Poems For America:

Poems of American Patriotism Brander MATTHEWS, 2019-01-29 An attempt has been made in the present collection to gather together the patriotic poems of America those which depict feelings as well as those which describe actions since these latter are as indicative of the temper of the time It is a collection for the most part of old favorites for Americans have been quick to take to heart a stirring telling of a daring and noble deed but these may be found to have gained freshness by a grouping in order The arrangement is chronological so far as it might be that the history of America as told by her poets should be set forth Here and there occur breaks in the story chiefly because there are fit incidents for song which no poet has fitly sung as yet The poems have been printed scrupulously from the best accessible text and they have not been tinkered in any way though some few have been curtailed slightly for the sake of space In a few cases where the whole poem has not fallen within the scope of this volume only a fragment is here given When this has been done it is pointed out Brief notes have been prefixed to many of the poems making plain the occasion of their origin and removing any chance obscurity of allusion

William Owens,2017-05-16 Poems for America was written during one of the most troubling times in modern politics Cultural conflicts and manifestations of systemic racial divides still haunt America when the conditions present themselves The year 2016 was layered with major dynamics that no one could have predicted This confronted our society with such force that people reached boiling points that spilled over in violence hatred of our neighbors and even death This challenged the very moral fabric that has held America together for over 230 years The rays of hope and the winds of courage that often won the day were covered by a thick cloud of smoke that burned in many of our cities and opposing winds created by leadership whose rhetoric did little if anything to calm our communities Witnessing the effect of these conditions on America and Americans author poet and playwright William Owens was compelled with a deep conviction to speak to these factions and injustices against ourselves and our neighbors through words imparted upon him by God Words that would vigorously confront evil and inspire hope From September 14 2017 November 8 2017 Owens wrote a poem every day until 53 poems had captured these troubled time in American history Owens journey was deeply personal as he faced his own transition and convictions while allowing himself to understand the conviction of others Remaining true to his core beliefs Owens proves beyond doubt that the cry heard throughout this nation is a deep call for the resurgence of a return to God and faith in America This is captured in the pages of this book that you now hold in your hands *Let America be America Again and Other Poems* Langston Hughes,2004 Hughes s 1936 poem is accompanied by a selection of the American poet s work offering an inclusive and democratic vision for America American Pride David G. been there for Her throughout Her glorious existence starting with the Founding Fathers and carried forward by leaders
heroes and other proud Americans answering Her call to do what was necessary to preserve the land of the free and home of
the brave with so many valiant ones paying the ultimate sacrifice and even more returning home as wounded warriors As it is
