Children Book II is designed to meet the needs of children seven to eight years of age and older. The students' level is determined by their facility in reading, writing, and speaking Urdu rather than their chronological age. The scope of the topics in Book II is wider than in Book I, and the forty stories and poems, most of them original, are more complex and longer. The original artwork is richer and more varied, and the English-Urdu and Urdu-English vocabulary lists are more comprehensive. Two volumes of *Let's Read Urdu* have been added to help children enhance their reading skills, while a two-part *Workbook* provides practice exercises in writing and reinforces the new vocabulary introduced in the texts. The activity-based *Teacher's Manual* provides detailed lesson plans for each Urdu text. Two CDs accompanying the two volumes of the textbook help ensure standard pronunciation of words and intonations in sentences and infuse life into the stories. Original music was composed for the poems, allowing children to sing them to help with memorization. Developed by a team of trained public school teachers with extensive backgrounds in teaching Urdu as a heritage language, the Urdu Language Textbook Series helps meet the needs of a rapidly growing Urdu-speaking community in North America. It is the first step towards helping children develop Urdu linguistic skills so that they can keep their heritage and culture alive.

A Chaplain's Book of Poems # 2 Chaplain Anthony, 2013-07-29. This book of poems was my second edition. Writing poems is a newer gift to me from God. I wrote my first poem February 28th, 2012. This new book actually exceeded even my expectations. My first book contained approximately 75 God-inspired poems. This latest book has approximately 150 God-inspired poems. It seemed daily that I would be inspired to write a poem, or sometimes two or three. Sometimes watching a church program on TV would suddenly give me this incredible inspiration to write. Each poem was a very special inspiration for that day. I never really had no knowledge of the subject or focus of the poem in advance. It was actually exciting to generate a poem as the words came to me supernaturally. It seemed that there was a poem for just about any problem or situation. Some of the poems I admit I really didn't want to write because they were so controversial. These poems are now read all over the world, and I receive emails daily from about 40 countries. I thank God that this little ministry is now reaching thousands and proclaiming the truth of the gospel in poetry.
