The Idea of Perfection Paul Valéry, 2020-04-14 A fresh look into the monumental work of Paul Valéry one of the major French literary figures of the twentieth century Heir to Mallarmé and the symbolists godfather to the modernists Paul Valéry was a poet with thousands of readers and few followers great resonance and little echo Along with Rilke and Eliot he stands as a bridge between the tradition of the nineteenth century and the novelty of the twentieth His reputation as a poet rests on three slim volumes published in a span of only ten years Yet these poems it turns out are inseparable from another much vaster intellectual and artistic enterprise the Notebooks Behind the published works behind the uneventful life of the almost forgotten and then exceedingly famous poet there hides another story a private life of the mind that has its record in 28 000 pages of notes revealed in their entirety only after his death Their existence had been hinted at evoked in rumors and literary asides but once made public it took years for their significance to be fully appreciated It turned out that the prose fragments published in Valéry's lifetime were not the after the fact musings of an accomplished poet nor his occasional sketchbook nor excerpts from his private journal They were a disfigured glimpse of a vast and fragmentary exercise of thought a restless intellectual quest as unguided and yet as persistent as rigorous and as uncontrollable as the sea that is so often their subject The Idea of Perfection shows both sides of Valéry the craftsman of sublimely refined verse and the fervent investigator of the limits of human intellect and expression It intersperses his three essential poetic works Album of Early Verse The Young Fate and Charms with incisive selections from the Notebooks and finishes with the prose poem The Angel Masterfully translated by Nathaniel Rudavsky Brody with careful attention to form and a natural yet metrical contemporary poetic voice The Idea of Perfection breathes new life into poems that are among the most beautiful in the French language and the most influential of the twentieth century

Poems and Prose Georg Trakl, 2005 An undeniable aura surrounds the name of Georg Trakl a poet of intense inner vision and originality whose work stands alongside that of Yeats Valéry and T S Eliot The distinctive tone of Trakl's work especially admired by his patron Ludwig Wittgenstein is autumnal and melancholy Trakl was writing at a time of spiritual and social disintegration on the eve of the First World War when personal values and perceptions tended to be subsumed in a more generalized anguish and exaltation

Selected Poetry and Prose Chiara Matraini, 2009-05-15 Chiara Matraini 1515 1604 was a member of the great flowering of poetic imitators and innovators in the Italian literary heritage

begun by Petrarch cultivated later by the lyric poet Pietro Bembo and supplanted by the epic poet Torquato Tasso Though without formal training Matraini excelled in a number of literary genres popular at the time poetry religious meditation discourse and dialogue In her midlife she published a collection of erotic love poetry but later in life her work shifted toward a search for spiritual salvation Near the end of her life she published a new poetry retrospective Mostly available in only a handful of rare book collections her writings are now adeptly translated here for an English speaking audience and situated historically in an introduction by noted Matraini expert Giovanna Rabitti Selected Poetry and Prose allows the poet to finally take her place as one of the seminal authors of the Renaissance next to her contemporaries Vittoria Colonna and Laura Battiferra also published in the Other Voice series *Loco Motrix* Amelia Rosselli, 2012-03 A musician musicologist and self defined poet of research Amelia Rosselli 1930-96 was one of the most important poets to emerge from Europe in the aftermath of World War II Following a childhood and adolescence spent in exile from Fascist Italy between France England and the United States Rosselli was driven to express the hopes and devastations of the postwar epoch through her demanding and defamiliarizing lines Rosselli's trilingual body of work synthesizes a hybrid literary heritage stretching from Dante and the troubadours through Ezra Pound and John Berryman in which playful inventions across Italian English and French coexist with unadorned social critique In a period dominated by the confessional mode Rosselli aspired to compose stanzas characterized by a new objectivity and collective orientation where the I is the public where the I is things where the I is the things that happen Having chosen Italy as an ideal fatherland Rosselli wrote searching and often discomposing verse that redefined the domain of Italian poetics and in the process irrevocably changed the Italian language This collection the first to bring together a generous selection of her poems and prose in English and in translation is enhanced by an extensive critical introduction and notes by translator Jennifer Scappettone Equipping readers with the context for better apprehending Rosselli's experimental approach to language *Locomotrix* seeks to introduce English language readers to the extraordinary career of this crucial if still eclipsed voice of the twentieth century The Selected Poetry and Prose of Vittorio Sereni Vittorio Sereni, 2008-09-15 One of the most important Italian poets of the last century Vittorio Sereni 1913-83 wrote with a historical awareness unlike that of any of his contemporaries A poet of both personal and political responsibility his work sensitively explores life under fascism military defeat and imprisonment and the resurgence of extreme right wing politics as well as the roles played by love and friendship in the survival of humanity The first substantial translation of Sereni's oeuvre published anywhere in the world *The Selected Poetry and Prose of Vittorio Sereni* is a unique guide to this twentieth century poet A bilingual edition reissued in paperback for the poet's centenary it collects Sereni's poems criticism and short fiction with a full chronology commentary bibliography and learned introduction by British poet and scholar Peter Robinson **Collected Poems** Stéphane Mallarmé, 2011-01-15 In this classic tale Richard Kim paints seven vivid scenes from a boyhood and early adolescence in Korea at the height of the Japanese occupation 1932 to 1945 Taking its title from

