to no one else,

How the traces of your blond
Preside over a thimble full of light,
How a crack in the fetid sky veers

Poem For The End Of Time And Other Poems:

Poem for the End of Time and Other Poems Noelle Kocot, 2006-04-01 A brutal and apocalyptic New York epic in the beat tradition Time in the Poetry of T. S. Eliot Nancy K. Gish, 1981-06-18 *The End(s) of Time(s)* Hans-Christian Lehner, 2021-05-25 In times of crises be it about climate change the pandemic corona virus or democratic struggles there is an unwaning interest worldwide in the end of times and related themes such as apocalypticism messianism and utopianism This concerns scholarship and society alike and is by no means limited to the religious field The present volume collates essays from specialists in the study of apocalyptic and eschatological subjects With its interdisciplinary approach it is designed to overcome the existing Euro centrism and incorporate a broader perspective to the topic of end time expectations in the Christian Middle Ages as well as in East Asia and Africa Contributors include Gaelle Bosseman Wolfram Brandes Matthias Gebauer J rgen Gebhardt Vincent Goossaert Klaus Herbers Matthias Kaup Bernardo Bertholin Kerr Thomas Kr mpel Richard Landes Zhao Lu Rolf Scheuermann and Julia Eva Wannenmacher End Time Betty Lou Piluso, 2022-01-15 This book titled End Time Bee Poems was written first from the inspiration of my Lord Jesus Christ who kept the theme of bees through my life and also with the inspiring help of close fellow worker bee friends They have added memorable quotes visions and enlightenment with shared stories and experiences Besides being called Bee as a nickname most of my life it also adapted to Auntie Bee and then Grambee and also at times Queen Bee This is how the poems came to be known as Bee Poems which became like my own signature for each poem I learned a few things about bees and how they work together side by side with a dedication to the hive and the queen bee Not taking glory in their own works but bringing about the glory of the hive I found there were many things about the life of bees that paralleled with my spiritual walk The Lord did not direct me to do much research in regard to bees but He taught me just what I needed to know that would be relevant to what the poems would be about I learned that worker bees actually worked while in rest The subject of entering God s rest is mentioned in many a poem It was imperative that this message was communicated as the main difference between the Old Covenant and the New Covenant I was inspired also to add to the title end time An urgency of how these times we live in with prophecies of end time happenings coming to pass became the fuel behind getting the poems written The first poem in the book The Bees was actually one of the last poems written now used as a kind of an introduction of the poems that would follow **Ideas of Order in Contemporary American Poetry** Diana von Finck, Oliver Scheiding, 2007 **A Library of American Literature from the Earliest Settlement to the Present Time** Edmund Clarence Stedman, Ellen Mackay Hutchinson, 1890 **The Poems of W.B. Yeats** Peter McDonald, 2023-05-31 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats s poetry presents all his verse both published and unpublished including a generous selection

of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats's poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet In this third volume Yeats's poetry of the first decade of the twentieth century is brought into sharp focus revealing the extent of his efforts to re-fashion a style that had already made him a well-known poet All of the major modes in Yeats's earlier work are subject to radical re-imagining in these years from poetic narrative founded in Irish myth in poems such as *Baile and Ailinn* and *The Old Age of Queen Maeve* to the symbolist drama poetry of *The Shadowy Waters* here edited in its two completely different versions of 1900 and 1906 In a decade when the theatre was one of Yeats's principal concerns his lyric poems which were becoming increasingly explicit in personal terms began to discover new intensities of conversational pitch and mythic resonance Poems such as *The Folly of Being Comforted* *Adam's Curse* *No Second Troy* and *The Fascination of What's Difficult* are given close attention in this new edition alongside topical and epigrammatic pieces that are often passed over in accounts of Yeats's development The evolving complexities of Yeats's personal and political lives are crucial to his artistic growth in these years and the commentary gives these generous attention showing how the poetry both feeds upon and often transcends the circumstances of its composition The volume offers strong evidence for this decade as a crucial one in Yeats's poetic life in which the poet created wholly new registers for his verse as well as new dimensions for his imaginative vision

The Fall Out of Redemption Joseph Acquisto, 2016-10-20 Joseph Acquisto examines literary writers and critical theorists who employ theological frameworks but who divorce those frameworks from questions of belief and thereby remove the doctrine of salvation from their considerations Acquisto claims that Baudelaire inaugurates a new kind of amodern modernity by canceling the notion of salvation in his writing while also refusing to embrace any of its secular equivalents such as historical progress or redemption through art Through a series of

interhistorical readings that put Baudelaire into dialogue with literary and critical writers from the last 150 years Acquisto highlights the way both literary and critical approaches attempt to articulate a third option between theism and atheism that also steers clear of political utopianism and Nietzschean estheticism In the concluding section Acquisto expands metaphysical and esthetic concerns to account also for the ethics inherent in the refusal of the logic of salvation an ethics which emerges from rather seeking to redeem or cancel a certain kind of nihilism from back cover
