Poems 1962 1978

Anthony Thwaite

Poems 1962 1978:

Poems 1962-1978 Derek Mahon, 1986 **Poems : 1962-1978** D. Mahon, 1979 *Poems, 1962-1978*, 1979 *A Short History of English Literature* Harry Blamires, 2013-02-28 First published in 2012 This work of introduction is designed to escort the reader through some six centuries of English literature It begins in the fourteenth century at the point at which the language written in our country is recognizably our own and ends in the 1950s It is a compact survey summing up the substance and quality of the individual achievements that make up our literature The aim is to leave the reader informed about each writer's main output sensitive to the special character of his gifts and aware of his place in the story of our literature as a whole **Derek Mahon: A Retrospective** Nicholas Grene, Tom Walker, 2024-09-17 Derek Mahon 1941 2020 is widely recognized as one of the most important Irish poets of his generation This collection of new critical essays offers an important retrospective assessment of the nature of his poetic achievement Bringing together many leading scholars of modern and contemporary Irish poetry including a notable number of accomplished poet critics its contributors range widely across Mahon's body of work Their essays offer fresh considerations of the biographical geographical and literary contexts that shaped his poetic voice This includes paying attention not only to more familiar influences but also to previously little considered interlocutors The stylistic and formal achievement of his voice is re-evaluated in ways that range from attentive close readings to considerations of his controversial practice of self revision and his engagements with music and experiments in translation The politics of a poet often misleadingly considered apolitical are also reframed to take in the engagements of his early work through to the ecocritical commitment of his later poetry Indeed a notable aspect of this book is the consideration it gives to all the phases of Mahon's career As a whole the collection opens up many new ways of reading and understanding Mahon's important body of work **Poetry Today** Anthony Thwaite, 2016-04-15 This is the most authoritative and up to date survey of contemporary British poetry 1960 1995 It is the third version but second edition published by Longman of a successful survey that first appeared 30 years ago and provides a succinct and accessible overview of British poets movements and themes ideal for English courses and the general reader alike The Great War in Irish Poetry Fran Brearton, 2003 The Great War in Irish Poetry explores the impact of the First World War on the work of W B Yeats Robert Graves and Louis MacNeice in the period 1914 45 and on three contemporary Northern Irish poets Derek Mahon Seamus Heaney and Michael Longley Its concern is to place their work and memory of the Great War in the context of Irish politics and culture in the twentieth century The historical background to Irish involvement in the Great War is explained as are the ways in which issues raised in 1912 20 still reverberate in the politics of remembrance in Northern Ireland particularly through such events as the Home Rule cause the loss of the Titanic the Battle of the Somme the Easter Rising While the Great War is perceived as central to English culture and its literature holds a privileged position in the English literary canon the centrality of the Great War to Irish writing has seldom been recognised This book shows first that

despite complications in Irish domestic politics which led to the repression of memory of the Great War Irish poets have been drawn throughout the century to the events and images of 1914-18. This engagement is particularly true of those writing in the troubled Northern Ireland of the last thirty years. The second main concern is the extent to which recognition of the importance of the Great War in Irish writing has itself become a casualty of competing versions of the literary canon.

The Oxford Handbook of Modern Irish Poetry Fran Brearton, Alan Gillis, 2012-10-25 Forty chapters written by leading scholars across the world describe the latest thinking on modern Irish poetry. The Handbook begins with a consideration of Yeats's early work and the legacy of the 19th century. The broadly chronological areas which follow, covering the period from the 1910s through to the 21st century, allow scope for coverage of key poetic voices in Ireland in their historical and political context. From the experimentalism of Beckett, MacGreevy and others of the modernist generation to the refashioning of Yeats's Ireland on the part of poets such as MacNeice, Kavanagh and Clarke, mid-century through to the controversially titled post-1969 Northern Renaissance of poetry, this volume will provide extensive coverage of the key movements of the modern period. The Handbook covers the work of among others Paul Durcan, Thomas Kinsella, Brendan Kennelly, Seamus Heaney, Paul Muldoon, Michael Longley, Medbh McGuckian and Ciaran Carson. The thematic sections interspersed throughout chapters on women's poetry, religion, translation, painting, music, stylistics, allow for comparative studies of poets north and south across the century. Central to the guiding spirit of this project is the Handbook's consideration of poetic forms and a number of essays explore the generic diversity of poetry in Ireland, its various manipulations, reinventions and sometimes repudiations of traditional forms. The last essays in the book examine the work of a new generation of poets from Ireland concentrating on work published in the last two decades by Justin Quinn, Leontia Flynn, Sinéad Morrissey, David Wheatley, Vona Groarke and others.

Modern Irish and Scottish Poetry Peter Mackay, Edna Longley, Fran Brearton, 2011-04-14 The comparative study of the literatures of Ireland and Scotland has emerged as a distinct and buoyant field in recent years. This collection of new essays offers the first sustained comparison of modern Irish and Scottish poetry, featuring close readings of texts within broad historical and political contextualisation. Playing on influences, crossovers, connections, disconnections and differences, the affinities and opposites traced in this book cross both Irish and Scottish poetry in many directions. Contributors include major scholars of the new archipelagic approach as well as leading Irish and Scottish poets providing important insights into current creative practice. Poets discussed include W.B. Yeats, Hugh MacDiarmid, Sorley MacLean, Louis MacNeice, Edwin Morgan, Douglas Dunn, Seamus Heaney, Ian Hamilton Finlay, Michael Longley, Medbh McGuckian, Nuala ni Dhomhnaill, Don Paterson and Kathleen Jamie. This book is a major contribution to our understanding of poetry from these islands in the twentieth and twenty-first centuries.