the grim fact that the occupiers forced the Koreans to renounce their own names and adopt Japanese names instead the book follows one Korean family through the Japanese occupation to the surrender of the Japanese empire *Lost Names* is at once a loving memory of family and a vivid portrayal of life in a time of anguish *Poems in Prose* Ivan Sergeevich

City Anna Wainwright, 2025 *Widow City* Gender Emotion and Community in the Italian Renaissance investigates the evolving role of the widow in medieval and Renaissance Italian literature from Dante Petrarch and Boccaccio to women poets including Vittoria Colonna and Veronica Gambara as a key model demonstrating to readers how to mourn and how to live well after devastating loss

Exemplary Tales of Love and Tales of Disillusion María de Zayas y Sotomayor, 2010-07-15 At the height of Mar a de Zayas's popularity in the mid eighteenth century the number of editions in print of her work was exceeded only by the novels of Cervantes But by the end of the nineteenth century Zayas had been excluded from the Spanish literary canon because of her gender and the sociopolitical changes that swept Spain and Europe *Exemplary Tales of Love and Tales of Disillusion* gathers a representative sample of seven stories which features Zayas's signature topics gender equality and domestic violence written in an impassioned tone overlaid with conservative Counter Reformation ideology This edition updates the scholarship since the most recent English translations with a new introduction to Zayas's entire body of stories and restores Zayas's author's note and prologue omitted from previous English language editions Tracing her slow

but steady progress from notions of ideal love to love's treachery Exemplary Tales of Love and Tales of Disillusion will restore Zayas to her rightful place in modern letters *Meditations on the Incarnation, Passion, and Death of Jesus Christ* Catharina Regina von Greiffenberg, 2010-04-15 Read by Protestants and Catholics alike Catharina Regina von Greiffenberg 1633-94 was the foremost German woman poet and writer in the seventeenth century German speaking world Privileged by her social station and education she published a large body of religious writings under her own name to a reception unequaled by any other German woman during her lifetime But once the popularity of devotional writings as a genre waned Catharina's works went largely unread until scholars devoted renewed attention to them in the twentieth century For this volume Lynne Tatlock translates for the first time into English three of the thirty-six meditations restoring Catharina to her rightful place in print These meditations foreground women in the life of Jesus Christ including accounts of women at the Incarnation and the Tomb and in Scripture in general Tatlock's selections give the modern reader a sense of the structure and nature of Catharina's devotional writings highlighting the alternative they offer to the male-centered view of early modern literary and cultural production during her day and redefining the role of women in Christian history **Poems and Letters**

