Poems From The Greek Anthology In English Paraphrase:

Poems from the Greek Anthology in English Paraphrase ,1956 *Poems from the Greek Anthology in English Paraphrase* Dudley Fitts,1978 *Poems from the Greek Anthology, in English Paraphrase [by] Dudley Fitts* ,1956 **From the Greek Anthology. Poems in English Paraphrase** Greek Anthology,1957 Poems from the Greek Anthology ,1957

Epigrams from the Greek Anthology ,2020-11-26 Lush Diodorus sets the lads on fire But now another has him in his net Timarion the boy with wanton eyes Meleager AP 12 109 Encompassing four thousand short poems and more the ramshackle classic we call the Greek Anthology gathers up a millennium of snapshots from ancient daily life Its influence echoes not merely in the classic tradition of the English epigram Pope Dryden but in Rudyard Kipling Ezra Pound Virginia Woolf T S Eliot H D and the poets of the First World War Its variety is almost infinite Victorious armies ruined cities and Olympic champions share space with lovers quarrels and laments for the untimely dead but also with jokes and riddles art appreciation potted biographies of authors and scenes from country life and the workplace This selection of more than 600 epigrams in verse is the first major translation from the Greek Anthology in nearly a century Each of the Anthology s books of epigrams is represented here in manuscript order and with extensive notes on the history and myth that lie behind them

From the Greek Anthology Dudley Fitts,1957 **The Oxford Guide to Literature in English Translation** Peter France,2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available **Poems from Greek Antiquity** Paul Quarrie,2020-11-10 A beautiful Pocket Poet selection of short poems odes and epigrams from ancient Greece translated into English by a wide array of distinguished translators and poets Poems from Greek Antiquity presents a gloriously compact treasury of the enduring and influential poems of the ancient Greeks Greek literature abounds in masterpieces the most famous of which are lengthy epics but it is also rich in poems of much smaller compass than The Iliad or The Odyssey The short poems odes and epigrams included in this volume span a vast period of more than a thousand years Included here are selections from the early lyric and elegiac poets the Alexandrian poets Alcaeus Sappho Pindar and many more Here too are poems drawn from the celebrated Greek Anthology and from the Anacreontea the collection of odes on the pleasures of drink love and beauty that have been popular for centuries both in the original Greek and in English Excerpts from somewhat longer poems include Percy Bysshe Shelley s Homeric Hymn to Mercury and the hugely entertaining Homeric pastiche The Battle of the Frogs and Mice The English translations in this volume are works of art in their own right and come from a wide range of remarkable

poets and translators ranging from George Chapman in the seventeenth century to Robert Fagles in the twentieth

Byzantium in the Iconoclast Era (ca 680-850): The Sources Leslie Brubaker, John Haldon, 2017-03-02 Iconoclasm the debate about the legitimacy of religious art that began in Byzantium around 730 and continued for nearly 120 years has long held a firm grip on the historical imagination Byzantium in the Iconoclast Era is the first book in English to survey the original sources crucial for a modern understanding of this most elusive and fascinating period in medieval history It is also the first book in any language to cover both the written and the visual evidence from this period a combination of particular importance to the iconoclasm debate The authors an art historian and a historian who both specialise in the period have worked together to provide a comprehensive overview of the visual and the written materials that together help clarify the complex issues of iconoclasm in Byzantium

Greek Epigram in Reception Gideon Nisbet, 2013-10-31 Greek Epigram in Reception is a chronological survey of the reception history of the Greek Anthology a Byzantine collection of ancient Greek short poems known as epigrams Tracing the strange evolution of the Greek Anthology from the early nineteenth century to the years after the first World War the volume analyses the complex webs of rhetoric that are spun as writers and translators bring their different agendas to bear on the Anthology s text pruning it to meet their needs As so little was known about its poets and because it stood for the Anthology of the Greeks and their culture the text became the battleground during the 1870s 90s on which normative and dissident interpretations of Ancient Greece were fought out An emergent mass readership became caught between opposing and rhetorically loaded accounts casting the Anthology and thus the ancient race on whom the British were supposed to be modelling themselves as patriots and doting spouses or lovers of male Beauty like the Decadent sensation Oscar Wilde The after effects of this cultural war were to stretch into the 1920s and still echo today

E. E. Cummings' Modernism and the Classics J. Alison Rosenblitt, 2016-09-22 This volume is a major ground breaking study of the modernist E E Cummings engagement with the classics With his experimental form and syntax his irreverence and his rejection of the highbrow there are probably few current readers who would name Cummings if asked to identify 20th century Anglophone poets in the Classical tradition But for most of his life and even for ten or twenty years after his death this is how many readers and critics did see Cummings He specialised in the study of classical literature as an undergraduate at Harvard and his contemporaries saw him as a pagan poet or a Juvenalian satirist with an Aristophanic sense of humour In *E E Cummings Modernism and the Classics* Alison Rosenblitt aims to recover for the contemporary reader this lost understanding of Cummings as a classicizing poet The book

also includes an edition of previously unpublished work by Cummings himself unearthed from archival research For the first time the reader has access to the full scope of Cummings translations from Horace Homer and Greek drama as well as two short pieces of classically related prose a short Alcaics and a previously unknown and classicizing parody of T S Eliot s The Waste Land This new work is exciting in its own right and essential to understanding Cummings development as a poet

Byzantium in the Iconoclast Era (ca.680-850) Leslie Brubaker,John F. Haldon,Robert G. Ousterhout,2001 Iconoclasm the debate about the legitimacy of religious art that began in Byzantium around 730 and continued for nearly 120 years has long held a firm grip on the historical imagination Byzantium in the Iconoclast Era is the first book in English to survey the original sources crucial for a modern understanding of this most elusive and fascinating period in medieval history It is also the first book in any language to cover both the written and the visual evidence from this period a combination of particular importance to the iconoclasm debate The authors an art historian and a historian who both specialise in the period have worked together to provide a comprehensive overview of the visual and the written materials that together help clarify the complex issues of iconoclasm in Byzantium *Paperbound Books in Print* ,1971-07 **Library of Congress Catalogs**