The Poetry of Derek Mahon Hugh Haughton, 2010-10-21 Derek Mahon is one of the leading poets of his time both in Ireland and beyond, famously offering a perspective that is displaced from as much as grounded in his native country. From prodigious beginnings to prolific maturity, he has been through thick and thin, through

troubled times and other a writer profoundly committed to the art of poetry and the craft of making verse He has also been no less a committed reviser of his work believing the poem to be more than a record in verse but a work of art never finished This virtuoso study by Hugh Haughton provides the most comprehensive account imaginable of Mahon s oeuvre Haughton s brilliant writing always serves and illuminates the poetry yielding extraordinary insights on almost every page The poetry its revisions and reception are the subject here but so thorough is the approach that what is offered also amounts indirectly to an intellectual biography of the poet and with it an account of Northern Irish poetry vital to our understanding of the times

Irish Poetry Since 1950 John Goodby,2000-12-15 Irish Poetry since 1950 is a survey of poetry from Northern Ireland the Republic Britain and the US covering the 1950s the 1960s the early period of the Troubles up to 1976 the 1980s and the 1990s

An Irish Literature Reader Maureen O'Rourke Murphy,James MacKillop,2015-02-01 In a volume that has become a standard text in Irish studies and serves as a course friendly alternative to the Field Day anthology editors Maureen O Rourke Murphy and James MacKillop survey thirteen centuries of Irish literature including Old Irish epic and lyric poetry Irish folksongs and drama For each author the editors provide a biographical sketch a brief discussion of how his or her selections relate to a larger body of work and a selected bibliography In addition this new volume includes a larger sampling of women writers

The Oxford Handbook of Contemporary British and Irish Poetry Peter Robinson,2013-09-26 This Handbook offers an authoritative and up to date collection of original essays bringing together ground breaking research into the development of contemporary poetry in Britain and Ireland

Irish Poets and Modern Greece Joanna Kruckowska,2017-09-21 This book explores the perception of modern Greek landscape and poetry in the writings of Seamus Heaney and Derek Mahon Delving into travel writing ecocriticism translation and allusion it offers a fresh comparative link between Greek modernity and Irish poetry that counterbalances the preeminence of Greek antiquity in existing criticism The first section devoted to travel and landscape examines Mahon s modern perception of the Aegean inspired by his travels to the Cyclades between 1974 and 1997 as well as Heaney s philhellenic relationship with mainland Greece between 1995 and 2004 The second section offers a close analysis of their C P Cavafy translations and compares George Seferis original texts with their creative rendition in the writings of the Irish poets The book will appeal to readers of poetry as well as those interested in the interactions between Ireland and Greece two countries at the extreme points of Europe in times of crisis

Tradition and Influence in Anglo-Irish Poetry Terence Brown,Nicholas Grene,1989-06-18 A collection of essays presenting an insider view of the Irish poetic tradition It brings together some of the best known poets and critics writing in Ireland today exploring the multiple traditions and influences within Anglo Irish poetry from the 19th century to the present

Seamus Heaney M. Parker,1994-10-12 Provides an account of Seamus Heaney s early life and the experiences influences and relationships personal literary and political that shaped his poetic development The book includes photographs interviews and commentary on unpublished poems and drafts

Poetry & Displacement Stan

Smith,2007-11-01 The paradigmatic figure of twentieth century history is the displaced person a concept which emerged from the demographic migrations deportations and genocidal purges that accompanied two world wars the destruction and construction of nation states and the restructuring of the global order which they occasioned These processes almost inevitably fostered a poetry of exile and expatriation intimately bound up with the experience of modernity and the culture of modernism culminating in the postcolonial era with the globalisation of displacement as the determining condition of postmodernity In this timely new volume renowned poetry critic Stan Smith examines a number of poets Plath Larkin Heaney Walcott Middleton Fisher Duffy through the lens of displacement *The Wrong Country* Gerald Dawe,2018-06-08

Poetry in Contemporary Irish Literature Michael Kenneally,1995 This is the second of four collections of essays published under the general title Studies in Contemporary Irish Literature which are devoted to critical analysis of Irish writing since the 1950s Essays in this collection establish some of the defining characteristics of contemporary Irish poetry examine common features of several groups of poets and present focused analyses of twelve individual poets The contributors are Elmer Andrews Rand Brandes Rory Brennan Terence Brown Richard Allen Cave Tom Clyde Gerald Dawe Peter Denman Maurice Elliott Eamon Grennan Edna Longley Caoimhin MacGiolla Leith Kathleen McCracken Peter McDonald Ron Marken Gerardine Meaney Dennis O Driscoll Bernard O Donoghue Alan Peacock Linda Revie Robert Tracy Stan Smith and Clair Wills **English Romanticism and the Celtic World** Gerard Carruthers,Alan Rawes,2003-05-15

English Romanticism and the Celtic World explores the way in which British Romantic writers responded to the national and cultural identities of the four nations England Ireland Scotland and Wales The essays collected here by specialists in the field interrogate the cultural centres as well as the peripheries of Romanticism and the interactions between these They underline Celticism as an emergent strand of cultural ethnicity during the eighteenth century examining the constructions of Celticness and Britishness in the Romantic period including the ways in which the Celtic countries viewed themselves in the light of Romanticism Other topics include the development of Welsh antiquarianism the Ossian controversy Irish nationalism Celtic landscapes Romantic form and Orientalism The collection covers writing by Blake Wordsworth Scott Byron and Shelley and will be of interest to scholars of Romanticism and Celtic studies