Michelangelo, 2007-05-31 Michelangelo Buonarroti 1475-1564 is universally celebrated as one of the greatest artists of all time yet iconic Renaissance creator was also a prolific and gifted poet The verses collected here are primarily devoted to love and religion Intense and passionate the love poems focus on two figures Tommaso de Cavalieri and Vittoria Colonna with the sonnets and madrigals dedicated to de Cavalieri revealing a highly charged homoerotic fervor previously obscured in the original versions Michelangelo's later religious poetry moves away from his earlier worldly concerns while his letters provide a fascinating insight into his family relations and day to day life as a working artist The result is a revealing picture of one of the towering figures of the Renaissance Rimbaud Jean Nicholas Arthur Rimbaud, 2010-05-15 The enfant terrible of French letters Jean Nicholas Arthur Rimbaud 1854-91 was a defiant and precocious youth who wrote some of the most remarkable prose and poetry of the nineteenth century all before leaving the world of verse by the age of twenty-one More than a century after his death the young rebel poet continues to appeal to modern readers as much for his turbulent life as for his poetry his stormy affair with fellow poet Paul Verlaine and his nomadic adventures in eastern Africa are as iconic as his hallucinatory poems and symbolist prose The first translation of the poet's complete works when it was published in 1966 Rimbaud Complete Works Selected Letters introduced a new generation of Americans to the alienated genius among them the Doors's lead singer Jim Morrison who wrote to translator Wallace Fowlie to thank him for rendering the poems accessible to those who don't read French that easily Forty years later the book remains the only side-by-side bilingual edition of Rimbaud's complete poetic works Thoroughly revising Fowlie's edition Seth Whidden has made changes on virtually every page correcting errors reordering poems adding previously omitted versions of poems and some letters and updating the text to reflect current scholarship left in place are Fowlie's literal and respectful translations of Rimbaud's complex and

nontraditional verse Whidden also provides a foreword that considers the heritage of Fowlie's edition and adds a bibliography that acknowledges relevant books that have appeared since the original publication On its fortieth anniversary Rimbaud remains the most authoritative and now completely up to date edition of the young master's entire poetic oeuvre

Poesis in Extremis Daniel Feldman, Efraim Sicher, 2024-02-08 How can genocide be witnessed through imaginative literature How can the Holocaust affect readers who were not there Reading the work of major figures such as Elie Wiesel Paul Celan Avrom Sutzkever Ida Fink Wladyslaw Szlengel Itzhak Katzenelson and Czeslaw Milosz Poesis in Extremis poses fundamental questions about how prose and poetry are written under extreme conditions either in real time or immediately after the Holocaust Framed by discussion of literary testimony with Wiesel's literary memoir Night as an entry point this innovative study explores the blurred boundary of fact and fiction in Holocaust literature It asks whether there is a poetics of the Holocaust and what might be the criteria for literary witnessing Wartime writing in particular tests the limits of poesis in extremis when poets faced their own annihilation and wrote in the hope that their words like a message in a bottle would somehow reach readers Through Poesis in Extremis Daniel Feldman and Efraim Sicher probe the boundaries of Holocaust literature as well as the limits of representation

Who Is Mary? Vittoria Colonna, Chiara Matraini, Lucrezia Marinella, 2010-07-15 For women of the Italian Renaissance the Virgin Mary was one of the most important role models Who Is Mary presents devotional works written by three women better known for their secular writings Vittoria Colonna famed for her Petrarchan lyric verse Chiara Matraini one of the most original poets of her generation and the wide ranging intellectually ambitious polemicist Lucrezia Marinella At a time when the cult of the Virgin was undergoing a substantial process of redefinition these texts cast fascinating light on the beliefs of Catholic women in the Renaissance and also in the cases of Matraini and Marinella on contemporaneous women's social behavior prescribed for them by male writers in books on female decorum Who Is Mary testifies to the emotional and spiritual relationships that women had with the figure of Mary whom they were required to emulate as the epitome of femininity Now available for the first time in English language translation these writings suggest new possibilities for women in both religious and civil culture and provide a window to women's spirituality concerning the most important icon set before them as wives mothers and Christians
