

Snow

*Branches on the evergreens,
are dressed in snowy white,
as soft the moonlight sparkles,
on this blanket of the night.
Delicate, untouched and pure,
is found the ground below,
as gentle moon beams glimmer,
on the freshly fallen snow.*

Poems Of A Snow Eyed Country:

Poems of a Snow-eyed Country Richard Woollatt, Raymond Souster, 1980 Collected Poems of Raymond Souster
Bruce Whiteman, 1984 **Snow Country** Yasunari Kawabata, 2024-09-25 Nobel Prize recipient Yasunari Kawabata's *Snow Country* is widely considered to be the writer's masterpiece a powerful tale of wasted love set amid the desolate beauty of western Japan At an isolated mountain hot spring with snow blanketing every surface Shimamura a wealthy dilettante meets Komako a lowly geisha She gives herself to him fully and without remorse despite knowing that their passion cannot last and that the affair can have only one outcome In chronicling the course of this doomed romance Kawabata has created a story for the ages a stunning novel dense in implication and exalting in its sadness **A Journey in Translation** Lee Skallerup Bessette, 2016-08-03 This book traces the remarkable journey of Herbert's shifting authorial identity as versions of her work traveled through complex and contested linguistic and national terrain from the late 1950s until today At the center of this exploration of Herbert's work are the people who were inspired by her poetry to translate and more widely disseminate her poems to a wider audience Exactly how did this one woman's work travel so much farther than the vast majority of Quibcois authors Though the haunting quality of her art partly explains her wide appeal her work would have never traveled so far without the effort of scores of passionately committed translators editors and archivists Though the work of such middle men is seldom recognized much less scrutinized as a factor in shaping the meaning and reach of an artist in Herbert's case the process of translating Herbert's poetry has left in its wake a number of archival and other paratextual resources that chronicle the individual acts of translation and their reception Though the impact of translation editions and archival work has been largely ignored in studies of Canadian literary history the treasure trove of such paratextual records in Herbert's case allows us to better understand the reach of her work More importantly it provides insight into and raises critical questions about the textually mediated process of nation building and literary canon formation Published in English **The Canadian Forum**
Charles Bruce Sissons, Richard De Brisay, 1980 Includes critical reviews *The Beautiful Country and the Middle Kingdom*
John Pomfret, 2016-11-29 A remarkable history of the two centuries old relationship between the United States and China from the Revolutionary War to the present day From the clipper ships that ventured to Canton hauling cargos of American ginseng to swap Chinese tea to the US warships facing off against China's growing navy in the South China Sea from the Yankee missionaries who brought Christianity and education to China to the Chinese who built the American West the United States and China have always been dramatically intertwined For more than two centuries American and Chinese statesmen merchants missionaries and adventurers men and women have profoundly influenced the fate of these nations While we tend to think of America's ties with China as starting in 1972 with the visit of President Richard Nixon to China the patterns rapturous enchantment followed by angry disillusionment were set in motion hundreds of years earlier Drawing on personal letters diaries memoirs government documents and contemporary news reports John Pomfret reconstructs the surprising

tragic and marvelous ways Americans and Chinese have engaged with one another through the centuries A fascinating and thrilling account *The Beautiful Country and the Middle Kingdom* is also an indispensable book for understanding the most important and often the most perplexing relationship between any two countries in the world Fraser's Magazine for Town and Country ,1840 **Fraser's Magazine for Town and Country** James Anthony Froude, John Tulloch, 1865 Contains the first printing of Sartor resartus as well as other works by Thomas Carlyle **The Sample Case** ,1923 The country minister, a poem, with other poems Jacob Brettell, 1821 Writing the Poetry of Place in Britain, 1700–1807 Elizabeth R. Napier, 2022-11-30 This book discusses the intrusion often inadvertent of personal voice into the poetry of landscape in Britain 1700 1807 It argues that strong conventions such as those that inhere in topographical verse of the period invite original poets to overstep those bounds while also shielding them from the repercussions of self expression Working under cover of convention in this manner and because for many of these poets place is tied in significant ways to personal history poets of place may launch unexpected explorations into memory personhood and the workings of consciousness This book thus supplements past largely political readings of landscape poetry turning to questions of self articulation and self expression in order to argue that the autobiographical impulse is a distinctive and innovative feature of much great eighteenth century poetry of place Among the poets under examination are Pope Thomson Duck Gray Goldsmith Crabbe Cowper Smith and Wordsworth **SNOW IN AMER MERGEN BERNARD**, 1997-09-17 Snow symbol of a howling wilderness that has forged the hardy American character Drawing from works of art poetry literature film history and public policy the author discusses snow as a metaphor for both chaos and order traces the development of snow technologies such as the shovel the gauge and the plow and explains the importance of snow surveys for climate regulation 47 illustrations **"My Rebellious and Imperfect Eye"** ,2021-10-18 My Rebellious and Imperfect Eye Observing Geoffrey Grigson acknowledges and celebrates Geoffrey Grigson 1905 1985 as an all round man as a distinctive lyrical poet as the exact observer of nature and of men in the past and in the present as a pioneering literary critic and art critic as an unrivalled anthologist as a ground breaking editor as a broadcaster as a botanist the list could be extended In an unsurpassed number of diverse areas of artistic and natural culture Grigson passionately communicated all he experienced and felt to as wide an audience as possible Therefore as the centenary of his birth comes in view it seems singularly appropriate to celebrate Geoffrey Grigson s unique contribution to the twentieth century cultural scene In a writing career spanning nearly sixty years he was unmatched by any of his contemporaries for a range which reaches from the edges of journalism into and beyond the academic world In prose and verse the nineteen contributors to this volume amongst them some of the most distinguished names in contemporary English letters would hardly claim to have covered every aspect of Grigson s genius but they do manage to touch upon most of the territory he illuminated The volume contains a full bibliography of Grigson s work and a number of his drawings The Country Gentleman ,1855 A journal for the farm the garden and the fireside devoted to improvement in agriculture

horticulture and rural taste to elevation in mental moral and social character and the spread of useful knowledge and current news **Cultivator and Country Gentleman** ,1861 *New Directions in Prose and Poetry* 20 James Laughlin,1968

Writers H - Z. Daniel Lane Kirkpatrick,1991 Sunshine in the Country. A Book of Rural Poetry. Embellished with Photographs from Nature ,1861 **Snow Country** ,1995 In the 87 issues of Snow Country published between 1988 and 1999 the reader can find the defining coverage of mountain resorts ski technique and equipment racing cross country touring and the growing sport of snowboarding during a period of radical change The award winning magazine of mountain sports and living tracks the environmental impact of ski area development and people moving to the mountains to work and live
